

Dear Valued Employee,

We are thrilled to announce that, in partnership with G&A Partners, we have switched from The Work Number to Clear Verify for all your verification of employment (VOE) needs. G&A will now direct all employment and income verification requests to Clear Verify.

What does this mean for you?

With Clear Verify, you have the convenience of securely sharing your employment and income information for various purposes, such as purchasing a new vehicle, applying for a mortgage, or verifying your employment status with government entities.

How does it work?

Scan the QR code below to create your Clear Verify account.

When you're ready, start sending verification requests. You can send verification requests in two ways:

1. Use their "My Verify" feature to proactively send the verification yourself.
2. Direct the third-party verifier to the Clear Verify team by sending voicemails, emails, and scanned letters through the following methods:
 - **Website:** <https://app.clearverify.com>
 - **VOE Email:** verifications@clearverify.com
 - **Phone:** (888) 990-7071

- **Hours:** Mon - Fri | 8 am - 5 pm CT
- **Mail:** ATTN: Clear Verify
2121 Ave N. Suite 100
Birmingham, AL 35203
- **Fax:** (888) 570-4028 (Messages will automatically be encrypted)

Note: Please ensure your Social Security number and full name are included in all printed verification requests before sending. We recommend sending any requests with sensitive information to the fax line above to ensure secure transmission.
