Section 1. Schedule of Benefits (Who Pays What)

In this section you will find an outline of the benefits included in your Plan and a summary of any Deductibles, Coinsurance, and Copayments that you must pay. Also listed are any Benefit Period Maximums or limits that apply. Please read the "Benefits/Coverage (What is Covered)" section for more details on the Plan's Covered Services. Read the "Limitations/Exclusions (What is Not Covered)" section for details on Excluded Services.

All Covered Services are subject to the conditions, Exclusions, limitations, and terms of this Booklet including any endorsements, amendments, or riders.

To get benefits under this Plan, you must get Covered Services from an In-Network Provider. Services from an Out-of-Network Provider are not covered, except for Emergency or Urgent Care or Authorized Services. Please be sure to contact us if you are not sure if we have approved an Authorized Service.

Deductibles, Coinsurance, and Benefit Period Maximums are calculated based upon the Maximum Allowed Amount, not the Provider's billed charges.

Essential Health Benefits provided within this Booklet are not subject to lifetime or annual dollar maximums. Certain non-essential health benefits, however, are subject to either a lifetime and/or dollar maximum.

Essential Health Benefits are defined by federal law and refer to benefits in at least the following categories:

- · Ambulatory patient services,
- Emergency services,
- Hospitalization,
- Maternity and newborn care,
- Mental health and substance use disorder services, including behavioral health treatment,
- Prescription drugs,
- Rehabilitative and Habilitative Services and devices,
- · Laboratory services,
- Preventive and wellness services, and
- Chronic disease management and pediatric services.

Such benefits shall be consistent with those set forth under the Patient Protection and Affordable Care Act of 2010 and any state or federal regulations issued pursuant thereto.

Benefit Period	Calendar Year
Dependent Age Limit	To the end of the month in which the child attains age 26.
	Please see the "Eligibility" section for further details.

Deductible Type: Embedded	In-Network
Per Member	\$0
Per Family – All other Members combined	\$0

Embedded:

Individual - If you, the Subscriber, are the only person covered by this Plan, only the "per Member" amounts apply to you.

Family - If you also cover Dependents (other family members) under this Plan, only the "per Family" amounts apply. The "per Family" Deductible can be met by two or more individuals.

When the Deductible applies, you must pay it before benefits begin. See the sections below to find out when the Deductible applies.

Copayments and Coinsurance are separate from and do not apply to the Deductible.

Coinsurance	In-Network
Plan Pays	100%
Member Pays	0%

Reminder: Your Coinsurance will be based on the Maximum Allowed Amount.

Note: The Coinsurance listed above may not apply to all benefits, and some benefits may have a different Coinsurance. Please see the rest of this Schedule for details.

Out-of-Pocket Limit	In-Network
Per Member	\$4,000
Per Family – All other Members combined	\$8,000

Embedded:

The individual Out-of-Pocket Limit applies to each covered family member. Once two or more covered family members' Out-of-Pocket Limit combine to equal the family Out-of-Pocket Limit amount, the Out-of-Pocket Limit will be satisfied for the family for that Benefit Period.

The Out-of-Pocket Limit includes all Deductibles, Coinsurance, and Copayments you pay during a Benefit Period unless otherwise indicated below. It does not include charges over the Maximum Allowed Amount or amounts you pay for non-Covered Services.

The Out-of-Pocket Limit does not include amounts you pay for the following benefits:

Out-of-Pocket Limit In-Network

Services listed under "Vision Services for Members Age 19 and Older."

No one person will pay more than their individual Out-of-Pocket Limit.

Once the Out-of-Pocket Limit is satisfied, you will not have to pay additional Deductibles, Coinsurance, or Copayments for the rest of the Benefit Period, except for the services listed above.

Important Notice about Your Cost Shares

In certain cases, if we pay a Provider amounts that are your responsibility, such as Deductibles, Copayments or Coinsurance, we may collect such amounts directly from you. You agree that we have the right to collect such amounts from you.

The tables below outline the Plan's Covered Services and the cost share(s) you must pay. In many spots you will see the statement, "Benefits are based on the setting in which Covered Services are received." In these cases you should determine where you will receive the service (i.e., in a doctor's office, at an outpatient hospital facility, etc.) and look up that location to find out which cost share will apply. For example, you might get physical therapy in a doctor's office, an outpatient hospital facility, or during an inpatient hospital stay. For services in the office, look up "Office and Home Visits." For services in the outpatient department of a hospital, look up "Outpatient Facility Services."

Human Organ and Tissue Transplant (Bone Marrow / Stem Cell) Services

To best understand your benefits, you may call our Transplant Department to discuss benefit coverage when it is determined a transplant may be needed. We suggest you do this before you have an evaluation and/or work-up for a transplant, so that we can assist you in maximizing your benefits. To learn more or to find out which Hospitals are In-Network Transplant Providers, you may contact the Member Services telephone number on the back of your Identification Card and ask for the transplant coordinator. In addition, you or your Provider must call our Transplant Department for Precertification prior to the transplant, whether this is performed in an Inpatient or Outpatient setting.

To get the most benefits under your Plan, you must get certain human organ and tissue transplant services from an In-Network Transplant Provider that we have chosen as a Centers of Medical Excellence for Transplant Provider and/or a Provider designated as an In-Network Transplant Provider by the Blue Cross and Blue Shield Association. Even if a Hospital is an In-Network Provider for other services, it may not be an In-Network Transplant Provider for certain transplant services. Please call us to find out which Hospitals are In-Network Transplant Providers. (When calling Member Services, ask for the Transplant Case Manager for further information.)

Centers of Excellence (COE) Transplant Providers:

- **Blue Distinction Center Facility:** Blue Distinction facilities have met or exceeded national quality standards for care delivery.
- Centers of Medical Excellence (CME): Centers of Medical Excellence facilities have met or exceeded quality standards for care delivery.
- In-Network Transplant Provider: Providers who have achieved designation as a Centers of Medical Excellence for Transplant and/or Blue Distinction Centers + or Blue Distinction Centers for Transplant.
- Out of Network (PAR) Transplant Provider: Providers participating in the Plan's network but not designated as a Centers of Medical Excellence for Transplant or Blue Distinction Center + or Blue Distinction Center for Transplant.

The requirements described below do not apply to the following:

- Cornea transplants, which are covered as any other surgery; and
- Any Covered Services related to a Covered Transplant Procedure, that you get before or after the
 Transplant Benefit Period. Please note that the initial evaluation, any added tests to determine your
 eligibility as a candidate for a transplant by your Provider, and the collection and storage of bone
 marrow/stem cells is included in the Covered Transplant Procedure benefit regardless of the date of
 service.

Prescription Drug Retail Pharmacy and Home	In-Network	Out-of-Network
Delivery (Mail Order) Benefits		

At least one product in all 18 approved methods of contraception is covered under this policy without cost sharing as required by federal and state law. Otherwise, each Prescription Drug will be subject to a cost share (e.g., Copayment/Coinsurance) as described below. If your Prescription Order includes more than one Prescription Drug, a separate cost share will apply to each covered Drug. You will be required to pay the lesser of your scheduled cost share or the Maximum Allowed Amount.

Note: A Prescription contraceptive provided by an In-Network Pharmacy can be dispensed to a Member in a three month supply for the first dispensing. It can be dispensed for a 12-month supply for subsequent dispensing of the same prescription contraceptive or through the end of the Member's coverage under this Plan. In case of vaginal contraceptive rings, it can be dispensed intended to last for three months.

The per Member per prescription cost share will not exceed \$20 for a Prescription Drug that contains insulin that is used to treat diabetes, when obtained In-Network and for a 30-day supply or less. The per Member cost share for a 30-day supply of a Prescription Drug that contains insulin and is used to treat diabetes, will not exceed a total of \$100 per 30-day supply or \$300 per 90-day supply, when obtained In-Network. Deductible does not apply.

Day Supply Limitations – Prescription Drugs will be subject to various day supply and quantity limits. Certain Prescription Drugs may have a lower day-supply limit than the amount shown below due to other Plan requirements such as prior authorization, quantity limits, and/or age limits and utilization guidelines.

Retail Pharmacy 90 days

Note: A 90-day supply is available at Maintenance Pharmacies. When you get a 90-day supply at a Maintenance Pharmacy, three (3) Retail Pharmacy Copayments (one for each 30-day period) will apply. When you get a 30-day supply, one Copayment per Prescription Order will apply.

Out-of-Network

Home Delivery (Mail Order) Pharmacy 90 days

Specialty Pharmacy 30 days*

*See additional information in the "Specialty Drug Copayments / Coinsurance" section below.

Note: Prescription Drugs that we are required to cover by federal law under the "Preventive Care" benefit will be covered with no Deductible, Copayments or Coinsurance when you use an In-Network Provider.

Retail Pharmacy Copayments / Coinsurance:

Tier 1 Prescription Drugs	\$15 Copayment per Prescription Drug	Not covered
Tier 2 Prescription Drugs	\$50 Copayment per Prescription Drug	Not covered
Tier 3 Prescription Drugs	\$70 Copayment per Prescription Drug	Not covered
Tier 4 Prescription Drugs	30% Coinsurance to a maximum of \$350 per Prescription Drug	Not covered

Home Delivery Pharmacy Copayments / In-Network Out-of-Network Coinsurance:

For a Home Delivery (Mail Order) Prescription Drug, the per Member per prescription cost share will not exceed \$20 for a Prescription Drug that contains insulin that is used to treat diabetes, when obtained In-Network and for a 30-day supply or less. The per Member cost share for a 30-day supply of a Prescription Drug that contains insulin and is used to treat diabetes, will not exceed a total of \$100 per 30-day supply or \$300 per 90-day supply, when obtained In-Network. Deductible does not apply.

