

At G&A Partners, delivering world-class customer service is part of our DNA, and we are proud to partner with your employer to support your comprehensive HR needs, including payroll and tax withholdings. As part of our commitment to exceptional service, we're providing you with important information and deadlines regarding your 2025 W-2 and W-4 tax forms.

In this email, you will find:

- How to register to receive your W-2 electronically in WorkSight
- How to update the address where your W-2 will be mailed
- Important W-4 information
- How to reset your WorkSight password
- Additional support from G&A

How to Receive Your W-2 Electronically within WorkSight

You may choose to receive your W-2 in one of two ways:

1. **Electronically:** *The fastest method for receiving your 2025 W-2 is electronically.* Register to receive your W-2 online before **Wednesday, December 31, 2025**. **Note: If you have previously registered to receive your W-2 electronically, you do not need to register again,** as the election to receive your W-2 electronically remains in force until you revoke it.

To complete registration,

- [Download the guide](#), which provides detailed instructions, or
- Visit our [W-2 informational webpage](#) for additional details and frequently asked questions (FAQs).

Once registered, you will be able to download your 2025 W-2 online on or before **Monday, February 2, 2026**. If you no longer wish to receive your W-2 electronically, you must submit a request in writing to accesshr@gnapartners.com.

2. **By mail:** If you do not register to receive your 2025 W-2 electronically before **December 31, 2025**, your W-2 will be mailed to you by **Monday, February 2, 2026**, as required by law, at the address G&A Partners has on file for you as of **December 31, 2025**. Mail may take several weeks for delivery.
 - If you need to update the address where your 2025 W-2 will be mailed, you must do so before **December 31, 2025**. *The address on your W-2 cannot be changed after this date.*

How to Update Your W-2 Mailing Address

If you need to update your on-file address for any reason, follow the steps below:

- Log into [WorkSight](#)
- Enter your credentials to log in
- Once logged in, select "Personal" from the left tab menu
- Select "Address"
- Select "Edit" for the address type you would like to update, and then make changes as necessary
- When finished, select "Save"

Important W-4 Information

Please remember to submit a new W-4 form if your filing status, other income, deductions, or credits have changed or will change for next year.

To update your tax withholding information, please follow the steps below:

- Log into [WorkSight](#)
- Select the "Taxes" button on the left side menu

- Select “Tax Withholding” once the menu expands
- Select the blue "Edit" button in the top right corner
- Follow the instructions on the screen

How to Reset Your WorkSight Password

If you have forgotten your WorkSight password, easily reset it by following the steps below:

- Go to the [WorkSight login screen](#)
- Click "Forgot Password?"
 - WorkSight password reset instructions will be sent to the email address associated with your WorkSight account.
 - Please check all email addresses you may have on file, as well as your spam and junk folders.
- For more help resetting your password, download the [How to Update/Reset Your WorkSight Password Guide](#).

G&A is Here to Support You

FAQs and additional information regarding 2025 W-2s, including a Spanish version of this email and instructions on how to receive your W-2 electronically, are available on our [W-2 informational webpage](#).