Tier 1 Prescription Drugs \$37.50 Copayment per Not covered Prescription Drug

Prescription Drug Retail Pharmacy and Home Delivery (Mail Order) Benefits	In-Network	Out-of-Network
Tier 2 Prescription Drugs	\$150 Copayment per Prescription Drug	Not covered
Tier 3 Prescription Drugs	\$210 Copayment per Prescription Drug	Not covered
Tier 4 Prescription Drugs	30% Coinsurance to a maximum of \$350 per Prescription Drug	Not covered
Infertility Drugs	Infertility Drugs will be covered to the extent required by applicable law.	Not covered

Specialty Drug Copayments / Coinsurance:

Please note that certain Specialty Drugs are only available from the Specialty Pharmacy and you will not be able to get them at a Retail Pharmacy or through the Home Delivery (Mail Order) Pharmacy. Please see "Specialty Pharmacy" in the section "Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy" for further details. Also see the "Drug Cost Share Assistance Programs" section for information about applicable cost share amounts applicable to Specialty Drugs that are eligible for cost share assistance. Please note that we may increase the cost shares listed above in order to take full advantage of cost share assistance that is available from drug manufacturers. This will lower plan costs but will not increase your cost because any additional cost share will be offset by the cost share assistance. When you get Specialty Drugs from the Specialty Pharmacy, you will have to pay the same Copayments/Coinsurance you pay for a 30-day supply at a Retail Pharmacy.

Consolidated Appropriations Act of 2021 Notice

Consolidated Appropriations Act of 2021 (CAA)

The Consolidated Appropriations Act of 2021 (CAA) is a federal law that includes the No Surprises Act as well the Provider transparency requirements that are described below.

Surprise Billing Claims

Surprise Billing Claims are claims that are subject to the No Surprises Act requirements:

- Emergency Services provided by Out-of-Network Providers,
- Covered Services provided by an Out-of-Network Provider at an In-Network Facility, and
- Out-of-Network Air Ambulance Services.

No Surprises Act Requirements

Emergency Services

As required by the CAA, Emergency Services are covered under your Plan:

- Without the need for Precertification
- Whether the Provider is In-Network or Out-of-Network

If the Emergency Services you received are provided by an Out-of-Network Provider, Covered Services will be processed at the In-Network benefit level.

Note that if you receive Emergency Services from an Out-of-Network Provider, your Out-of-Pocket costs will be limited to amounts that would apply if the Covered Services had been furnished by an In-Network Provider. However, if the treating Out-of-Network Provider determines you are stable, meaning you have been provided necessary Emergency Care such that your condition will not materially worsen and the Out-of-Network Provider determines: (i) that you are able to travel to an In-Network Facility by non-emergency transport; (ii) the Out-of-Network Provider complies with the notice and consent requirement; and (iii) you are in condition to receive the information and provide informed consent, you will be responsible for all charges. This notice and consent exception does not apply if the Covered Services furnished by an Out-of-Network Provider result from unforeseen and urgent medical needs arising at the time of service.

Out-of-Network Services Provided an In-Network Facility

When you receive Covered Services from an Out-of-Network Provider at an In-Network Facility, your claims will not be covered if the Out-of-Network Provider gives you proper notice of its charges, and you give written consent to such charges. This means you will be responsible for all Out-of-Network charges for those services. This requirement does not apply to Ancillary Services. Ancillary Services are one of the following services: (a) Emergency Services; (b) anesthesiology; (c) laboratory and pathology services; (d) radiology; (e) neonatology; (f) diagnostic services; (g) assistant surgeons; (h) Hospitalists; (i) Intensivists; and (j) any services set out by the U.S. Department of Health & Human Services. In addition, we will not apply this notice and consent process to you if we do not have an In-Network Provider in your area who can perform the services you require.

Out-of-Network Providers satisfy the notice and consent requirement as follows:

- By obtaining your written consent not later than 72 hours prior to the delivery of services, or
- If the notice and consent is given on the date of the service, if you make an appointment within 72 hours of the services being delivered.

How Cost-Shares are Calculated

Your cost shares for Emergency Services or for Covered Services received by an Out-of-Network Provider at an In-Network Facility, will be calculated using the median Plan In-Network contract rate that

we pay In-Network Providers for the geographic area where the Covered Service is provided. Any Out-of-Pocket cost shares you pay to an Out-of-Network Provider for either Emergency Services or for Covered Services provided by an Out-of-Network Provider at an In-Network Facility will be applied to your In-Network Out-of-Pocket Limit.

Appeals

If you receive Emergency Services from an Out-of-Network Provider, Covered Services from an Out-of-Network Provider at an In-Network Facility, or Out-of-Network Air Ambulance Services and believe those services are covered by the No Surprises Act, you have the right to appeal that claim. If your appeal of a Surprise Billing Claim is denied, then you have a right to appeal the adverse decision to an Independent Review Organization as set out in the "Appeals and Complaints" section of this Benefit Book.

Provider Directories

We are required to confirm the list of In-Network Providers in our Provider Directory every 90 days. If you can show that you received inaccurate information from us that a Provider was In-Network on a particular claim, then you will only be liable for In-Network cost shares (i.e., Copayment, Deductibles, and/or Coinsurance) for that claim. Your In-Network cost-shares will be calculated based upon the Maximum Allowed Amount.

Transparency Requirements

We provide the following information on our website (i.e., www.anthem.com).

 Protections with respect to Surprise Billing Claims by Providers, including information on how to contact state and federal agencies if you believe a Provider has violated the No Surprises Act.

You may also obtain the following information on our website or by calling Member Services at the phone number on the back of your ID Card:

- Cost sharing information for 500 defined services, as required by the Centers for Medicare & Medicaid Services (CMS); and
- A listing / directory of all In-Network Providers.

In addition, we will provide access through our website to the following information:

- In-Network negotiated rates, and
- Historical Out-of-Network rates.

Federal Patient Protection and Affordable Care Act Notices

Choice of Primary Care Physician / Provider

We generally allow the designation of a Primary Care Physician / Provider (PCP). You have the right to designate any PCP who participates in our network and who is available to accept you or your family members. For information on how to select a PCP, and for a list of PCPs, contact the telephone number on the back of your Identification Card or refer to our website, www.anthem.com. For children, you may designate a pediatrician as the PCP.

Access to Obstetrical and Gynecological (ObGyn) Care

You do not need referral from us or from any other person (including a PCP) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining Precertification for certain services or following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the telephone number on the back of your Identification Card or refer to our website, www.anthem.com.

Additional Federal Notices

Statement of Rights under the Newborns' and Mother's Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the Plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Statement of Rights under the Women's Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending Physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed,
- Surgery and reconstruction of the other breast to produce a symmetrical appearance,
- Prostheses, and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same Deductibles and Coinsurance applicable to other medical and surgical benefits provided under this Plan. (See the "Schedule of Benefits (Who Pays What)" for details.) If you would like more information on WHCRA benefits, call us at the number on the back of your Identification Card.

Coverage for a Child Due to a Qualified Medical Support Order ("QMCSO")

If you or your spouse are required, due to a QMCSO, to provide coverage for your child(ren), you may ask the Group to provide you, without charge, a written statement outlining the procedures for getting coverage for such child(ren).

Mental Health Parity and Addiction Equity Act

The Mental Health Parity and Addiction Equity Act provides for parity in the application of aggregate treatment limitations (day or visit limits) on mental health and substance abuse benefits with day or visit limits on medical and surgical benefits. In general, group health plans offering mental health and substance abuse benefits cannot set day/visit limits on mental health or substance abuse benefits that are lower than any such day or visit limits for medical and surgical benefits. A plan that does not impose day or visit limits on medical and surgical benefits may not impose such day or visit limits on mental health and substance abuse benefits offered under the Plan. Also, the Plan may not impose Deductibles, Copayment, Coinsurance, and out of pocket expenses on mental health and substance abuse benefits that are more restrictive than Deductibles, Copayment, Coinsurance and out of pocket expenses applicable to other medical and surgical benefits. Medical Necessity criteria are available upon request.

Special Enrollment Notice

If you are declining enrollment for yourself or your Dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your Dependents in this Plan if you or your Dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your Dependents' other coverage). However, you must request enrollment within 31 days

after your or your Dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new Dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your Dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Eligible Subscribers and Dependents may also enroll under two additional circumstances:

- The Subscriber's or Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- The Subscriber or Dependent becomes eligible for a subsidy (state premium assistance program).

The Subscriber or Dependent must request Special Enrollment within 60 days of the loss of Medicaid/CHIP or of the eligibility determination.

To request special enrollment or obtain more information, call us at the Member Services telephone number on your Identification Card, or contact the Group.

Statement of ERISA Rights

Please note: This section applies to employer sponsored plans **other than** Church employer groups and government groups. If you have questions about whether this Plan is governed by ERISA, please contact the Plan Administrator (the Group).

The Employee Retirement Income Security Act of 1974 (ERISA) entitles you, as a Member of the Group under this Contract, to:

- Examine, without charge, at the Plan Administrator's office and at other specified locations such as
 worksites and union halls, all plan documents, including insurance contracts, collective bargaining
 agreements and copies of all documents filed by this plan with the U.S. Department of Labor, such as
 detailed annual reports and plan descriptions;
- Obtain copies of all plan documents and other plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for these copies; and
- Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary financial report.

In addition to creating rights for you and other employees, ERISA imposes duties on the people responsible for the operation of your employee benefit plan. The people who operate your plan are called plan fiduciaries. They must handle your plan prudently and in the best interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your right under ERISA. If your claim for welfare benefits is denied, in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have your claims reviewed and reconsidered.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan Administrator and do not receive them within 30 days, you may file suit in a federal court. In such case, the court may require the Plan Administrator to provide you the materials and pay you up to \$110 a day until you receive the materials, unless the materials are not sent because of reasons beyond the control of the Plan Administrator. If your claim for benefits is denied or ignored, in whole or in part, you may file suit in a state or federal court. If plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or may file suit in a federal court. The court will decide who should pay court costs and legal fees. It may order you to pay these expenses, for example, if it finds your claim is frivolous. If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone

directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210.

Notices Required by State Law

Cancer Screenings

At Anthem Blue Cross and Blue Shield and our subsidiary company, HMO Colorado, Inc., we believe cancer screenings provide important preventive care that supports our mission: to improve the lives of the people we serve and the health of our communities. We cover cancer screenings as described below.

Pap Tests

All Plans provide coverage under the preventive care benefits for a routine annual Pap test and the related office visit. Payment for the routine Pap test is based on the Plan's provisions for preventive care service. Payment for the related office visit is based on the Plan's preventive care provisions.

Mammogram Screenings

All Plans provide coverage under the preventive care benefits for routine screening or diagnostic mammogram regardless of age, to the extent required by applicable law. Payment for the mammogram screening benefit is based on the Plan's provisions for preventive care.

Prostate Cancer Screenings

All Plans provide coverage under the preventive care benefits for routine prostate cancer screening for men. Payment for the prostate cancer screening is based on the Plan's provisions for preventive care.

Colorectal Cancer Screenings

Several types of colorectal cancer screening methods exist. All Plans provide coverage for routine colorectal cancer screenings, such as fecal occult blood tests, barium enema, sigmoidoscopies and colonoscopies. Depending on the type of colorectal cancer screening received, payment for the benefit is based on where the services are rendered and if rendered as a screening or medical procedure. Colorectal cancer screenings are covered under preventive care as long as the services provided are for a preventive screening. Payment for preventive colorectal cancer screenings based on the Plan's provisions for preventive care.

Section 3. Contact Us

Welcome to HMO Colorado!

We are pleased that you have become a Member of our health insurance Plan. We want to make sure that our services are easy to use. We've designed this Booklet to give a clear description of your benefits, as well as our rules and procedures.

The Booklet explains many of the rights and duties between you and us. It also describes how to get health care, what services are covered, and what part of the costs you will need to pay. Many parts of this Booklet are related. Therefore, reading just one or two sections may not give you a full understanding of your coverage. You should read the whole Booklet to know the terms of your coverage.

Your Group has agreed to be subject to the terms and conditions of Anthem Provider agreements which may include pre-service review and utilization management requirements, coordination of benefits, timely filing limits, and other requirements to administer the benefits under this Plan.

This Booklet replaces any Booklet issued to you in the past. The coverage described is based upon the terms of the Group Contract issued to your Group, and the Plan that your Group chose for you. This Booklet, and any endorsements, amendments or riders attached, form the entire legal contract under which Covered Services are available. In addition the Group has a Group Contract and Group Application which includes terms that apply to this coverage.

Many words used in the Booklet have special meanings (e.g., Group, Covered Services, and Medical Necessity). These words are capitalized and are defined in the "Definitions" section. See these definitions for the best understanding of what is being stated. Throughout this Booklet you will also see references to "we," "us," "our," "you," and "your." The words "we," "us," and "our" mean HMO Colorado. The words "you" and "your" mean the Member, Subscriber and each covered Dependent.

If you have any questions about your Plan, please be sure to call Member Services at the number on the back of your Identification Card. You can also contact us at:

800-234-0111 Anthem Blue Cross and Blue Shield 700 Broadway Denver, CO 80273

Also be sure to check our website, <u>www.anthem.com</u> for details on how to find a Provider, get answers to questions, and access valuable health and wellness tips. Thank you again for enrolling in the Plan!

How to Get Language Assistance

HMO Colorado is committed to communicating with our Members about their health Plan, no matter what their language is. HMO Colorado employs a language line interpretation service for use by all of our Member Services call centers. Simply call the Member Services phone number on the back of your Identification Card and a representative will be able to help you. Translation of written materials about your benefits can also be asked for by contacting Member Services. TTY/TDD services also are available by dialing 711. A special operator will get in touch with us to help with your needs.

Identity Protection Services

Identity protection services are available with our HMO Colorado health plans. To learn more about these services, please visit https://anthemcares.allclearid.com.

Member Rights and Responsibilities

As a Member you have rights and responsibilities when receiving health care. As your health care partner, we want to make sure your rights are respected while providing your health benefits. That means giving you access to our network of Doctors and healthcare professionals, who help you make the best decisions for your health.

You have the right to:

- Speak freely and privately with your Doctors and other healthcare professionals about health care
 options and treatment needed for your condition, no matter what the cost or whether it is covered
 under your Plan.
- Work with your Doctors and other healthcare professionals to make choices about your health care.
- Be treated with respect and dignity.
- Expect us to keep your personal health information private by following our privacy policies, and state and federal laws.
- Receive information you need to fully engage with your health Plan, and share your feedback. This
 includes:
 - Our company and services.
 - Our network of Doctors and other health care professionals.
 - Your rights and responsibilities.
 - The way your health Plan works.
- Make a complaint or file an appeal about:
 - Your health Plan and any care you receive.
 - Any Covered Service or benefit decision that your health Plan makes.
- Say no to care, for any condition, sickness or disease, without having an effect on any care you may
 receive in the future. This includes asking your Doctors and other healthcare professionals to tell you
 how that may affect your health now and in the future.
- Get the most up-to-date information from a Doctor about the cause of your illness, your treatment and what may result from it. You can ask for help if you do not understand this information.

You have the responsibility to:

- Read all information about your benefits under the Plan and ask for help if you have questions.
- Follow all Plan rules and policies.
- Choose an In-Network Primary Care Physician / Provider, also called a PCP, if your Plan requires it.
- Treat all healthcare professionals and staff with respect.
- Keep all scheduled appointments. Call your health care Provider's office if you may be late or need to cancel.
- Understand your health challenges as well as you can and work with your Doctors and other healthcare professionals to create an agreed upon treatment plan.
- Inform your Doctors and other health care professionals if you don't understand the type of care you're getting or what they want you to do as part of your care plan.
- Follow the treatment plan that you have agreed upon with your Doctors and other healthcare professionals.

- Share the information needed with us, your Doctors, and other healthcare professionals to help you get the best possible care. This may include information about other health insurance benefits you have in addition to your coverage with us.
- Inform Member Services if you have any changes to your name, address or family members covered under your Plan.

If you would like more information, have comments, or would like to contact us, please go to anthem.com and select Customer Support > Contact Us or call the Member Services number on your ID Card.

We are here to provide high-quality benefits and services to our Members. Benefits and coverage for services given under the Plan are governed by the Booklet and not by this Member Rights and Responsibilities statement.

We value your feedback regarding the benefits and service provided under our policies and your overall thoughts and concerns regarding our operations. If you have any concerns regarding how your benefits were applied or any concerns about services you requested which were not covered under this Booklet, you are free to file a complaint or appeal as explained in this Booklet. If you have any concerns regarding a participating Provider or facility, you can file a grievance as explained in this Booklet. And if you have any concerns or suggestions on how we can improve our overall operations and service, we encourage you to contact Member Services.

Section 5. Eligibility

In this section you will find information on who is eligible for coverage under this Plan and when Members can be added to your coverage. Eligibility requirements are described in general terms below. For more specific information, please see your Human Resources or Benefits Department.

Who is Eligible for Coverage

The Subscriber

To be eligible to enroll as a Subscriber, the individual must:

- Be an employee of the Group, and
- Be entitled to participate in the benefit Plan arranged by the Group, and
- Have satisfied any probationary or waiting period established by the Group and perform the duties of your principal occupation for the Group; and
- Reside or work in the Service Area.

Dependents

To be eligible to enroll as a Dependent, you must be listed on the enrollment form completed by the Subscriber, meet all Dependent eligibility criteria established by the Group, and be one of the following:

- The Subscribers spouse, including the partner to a civil union as recognized by Colorado law. For information on spousal eligibility please contact the Group.
- Common-law spouse. A Common-Law Marriage Affidavit is needed to enroll a common-law spouse.
 All references to spouse in this Booklet include a common-law spouse.
 - A common law spouse is an eligible Dependent who has a valid common-law marriage in Colorado. This is the same as any other marriage and can only end by death or divorce.
- Designated beneficiary. Your Group may have decided to offer benefits under this plan to designated beneficiaries. Check with your Group to learn more. If they are recognized by the Group, all references to spouse in this Booklet include a designated beneficiary. A Recorded Designated Beneficiary Agreement will need to be provided. A designated beneficiary is not eligible for COBRA under this Booklet.
 - A designated beneficiary is an agreement entered into by two people for the purpose of making each a beneficiary of the other and which has been recorded with the county clerk and recorder in the county in which one of the person lives. The agreement is based on the Colorado Designated Beneficiary Act.
- The Subscriber's Domestic Partner, if Domestic Partner coverage is allowed under the Group's Plan. Please contact the Group to determine if Domestic Partners are eligible under this Plan. Domestic Partner, or Domestic Partnership means a person of the same sex who is the Subscriber's sole Domestic Partner and has been for 12 months or more; he or she is mentally competent; he or she is not related to the Subscriber by blood closer than permitted by state law for marriage; he or she is not married to anyone else; and he or she is financially interdependent with the Subscriber.
 - For purposes of this Plan, a Domestic Partner shall be treated the same as a spouse, and a Domestic Partner's child, adopted child, or child for whom a Domestic Partner has legal guardianship shall be treated the same as any other child.

A Domestic Partner's or a Domestic Partner's child's coverage ends on the date of dissolution of the Domestic Partnership. While this Booklet will recognize and provide benefits for a Member who is a spouse or child in connection with a Domestic Partner or recognized civil union relationship, not every federal or state law that applies to a Member who is a spouse or child under this Plan will also apply

to a Domestic Partner or a partner under a civil union. This includes but is not limited to, COBRA and FMLA.

- The Subscriber's or the Subscriber's spouse's children, including natural children, stepchildren, newborn and legally adopted children and children who the Group has determined are covered under a Qualified Medical Child Support Order as defined by ERISA or any applicable state law.
- Children, including grandchildren, for whom the Subscriber or the Subscriber's spouse is a permanent legal guardian or as otherwise required by law.

All enrolled eligible children will continue to be covered until the age limit listed in the "Schedule of Benefits (Who Pays What)". Coverage may be continued past the age limit in the following circumstances:

Eligibility will be continued past the age limit only for those Dependents who are unmarried and
medically certified as mentally or physical impaired and are dependent upon the parent Subscriber.
We may ask for a physician to certify the Dependent's eligibility. We must be informed of the
Dependent's eligibility for continuation of coverage within 30 days after the date Dependent would
normally become ineligible. You must notify us if the Dependent's tax exemption status changes and
if he or she is no longer eligible for continued coverage.

We may require you to give proof of continued eligibility for any enrolled child. Your failure to give this information could result in termination of a child's coverage.

To obtain coverage for children, we may require you to give us a copy of any legal documents awarding permanent guardianship of such child(ren) to you.

Your group may have limited or excluded the eligibility of certain Dependent types and so not all Dependents listed in this Plan may be entitled to enroll. For more specific information, please see your Human Resources or Benefits Department.

Types of Coverage

Your Group offers some or all of the enrollment options listed below. After reviewing the available options, you may choose the option that best meets your needs. The options may include:

- Subscriber only (also referred to as single coverage)
- Subscriber and spouse; or Domestic Partner
- Subscriber and one child
- Subscriber and children
- Subscriber and family

When You Can Enroll

Initial Enrollment

The Group will offer an initial enrollment period to new Subscribers and their Dependents when the Subscriber is first eligible for coverage. Coverage will be effective based on the waiting period chosen by the Group and will not exceed 90 days. The Group will inform you of the length of the waiting period. No services before that effective date will be covered. We must receive an application / change form within 31 days after the date or hire or within 31 days of the expiration of the waiting period, as defined in the employer's new hire policy.

If you did not enroll yourself and/or your Dependents during the initial enrollment period you will only be able to enroll during an Open Enrollment period or during a Special Enrollment period, as described below.

Open Enrollment

Open Enrollment refers to a period of time, usually 60 days, during which eligible Subscribers and Dependents can apply for or change coverage. Open Enrollment occurs only once per year. The Group will notify you when Open Enrollment is available.

Special Enrollment Periods

If a Subscriber or Dependent does not apply for coverage when they were first eligible, they may be able to join the Plan prior to Open Enrollment if they qualify for Special Enrollment. Except as noted otherwise below, the Subscriber or Dependent must request Special Enrollment within 31 days of a qualifying event.

If an individual is notified or becomes aware of a qualifying event that will occur in the future, he or she may apply for coverage during the thirty (30) calendar days prior to the effective date of the qualifying event, with coverage beginning no earlier than the day the qualifying event occurs to avoid a gap in coverage. The individual must be able to provide written documentation to support the effective date of the triggering event at the time of application.

Special Enrollment is available for eligible individuals who:

- Lost eligibility under a prior health plan for reasons other than non-payment of premium or due to fraud or intentional misrepresentation of a material fact.
- Lost coverage due to death of a covered employee; the termination or reduction in number of hours of
 the covered employee's employment, regardless of eligibility for COBRA or state continuation
 coverage; involuntary termination of coverage; lost eligibility under the Colorado Medical Assistance
 Act or the Children's Basic Health Plan; or the covered employee becoming eligible for benefits under
 Title XVIII of the Federal Social Security Act, as amended.
- Lost coverage under a health benefit plan due to the divorce or legal separation of the covered employee from the covered employee's spouse or partner in civil union, or due to the termination of a recognized domestic partnership.
- Is now eligible for coverage due to marriage (including a civil union where recognized in the state
 where the Subscriber resides), birth, adoption, placement for adoption, placement in foster care, by
 entering into a Designated Beneficiary Agreement, or pursuant to a QMCSO or other court or
 administrative order mandating that the individual be covered.
- Exhausted COBRA or state continuation benefits or stopped receiving group contributions toward the cost of the prior health plan.
- Has a reduction or elimination of employer contributions towards the cost of the prior health coverage.
- A parent or legal guardian disenrolls a Dependent, or a Dependent becomes ineligible for Children's Basic Health Plan.
- Are now eligible for coverage due to marriage, birth, adoption, or placement for adoption.

Important Notes about Special Enrollment:

- Members who enroll during Special Enrollment are not considered Late Enrollees.
- Individuals must request coverage within 31 days of a qualifying event (i.e., marriage, exhaustion of COBRA, etc.).
- For loss of coverage under the Colorado Medical Assistance Act, coverage must be requested within 60 days of the loss of coverage. For loss of coverage under the Children's Basic Health plan coverage must be requested within 90 days of loss of coverage.
- Evidence of prior Creditable Coverage is required and must be furnished by you or your prior carrier.

If the Subscriber does not enroll themselves and/or their Dependents when first eligible or during a Special Enrollment period, they will not be eligible to enroll until the next Open Enrollment Period.

Medicaid and Children's Health Insurance Program Special Enrollment

Eligible Subscribers and Dependents may also enroll under two additional circumstances:

- The Subscriber's or Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- The Subscriber or Dependent becomes eligible for a subsidy (state premium assistance program).

The Subscriber or Dependent must request Special Enrollment within 60 days of the above events.

Late Enrollees

If the Subscriber does not enroll themselves and/or their Dependents when first eligible or during a Special Enrollment period, they will not be eligible to enroll until the next Open Enrollment Period.

Members Covered Under the Group's Prior Plan

Members who were previously enrolled under another plan offered by the Group that is being replaced by this Plan are eligible for coverage on the Effective Date of this coverage.

Enrolling Dependent Children

Newborn Children

Newborn children are covered automatically from the moment of birth. Following the birth of a child, you should submit an application / change form to the Group within 31 days to add the newborn to your Plan. During the first 31 days after birth, a newborn child will be covered for Medically Necessary care. This includes well childcare and treatment of medically diagnosed congenital defects and birth abnormalities. This is regardless of the limitations and exclusions applicable to other conditions or procedures of this Booklet.

Even if no additional Premium is required, you should still submit an application / change form to the Group to add the newborn to your Plan, to make sure we have accurate records and are able to cover your claims.

Adopted Children

A child will be considered adopted from the earlier of: (1) the moment of placement in your home; or (2) the date of an entry of an order granting custody of the child to you. The placement begins when you assume or retain a legal obligation to partially or totally support a child in anticipation of the child's adoption. A placement terminates at the time such legal obligation terminates. The child will continue to be considered adopted unless the child is removed from your home prior to issuance of a legal decree of adoption.

Your Dependent's Effective Date will be the date of the adoption or placement for adoption if you send us the completed application / change form within 31 days of the event.

Adding a Child due to Award of Legal Custody or Guardianship

If you or your spouse is awarded permanent legal custody or permanent guardianship for a child, an application must be submitted within 31 days of the date legal custody or guardianship is awarded by the court. Coverage will be effective on the date the court granted legal custody or guardianship.

Any foster child who is eligible for benefits provided by any governmental program or law will not be eligible for coverage under this Booklet unless required by the laws of this state.

Qualified Medical Child Support Order

If you are required by a qualified medical child support order or court order, as defined by ERISA and/or applicable state or federal law, to enroll your child in this Plan, we will permit the child to enroll at any time without regard to any Open Enrollment limits and will provide the benefits of this Plan according to the

applicable requirements of such order. However, a child's coverage will not extend beyond any Dependent Age Limit listed in the "Schedule of Benefits (Who Pays What)".

Updating Coverage and/or Removing Dependents

You are required to notify the Group of any changes that affect your eligibility or the eligibility of your Dependents for this Plan. When any of the following occurs, contact the Group and complete the appropriate forms:

- Changes in address.
- Marriage or divorce or entering into or terminating a recognized civil union or domestic partnership.
- Death of an enrolled family member (a different type of coverage may be necessary).
- Enrollment in another health plan or in Medicare.
- Eligibility for Medicare.
- Dependent child reaching the Dependent Age Limit (see "Termination/Nonrenewal/Continuation").
- Enrolled Dependent child either becomes totally or permanently disabled or is no longer disabled.

Failure to notify us of individuals no longer eligible for services will not obligate us to cover such services, even if Premium is received for those individuals. All notifications must be in writing and on approved forms.

Nondiscrimination

No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender, or age.

Statements and Forms

All Members must complete and submit applications or other forms or statements that we may reasonably request.

Any rights to benefits under this Plan are subject to the condition that all such information is true, correct, and complete. Any intentional material misrepresentation by you may result in termination of coverage as provided in the "Termination/Nonrenewal/Continuation" section. We will not use a statement made by you to void or reduce your coverage after that coverage has been in effect for two years, unless such statement is contained in a written instrument signed by you making such statement and a copy of that instrument is or has been given to you or your beneficiary.

Section 6. How to Access Your Services and Obtain Approval of Benefits (Applicable to managed care plans)

Introduction

Your Plan is an HMO plan. To get benefits for Covered Services, you must use In-Network Providers, unless we have approved an Authorized Service or if your care involves Emergency Care.

To find an In-Network Provider for this Plan, please see "How to Find a Provider in the Network," later in this section

In-Network Services

When you get care from an In-Network Provider or as part of an Authorized Service, benefits are available for Covered Services.

If you receive Covered Services from an Out-of-Network Provider after we failed to provide you with accurate information in our Provider Directory, or after we failed to respond to your telephone or webbased inquiry within the time required by federal law, Covered Services will be covered at the In-Network level.

Regardless of Medical Necessity, benefits will be denied for care that is not a Covered Service. We have final authority to decide the Medical Necessity of the service.

If we do not have an In-Network Provider for a Covered Service, we will arrange for an authorization to a Provider with the necessary expertise. We will also make sure that you receive the Covered Service at no greater cost than what you would have paid for such Covered Service if it had been received from an In-Network Provider. For example, some Hospital-based labs are not part of our Reference Lab Network. Please read the "Member Payment Responsibility" section for additional information on Authorized Services.

Primary Care Physicians / Providers (PCP)

PCPs include general practitioners, internists, family practitioners, pediatricians, or other qualified Primary Care Providers, as required by law. Each Member should choose a PCP who is listed in the Provider directory. Each Member of a family may select a different Primary Care Physician. For example, an internist or general practitioner may be chosen for adults and a pediatrician may be selected for children. If you want to change your PCP, call us or see our website, www.anthem.com.

The Primary Care Physician is the Doctor who normally gives, directs, and manages your health care.

If, when you first enroll (sign up) for coverage under this Plan, you are under the care of an Out-of-Network Provider, you should tell us right away. To keep getting care under this Plan from any Out-of-Network Provider, we must approve an Authorized Service with that Provider or the services will be denied.

Selecting a Primary Care Physician

Your Plan requires you to select a Primary Care Physician from our network, or we will assign one. We will notify you of the PCP that we have assigned. You may then use that PCP or choose another PCP from our Provider Directory. Family members are not required to choose the same PCP; they may select a PCP individually. Please see "How to Find a Provider in the Network" for more details.

The First Thing To Do - Make an Appointment With Your PCP

Your PCP's job is to help you stay healthy, not just treat you when you are sick. After you pick a PCP set up an office visit. During this visit, get to know your PCP and help your PCP get to know you. You should talk to your PCP about:

Your personal health history.

- Your family health history.
- · Your lifestyle.
- Any health concerns you have.

If you do not get to know your PCP, they may not be able to properly manage your care. To see a Doctor, call their office:

- Tell them you are an Anthem Member,
- Have your Member Identification Card handy. The Doctor's office may ask you for your group or Member ID number.
- Tell them the reason for your visit.

When you go to the office, be sure to bring your Member Identification Card with you.

If you need to see a Specialist, you can visit any In-Network Specialist including a behavioral health Provider. You do not have to get a Referral.

If you have any questions about Covered Services, call us at the telephone number listed on the back of your Identification Card.

Changing PCPs

You may select a new PCP at any time (but no more than once per month) by requesting the change on an Enrollment Application/Change Form. You can also do this by visiting our website or by calling Member Services. However, you should call the PCP to confirm that the Provider is accepting new patients. A new Identification Card will be sent to you confirming the PCP change.

The Effective Date of all PCP changes will be the first day of the month following the request. To have medical records sent from one PCP to another, you must contact your prior PCP. You are responsible for any fees related to transferring medical records.

If you change primary residence or place of employment to a location that is not convenient to your current PCP's office, you may choose a new PCP nearer to your new residence or place of employment. That new PCP needs to be within our Service Area. You must notify us within 31 days after a change in residence or place of employment by submitting an Enrollment Application/Change Form.

After Hours Care

If you need care after normal business hours, your Doctor may have several options for you. You should call your Doctor's office for instructions if you need care in the evenings, on weekends, or during the holidays and cannot wait until the office reopens. If you have an Emergency, call 911 or go to the nearest Emergency Room.

Surprise Billing Claims

Surprise Billing Claims are described in the "Consolidated Appropriations Act of 2021 Notice" at the beginning of this Booklet. Please refer to that section for further details.

Connect with Us Using Our Mobile App

As soon as you enroll in this Plan, you should download our mobile app. You can find details on how to do this on our website, <u>www.anthem.com</u>.

Our goal is to make it easy for you to find answers to your questions. You can chat with us live in the app, or contact us on our website, www.anthem.com.

How to Find a Provider in the Network

There are several ways you can find out if a Provider or Facility is in the network for this Plan. You can also find out where they are located and details about their license or training.

- See your Plan's directory of In-Network Providers at www.anthem.com, which lists the Doctors, Providers, and Facilities that participate in this Plan's network.
- Search for a Provider in our mobile app.
- Contact Member Services to ask for a list of Doctors and Providers that participate in this Plan's network, based on specialty and geographic area.
- Check with your Doctor or Provider.

Please note that not all In-Network Providers offer all services. For example, some Hospital-based labs are not part of our Reference Lab Network. In those cases you will have to go to a lab in our Reference Lab Network to get In-Network benefits. Please call Member Services before you get services for more information.

If you need details about a Provider's license or training, or help choosing a Doctor who is right for you, call the Member Services number on the back of your Member Identification Card. TTY/TDD services also are available by dialing 711. A special operator will get in touch with us to help with your needs.

Please note that we have several networks, and that a Provider that is In-Network for one plan may not be In-Network for another. Be sure to check your Identification Card or call Member Services to find out which network this Plan uses.

Continuity of Care

If your In-Network Provider leaves our network for any reason other than termination for cause, or if coverage under this Plan ends because your Group's Contract ends, or because your Group changes plans, and you are in active treatment, you may be able to continue seeing that Provider for a limited period of time and still get In-Network benefits. "Active treatment" includes:

- 1) An ongoing course of treatment for a life-threatening condition,
- 2) An ongoing course of treatment for a serious acute condition, (examples include chemotherapy, radiation therapy and post-operative visits),
- 3) An ongoing course of treatment for pregnancy and through the postpartum period; or
- 4) An ongoing course of treatment for a health condition for which the Physician or health care Provider attests that discontinuing care by the current Physician or Provider would worsen your condition or interfere with anticipated outcomes.

An "ongoing course of treatment" includes treatments for mental health and substance use disorders.

In these cases, you may be able to continue seeing that Provider for up to 90 days. If treatment is not complete at the end of 90 days, you may, depending on the condition be entitled to a longer period as allowed by law. If you wish to continue seeing the same Provider, you or your Doctor should contact Member Services for details. Any decision by us regarding a request for Continuity of Care is subject to the appeals process.

Benefit Maximum

Some Covered Services have a maximum number of days, visits or dollar amounts that we will allow during a Benefit Period. When the Deductible (if applicable) is applied to a Covered Service which has a maximum number of days or visits, the Benefit Maximum may be reduced by the amount applied to the Deductible, whether or not the Covered Service is paid by us. Even after you satisfy the Out-of-Pocket Annual Maximum, our reimbursement remains limited by the Benefit Maximums of this plan. See the "Schedule of Benefits" for those services which have a Benefit Maximum.

If you leave this Plan, and go on to a new Plan with us in the same Benefit Period, Covered Services that have a Benefit Maximum will be carried over to the new Plan. For example, if a benefit has a limit of one visit per Benefit Period and you received that benefit under the prior coverage, then you are not eligible

under the new Plan for the same benefit until the Benefit Period ends, as benefits have been exhausted for your Benefit Period.

Crediting Prior Plan Coverage

If you were covered by the Group's prior carrier / plan immediately before the Group's coverage became effective with us, then you may be eligible for credit for any accrued Deductible and, if applicable and approved by us, Out of Pocket amounts under that other plan. This does not apply to claims incurred prior to the current Benefit Period, or to people who were not covered by the prior carrier or plan on the day before the Group's coverage with us began, or to people who join the Group later. Credit is not given at other times and is only given as part of the original enrollment of the Group.

You must apply for the credit within 180 days of the Groups effective date with us. If the information from the prior carrier gives clear detail that services were applied to the In-Network Deductible, credit will be towards your In-Network Deductible with us. If documentation is not available or is unclear credit may not be given. For more specific information, please see your Human Resources or Benefits Department.

If you or your Group moves from one of our plans to another, (for example, changes its coverage from HMO to PPO), that has Deductible and Out-of-Pocket requirements, and you were covered by the other product immediately before enrolling in this product with no break in coverage, then you may get credit for any accrued Deductible and Out of Pocket amounts for the current Benefit Period, if applicable and approved by us. Any maximums, when applicable, will be carried over and charged against the maximums under this Plan.

If your Group offers more than one of our products, and you change from one product to another with no break in coverage, you will get credit for any accrued Deductible and, if applicable, Out of Pocket amounts and any maximums will be carried over and charged against maximums under this Plan. Credit is based on the particular plan design and may not be applied in all situations.

This Section Does Not Apply To You If:

- Your Group moves to this Plan at the beginning of a Benefit Period,
- You change from one of our individual policies to a group plan,
- You change employers, or
- You are a new Member of the Group who joins the Group after the Group's initial enrollment with us.

The BlueCard Program

Like all Blue Cross & Blue Shield plans throughout the country, we participate in a program called "BlueCard", which provides services to you when you are outside our Service Area. For more details on this program, please see "Inter-Plan Arrangements" in the "Claims Procedure (How to File a Claims)" section.

Identification Card

We will give an Identification Card to each Member enrolled in the Plan. When you get care, you must show your Identification Card. Only a Member who has paid the Premiums for this Plan has the right to services or benefits under this Booklet. If anyone gets services or benefits to which they are not entitled to under the terms of this Booklet, he/she must pay for the actual cost of the services.

Getting Approval for Benefits

Your Plan includes the process of Utilization Review to decide when services are Medically Necessary or Experimental/Investigational as those terms are defined in this Booklet. Utilization Review aids the delivery of cost-effective health care by reviewing the use of treatments and, when proper, level of care and/or the setting or place of service that they are performed.

Reviewing Where Services Are Provided

A service must be Medically Necessary to be a Covered Service. When level of care, setting or place of service is reviewed, services that can be safely given to you in a lower level of care or lower cost setting / place of care, will not be Medically Necessary if they are given in a higher level of care, or higher cost setting / place of care. This means that a request for a service may be denied because it is not Medically Necessary for the service to be provided where it is being requested. When this happens the service can be requested again in another place and will be reviewed again for Medical Necessity. At times a different Provider or Facility may need to be used in order for the service to be considered Medically Necessary. Examples include, but are not limited to:

- A service may be denied on an inpatient basis at a Hospital but may be approvable if provided on an outpatient basis at a Hospital.
- A service may be denied on an outpatient basis at a Hospital but may be approvable at a free standing imaging center, infusion center, Ambulatory Surgery Center, or in a Physician's office.
- A service may be denied at a Skilled Nursing Facility but may be approvable in a home setting.

Utilization Review criteria will be based on many sources including medical policy and clinical guidelines. HMO Colorado may decide that a treatment that was asked for is not Medically Necessary if clinically equivalent treatment that is more cost effective is available and appropriate. "Clinically equivalent" means treatments that for most Members, will give you similar results for a disease or condition.

If you have any questions about the Utilization process, the medical policies, or clinical guidelines, you may call the Member Services phone number on the back of your Identification Card.

If we issue a Precertification approval, the approval is valid for 180 days after the date of approval and continues for the duration of the approved number or dates of treatment. However, coverage for or payment of the service or treatment reviewed is not guaranteed even if we decide your services are Medically Necessary. For benefits to be covered, we may consider on the date you get service:

- 1. You must be eligible for benefits,
- 2. Premium must be paid for the time period that services are given,
- 3. The service or supply must be the same as was precertified,
- 4. The service or supply must be for the same condition and setting that was precertified, and
- 5. You must not have exceeded any applicable limits under your Plan.

Types of Reviews

- **Pre-service Review –** A review of a service, treatment, or admission for a benefit coverage determination, which is done before the service or treatment begins or admission date.
- Precertification A required Pre-service Review for a benefit coverage determination for a service
 or treatment. Certain services require Precertification in order for you to get benefits. The benefit
 coverage review will include a review to decide whether the service meets the definition of Medical
 Necessity or is Experimental / Investigational as those terms are defined in this Booklet.
 - For emergency services, Precertification is not required. For admissions following Emergency Care, you, your authorized representative or Doctor must tell us within 72 hours of the admission or as soon as possible within a reasonable period of time. For childbirth admissions, Precertification is not needed unless the admission lasts beyond the first 48 hours for a vaginal delivery or 96 hours for a cesarean delivery, or if the baby is not sent home at the same time as the mother.
- Continued Stay / Concurrent Review A Utilization Review of a service, treatment or admission for a benefit coverage determination which must be done during an ongoing stay in a facility or course of treatment.

Both Pre-Service and Continued Stay / Concurrent Reviews may be considered on an urgent or expedited timeframe when, in the view of the treating Provider or any Doctor with knowledge of your medical condition, without such care or treatment, your life or health or your ability to regain maximum function could be seriously threatened or you could be subjected to severe pain that cannot be adequately managed without such care or treatment, or if you have a physical or mental disability, would create an imminent and substantial limitation on your existing ability to live independently. Urgent reviews are conducted under a shorter timeframe than standard reviews.

Post-service Review – A review of a service, treatment or admission for a benefit coverage that is
conducted after the service has been provided. Post-service reviews are performed when a service,
treatment or admission did not need a Precertification, or when a needed Precertification was not
timely obtained. Post-service reviews are done for a service, treatment or admission in which we
have a related clinical coverage guideline and are typically initiated by us.

Who is Responsible for Precertification?

Typically, In-Network Providers know which services need Precertification and will get any Precertification when needed. Your Primary Care Physician / Provider and other In-Network Providers have been given detailed information about these procedures and in Colorado are responsible for meeting these requirements. Generally, the ordering Provider, Facility or attending Doctor ("requesting Provider") will get in touch with us to ask for a Precertification. However, you may request a Precertification, or you may choose an authorized representative to act on your behalf for a specific request. The authorized representative can be anyone who is 18 years of age or older. The table below outlines who is responsible for Precertification and under what circumstances. To get more information on what services need Precertification, you or your representative may call Member Services or may review the Precertification requirements at www.anthem.com.

Provider Network Status	Responsibility to Get Precertification	Comments
In Network	Provider	The Colorado Provider must get Precertification when required
Out of Network/ Non-Participating Member	Member	You have no benefit coverage for an Out-of- Network Provider unless:
		You get approval to use an Out-of-Network Provider before the service is given, or
		You require an Emergency or Urgent Care admission (See note below.)
		If these are true, then
		You must get Precertification when required. (Call Member Services.) For an Emergency or Urgent Care admission, Precertification is not required. However, you, your authorized representative, or Doctor must tell us within 72 hours of the admission or as soon as possible within a reasonable period of time.
		You may be financially responsible for charges/costs related to the service and/or setting in whole or in part if the service and/or setting is found to not be Medically

	Necessary, not Emergency or Urgent Care, or any charges in excess of the Maximum Allowed Amount.
(Except for Inpatient Admissions)	You have no benefit coverage for a BlueCard Provider unless: You get approval to use a BlueCard Provider before the service is given, or You require an Emergency Care admission (See note below.) f these are true, then You must get Precertification when required. (Call Member Services.) For an Emergency Care admission, Precertification is not required. However, you, your authorized representative, or Doctor must tell us within 72 hours of the admission or as soon as possible within a reasonable period of time. You may be financially responsible for charges/costs related to the service and/or setting in whole or in part if the service and/or setting is found to not be Medically Necessary, not an Emergency, or any charges in excess of the Maximum Allowed Amount. BlueCard Providers must obtain Precertification for all Inpatient Admissions.

NOTE: For an Emergency or Urgent Care admission, Precertification is not required. However, you, your authorized representative or Doctor must tell us within 72 hours of the admission or as soon as possible within a reasonable period of time.

How Decisions are Made

We use our clinical coverage guidelines, such as medical policy, clinical guidelines, and other applicable policies and procedures to help make our Medical Necessity decisions. This includes decisions about Prescription Drugs as detailed in the section "Prescription Drugs Administered by a Medical Provider". Medical policies and clinical guidelines reflect the standards of practice and medical interventions identified as proper medical practice. We reserve the right to review and update these clinical coverage guidelines from time to time.

You are entitled to ask for and get, free of charge, reasonable access to any records concerning your request. To ask for this information, call the Precertification phone number on the back of your Identification Card.

If you are not satisfied with our decision under this section of your benefits, please refer to the "Appeals and Complaints" section to see what rights may be available to you.

Decision and Notice Requirements

We will review requests for benefits according to the timeframes listed below. The timeframes and requirements listed are based on state and federal laws. Where state laws are stricter than federal laws, we will follow state laws. If you live in and/or get services in a state other than the state where your Contract was issued other state-specific requirements may apply. You may call the phone number on the back of your Identification Card for more details.

Type of Review	Timeframe Requirement for Decision and Notification
Expedited Pre-service Review	2 business days or 72 hours, whichever is less, from the receipt of request
Non-expedited Pre-service Review	5 business days from the receipt of the request
Expedited Continued Stay / Concurrent Review when request is received more than 24 hours before the end of the previous authorization	24 hours from the receipt of the request
Expedited Continued Stay / Concurrent Review when:	
 request is received less than 24 hours before the end of the previous authorization; 	The request for Pre-service Review may be rejected
- no previous authorization exists	2 business days or 72 hours, whichever is less, from the receipt of the request
Non-expedited Continued Stay / Concurrent Review for ongoing outpatient treatment	5 business days from the receipt of the request
Post-Service Review	30 calendar days from the receipt of the request

If more information is needed to make our decision, we will tell the requesting Provider of the specific information needed to finish the review. If we do not get the specific information we need by the required timeframe, we will make a decision based upon the information we have.

We will notify you and your Provider of our decision as required by state and federal law. Notice may be given by one or more of the following methods: verbal, written, and/or electronic.

It is important that you and your Provider submit the request for review with enough time and information for us to meet these timeframes. Additional information about our filing timeframes and procedures is available at www.anthem.com. If you or your Provider fails to submit a complete and timely request for review according to our filing procedures, we may reject the request and instead conduct a Post-Service review after a claim is submitted.

Important Information

HMO Colorado may, from time to time, waive, enhance, change or end certain medical management processes (including utilization management, case management, and disease management) and/or offer an alternate benefit if in our sole discretion, such change furthers the provision of cost effective, value based and/or quality services.

We may also select certain qualifying Providers to take part in a program or a Provider agreement that exempts them from certain procedural or medical management processes that would otherwise apply. We may also exempt your claim from medical review if certain conditions apply.

Just because HMO Colorado exempts a process, Provider or Claim from the standards which otherwise would apply, it does not mean that HMO Colorado will do so in the future, or will do so in the future for any other Provider, claim or Member. HMO Colorado may stop or change any such exemption with or without advance notice.

You may find out whether a Provider is taking part in certain programs or a Provider agreement by checking your on-line Provider Directory, or contacting the Member Services number on the back of your Identification Card.

We also may identify certain Providers to review for potential fraud, waste, abuse or other inappropriate activity if the claims data suggests there may be inappropriate billing practices. If a Provider is selected under this program, then we may use one or more clinical utilization management guidelines in the review of claims submitted by this Provider, even if those guidelines are not used for all Providers delivering services to this Plan's Members.

Health Plan Individual Case Management

Our health plan individual case management programs (Case Management) help coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. Our programs coordinate benefits and educate Members who agree to take part in the Case Management program to help meet their health-related needs.

Our Case Management programs are confidential and voluntary and are made available at no extra cost to you. These programs are provided by, or on behalf of and at the request of, your health plan case management staff. These Case Management programs are separate from any Covered Services you are receiving.

If you meet program criteria and agree to take part, we will help you meet your identified health care needs. This is reached through contact and teamwork with you and/or your chosen authorized representative, treating Doctor(s), and other Providers.

In addition, we may assist in coordinating care with existing community-based programs and services to meet your needs. This may include giving you information about external agencies and community-based programs and services.

In certain cases of severe or chronic illness or injury, we may provide benefits for alternate care that is not listed as a Covered Service. We may also extend Covered Services beyond the Benefit Maximums of this Plan. We will make our decision case-by-case, if in our discretion the alternate or extended benefit is in the best interest of you and HMO Colorado and you or your authorized representative agree to the alternate or extended benefit in writing. A decision to provide extended benefits or approve alternate care in one case does not obligate us to provide the same benefits again to you or to any other Member. We reserve the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, we will notify you or your authorized representative in writing.

Section 7. Benefits/Coverage (What is Covered)

This section describes the Covered Services available under your Plan. Covered Services are subject to all the terms and conditions listed in this Booklet, including, but not limited to, Benefit Maximums, Deductibles, Copayments, Coinsurance, Exclusions and Medical Necessity requirements. Please read the "Schedule of Benefits (Who Pays What)" for details on the amounts you must pay for Covered Services and for details on any Benefit Maximums. Also be sure to read "How to Access Your Services and Obtain Approval of Benefits (Applicable to managed care plans)" for more information on your Plan's rules. Read the "Limitations/Exclusions (What is Not Covered)" section for important details on Excluded Services.

Your benefits are described below. Benefits are listed alphabetically to make them easy to find. Please note that several sections may apply to your claims. For example, if you have inpatient surgery, benefits for your Hospital stay will be described under "Inpatient Hospital Care" and benefits for your Doctor's services will be described under "Inpatient Professional Services". As a result, you should read all sections that might apply to your claims.

You should also know that many of Covered Services can be received in several settings, including a Doctor's office or your home, an Urgent Care Facility, an Outpatient Facility, or an Inpatient Facility. Benefits will often vary depending on where and from whom you choose to get Covered Services, and this can result in a change in the amount you need to pay. Please see the "Schedule of Benefits (Who Pays What)" for more details.

Please note that care must be received from your Primary Care Physician (PCP) or another In-Network Provider to be a Covered Service under this Plan. If you use an Out-of-Network Provider, your entire claim will be denied unless:

- The services are for Emergency or Urgent Care; or
- The services are approved in advance by HMO Colorado as an Authorized Service.

Acupuncture/Nerve Pathway Therapy

Please see "Therapy Services" later in this section.

Allergy Services

Your Plan includes benefits for Medically Necessary allergy testing and treatment, including allergy serum and allergy shots.

Ambulance Services

Medically Necessary ambulance services are a Covered Service when:

You are transported by a state licensed vehicle that is designed, equipped, and used only to transport
the sick and injured and staffed by Emergency Medical Technicians (EMT), paramedics, or other
certified medical professionals. This includes ground, water, fixed wing, and rotary wing air
transportation.

And one or more of the following are met:

- For ground ambulance, you are taken:
 - From your home, the scene of an accident or medical Emergency to a Hospital.
 - Between Hospitals, including when we require you to move from an Out-of-Network Hospital to an In-Network Hospital.
 - Between a Hospital and a Skilled Nursing Facility or other approved Facility.
- For air or water ambulance, you are taken:
 - From the scene of an accident or medical Emergency to a Hospital.

- Between Hospitals, including when we require you to move from an Out-of-Network Hospital to an In-Network Hospital.
- Between a Hospital and an approved Facility.

Ambulance services are subject to Medical Necessity reviews by us. Emergency ground ambulance services do not require Precertification and are allowed regardless of whether the Provider is an In-Network or Out-of-Network Provider. For Emergency ambulance services performed by an Out-of-Network Provider you do not need to pay any more than would have been paid for services from an In-Network Provider.

Non-Emergency ambulance services are subject to Medical Necessity reviews by us. Air ambulance services for non-Emergency Hospital to Hospital transfers and all scheduled ground ambulance services for non-Emergency transfers, except transfers from one acute Facility to another, must be approved through Precertification. When using an air ambulance for non-Emergency transportation, we reserve the right to select the air ambulance Provider. If you do not use the air ambulance Provider we select, no benefits will be available.

You must be taken to the nearest Facility that can give care for your condition. In certain cases we may approve benefits for transportation to a Facility that is not the nearest Facility.

Benefits also include Medically Necessary treatment of a sickness or injury by medical professionals from an ambulance service, even if you are not taken to a Facility.

Ambulance services are not covered when another type of transportation can be used without endangering your health. Ambulance services for your convenience or the convenience of your family or Doctor are not a Covered Service.

Other non-covered ambulance services include, but are not limited to, trips to:

- A Doctor's office or clinic.
- A morgue or funeral home.

Important Notes on Air Ambulance Benefits

Benefits are only available for air ambulance when it is not appropriate to use a ground or water ambulance. For example, if using a ground ambulance would endanger your health and your medical condition requires a more rapid transport to a Facility than the ground ambulance can provide, the Plan will cover the air ambulance. Air ambulance will also be covered if you are in an area that a ground or water ambulance cannot reach.

Air ambulance will not be covered if you are taken to a Hospital that is not an acute care Hospital (such as a Skilled Nursing Facility or a rehabilitation facility), or if you are taken to a Physician's office or your home.

Hospital to Hospital Transport

If you are moving from one Hospital to another, air ambulance will only be covered if using a ground ambulance would endanger your health and if the Hospital that first treats cannot give you the medical services you need. Certain specialized services are not available at all Hospitals. For example, burn care, cardiac care, trauma care, and critical care are only available at certain Hospitals. To be covered, you must be taken to the closest Hospital that can treat you. Coverage is not available for air ambulance transfers simply because you, your family, or your Provider prefers a specific Hospital or Physician.

Autism Services

Covered Services are provided for the assessment, diagnosis, and treatment of Autism Spectrum Disorders (ASD). The following treatments will not be considered Experimental or Investigational and will be considered appropriate, effective, or efficient for the treatment of Autism Spectrum Disorders where set forth in the Autism Treatment Plan:

- Evaluation and assessment services,
- Behavior training and behavior management and Applied Behavior Analysis, including but not limited to consultations, direct care, supervision, or treatment, or any combination thereof, for Autism Spectrum Disorders provided by Autism Services Providers,
- Habilitative or rehabilitative care, including, but not limited to, occupational therapy, physical therapy, or speech therapy, or any combination of those therapies,
- Prescription Drugs,
- Psychiatric care,
- Psychological care, including family counseling, and
- Therapeutic care.

Treatment for Autism Spectrum Disorders must be prescribed or ordered by a Doctor or psychologist, and services must be provided by a Provider covered under this Plan and approved to provide those services. However, behavior training, behavior management, or Applied Behavior Analysis services (whether provided directly or as part of Therapeutic Care), must be provided by an Autism Services Provider.

Coverage of Autism Spectrum Disorders in this section is in addition to coverage provided for early intervention and Congenital Defects and Birth Abnormality. Autism services and the Autism Treatment Plan are subject to review under the "How to Access Your Services and Obtain Approval of Benefits (Applicable to managed care plans)" section.

Behavioral Health Services

Please see "Mental Health and Substance Abuse Services" later in this section.

Cardiac Rehabilitation

Please see "Therapy Services" later in this section.

Chemotherapy

Please see "Therapy Services" later in this section.

Chiropractic Care

Please see "Therapy Services" later in this section.

Clinical Trials

Benefits include coverage for services, such as routine patient care costs, given to you as a participant in an approved clinical trial if the services are Covered Services under this Plan. An "approved clinical trial" means a phase I, phase II, phase III, or phase IV clinical trial that studies the prevention, detection, or treatment of cancer or other life-threatening conditions. The term life-threatening condition means any disease or condition from which death is likely unless the disease or condition is treated.

Benefits are limited to the following trials:

- 1. Federally funded trials approved or funded by one of the following:
 - a. The National Institutes of Health.
 - b. The Centers for Disease Control and Prevention.
 - c. The Agency for Health Care Research and Quality.
 - d. The Centers for Medicare & Medicaid Services.
 - e. Cooperative group or center of any of the entities described in (a) through (d) or the Department of Defense or the Department of Veterans Affairs.

- f. A qualified non-governmental research entity identified in the guidelines issued by the National Institutes of Health for center support grants.
- g. Any of the following in i-iii below if the study or investigation has been reviewed and approved through a system of peer review that the Secretary of Health and Human Services determines 1) to be comparable to the system of peer review of studies and investigations used by the National Institutes of Health, and 2) assures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.
 - i. The Department of Veterans Affairs.
 - ii. The Department of Defense.
 - iii. The Department of Energy.
- 2. Studies or investigations done as part of an investigational new drug application reviewed by the Food and Drug Administration.
- 3. Studies or investigations done for drug trials which are exempt from the investigational new drug application.

Your Plan may require you to use an In-Network Provider to maximize your benefits.

Routine patient care costs include items, services, and drugs provided to you in connection with an approved clinical trial that would otherwise be covered by this Plan.

All requests for clinical trials services, including services that are not part of approved clinical trials, will be reviewed according to our Clinical Coverage Guidelines, related policies and procedures.

Your Plan is not required to provide benefits for the following services. We reserve our right to exclude any of the following services:

- i. The Investigational item, device, or service.
- ii. Items and services that are given only to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient.
- iii. A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.
- iv. Any item or service that is paid for, or should have been paid for, by the sponsor of the trial.

Dental Services (All Members / All Ages)

Preparing the Mouth for Medical Treatments

Your Plan includes coverage for dental services to prepare the mouth for medical services and treatments such as radiation therapy to treat cancer and prepare for transplants. Covered Services include:

- Evaluation
- Dental x-rays
- Extractions, including surgical extractions
- Anesthesia

Treatment of Accidental Injury

Benefits are also available for dental work needed to treat injuries to the jaw, sound natural teeth, mouth or face as a result of an accident. An injury that results from chewing or biting is not considered an Accidental Injury under this Plan, unless the chewing or biting results from a medical or mental condition.

Cleft Palate and Cleft Lip Conditions

Benefits are available for inpatient care and outpatient care, including:

- Orofacial surgery
- Surgical care and follow-up care by plastic surgeons and oral surgeons
- Orthodontics and prosthodontic treatment
- Prosthetic treatment such as obturators, speech appliances, and prosthodontic
- Prosthodontic and surgical reconstruction for the treatment of cleft palate and/or cleft lip

If you have a dental plan, the dental plan would be the main plan and must fully cover orthodontics and dental care for cleft palate and cleft lip conditions.

Dental Anesthesia for Children

Benefits are available for general anesthesia from a Hospital, outpatient surgical Facility or other Facility, and for the Hospital or Facility charges needed for dental care for a covered Dependent child who:

- Has a physical, mental, or medically compromising condition; or
- Has dental needs for which local anesthesia is not effective because of acute infection, anatomic variation, or allergy; or
- Is extremely uncooperative, unmanageable, uncommunicative or anxious and whose dental needs are deemed sufficiently important that dental care cannot be deferred; or
- Has sustained extensive orofacial and dental trauma.

Other

The only other Covered Services are Facility charges for inpatient and/or outpatient care but do not include charges for the dental services. Benefits are payable in such settings are Medically Necessary for the Member's health problem or the dental treatment calls for it to keep you safe.

Diabetes Equipment, Education, and Supplies

Your Plan covers diabetes training and medical nutrition therapy if you have diabetes (whether or not it is insulin dependent), or if you have raised blood glucose levels caused by pregnancy. Other medical conditions may also qualify. But the services need to be ordered by a Doctor and given by a Provider who is certified, registered or with training in diabetes. Diabetes training sessions must be provided by a Provider in an outpatient Facility or in a Doctor's office.

Screenings for gestational diabetes are covered under "Preventive Care" later in this section.

Diagnostic Services

Your Plan includes benefits for tests or procedures to find or check a condition when specific symptoms exist. Tests must be ordered by a Provider and include diagnostic services ordered before a surgery or Hospital admission. Benefits include the following services:

Diagnostic Laboratory and Pathology Services

- Laboratory and pathology tests, such as blood tests.
- Genetic tests, when allowed by us.

Diagnostic Imaging Services and Electronic Diagnostic Tests

- X-rays / regular imaging services
- Ultrasound
- Electrocardiograms (EKG)
- Electroencephalography (EEG)

- Echocardiograms
- Hearing and vision tests for a medical condition or injury (not for screenings or preventive care)
- Tests ordered before a surgery or admission

Advanced Imaging Services

Benefits are also available for advanced imaging services, which include but are not limited to:

- CT scan
- CTA scan
- Magnetic Resonance Imaging (MRI)
- Magnetic Resonance Angiography (MRA)
- Magnetic resonance spectroscopy (MRS)
- Nuclear Cardiology
- PETscans
- PET/CT Fusion scans
- QCT Bone Densitometry
- Diagnostic CT Colonography

The list of advanced imaging services may change as medical technologies change.

Dialysis

Please see "Therapy Services" later in this section.

Durable Medical Equipment (DME), Medical Devices, and Supplies

Durable Medical Equipment and Medical Devices

Your Plan includes benefits for durable medical equipment and medical devices when the equipment meets the following criteria:

- Is meant for repeated use and is not disposable.
- Is used for a medical purpose and is of no further use when medical need ends.
- Is meant for use outside a medical Facility.
- Is only for the use of the patient.
- Is made to serve a medical use.
- Is ordered by a Provider.

Benefits include purchase-only equipment and devices (e.g., crutches and customized equipment), purchase or rent-to-purchase equipment and devices (e.g., Hospital beds and wheelchairs), and continuous rental equipment and devices (e.g., oxygen concentrator, ventilator, and negative pressure wound therapy devices). Continuous rental equipment must be approved by us. We may limit the amount of coverage for ongoing rental of equipment. We may not cover more in rental costs than the cost of simply purchasing the equipment.

Benefits include repair and replacement costs as well as supplies and equipment needed for the use of the equipment or device, for example, a battery for a powered wheelchair.

Oxygen and equipment for its administration are also Covered Services.

Orthotics

Benefits are available for certain types of orthotics (braces, boots, splints). Covered Services include the initial purchase, fitting, and repair of a custom made rigid or semi-rigid supportive device used to support, align, prevent, or correct deformities or to improve the function of movable parts of the body, or which limits or stops motion of a weak or diseased body part.

Prosthetics

Your Plan also includes benefits for prosthetics, which are artificial substitutes for body parts for functional or therapeutic purposes, when they are required to adequately meet your needs.

Benefits include the purchase, fitting, adjustments, repairs, and replacements. Covered Services may include, but are not limited to:

- Artificial limbs and accessories. For prosthetic arms and legs, we cover up to the benefits amounts provided by federal laws for Medicare or where needed to meet state insurance laws.
- One pair of glasses or contact lenses used after surgical removal of the lens(es) of the eyes, or when
 needed to replace human lenses absent at birth, or due to ocular injury, or for the treatment of
 keratoconus or aphakia.
- Breast prosthesis (whether internal or external) and surgical bras after a mastectomy, as required by the Women's Health and Cancer Rights Act.
- Colostomy and other ostomy (surgical construction of an artificial opening) supplies directly related to ostomy care.
- Restoration prosthesis (composite facial prosthesis).
- Wigs needed after cancer treatment.
- Cochlear implants.
- For children under 18, subject to the terms of the Booklet, your Plan covers the following hearing aids and the services that go with them when provided by or purchased as a result of a written recommendation from an otolaryngologist or a state-certified audiologist:
 - Audiological testing to measure the level of hearing loss and to choose the proper make and model of a hearing aid. These evaluations will be provided under the prior "Diagnostic Services" of this section.
 - Hearing aids (monaural or binaural) including ear mold(s), bone-anchored hearing aids, the
 hearing aid instrument, batteries, cords, and other ancillary equipment. The Plan covers auditory
 training when it is offered using approved professional standards. Initial and replacement hearing
 aids will be supplied every 5 years, a new hearing aid will be a covered service when alterations
 to your existing hearing aid cannot adequately meet your needs or be repaired, and
 - Visits for fitting, counseling, adjustments and repairs after receiving the covered hearing aids.

Medical and Surgical Supplies

Your Plan includes coverage for medical and surgical supplies that serve only a medical purpose, are used once, and are purchased (not rented). Covered supplies include syringes, needles, surgical dressings, splints, diabetic supplies, and other similar items that serve only a medical purpose. Covered Services do not include items often stocked in the home for general use like Band-Aids, thermometers, and petroleum jelly.

Blood and Blood Products

Your Plan also includes coverage for the administration of blood products unless they are received from a community source, such as blood donated through a blood bank.

Emergency Care Services

If you are experiencing an Emergency please call 911 or visit the nearest Hospital for treatment.

When you receive Covered Emergency Services (except ambulance services) from an Out-of-Network Provider at a Facility within Colorado, you will not be responsible for amounts in excess of the Maximum Allowed Amount.

Emergency Services

Benefits are available within the HMO Service Area and outside the HMO service area in a Hospital Emergency Room or freestanding Emergency Facility for services and supplies to treat the onset of symptoms, screen and stabilize an Emergency, which is defined below. Services provided for conditions that do not meet the definition of Emergency will not be covered.

Emergency (Emergency Medical Condition)

"Emergency," or "Emergency Medical Condition" means a medical or behavioral health condition of recent onset and sufficient severity, including but not limited to, severe pain, that would lead a prudent layperson, possessing an average knowledge of medicine and health, to believe that his or her condition, sickness, or injury is of such a nature that not getting immediate medical care could result in: (a) placing the patient's health or the health of another person in serious danger or, for a pregnant woman, placing the woman's health or the health of her unborn child in serious danger; (b) serious impairment to bodily functions; or (c) serious dysfunction of any bodily organ or part. Such conditions include but are not limited to, chest pain, stroke, poisoning, serious breathing problems, unconsciousness, severe burns or cuts, uncontrolled bleeding, or seizures and such other acute conditions as may be determined to be Emergencies by us.

Emergency Care

"Emergency Care" means a medical or behavioral health exam within the capability of the Emergency Department of a Hospital or freestanding Emergency Facility, and includes ancillary services routinely available in the Emergency Department to evaluate an Emergency Medical Condition. It includes any further medical or behavioral health exams and treatment required to stabilize the patient.

With respect to an Emergency, stabilize means to provide such medical treatment of the condition as may be necessary to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the Member from a Facility. With respect to a pregnant woman who is having contractions, the term "stabilize" also means to deliver (including the placenta), if there is inadequate time to effect a safe transfer to another Hospital before delivery or transfer may pose a threat to the health or safety of the woman or the unborn child.

Medically Necessary services will be covered whether you get care from an In-Network or Out-of-Network Provider.

Emergency Care you get from an Out-of-Network Provider will be covered as an In-Network service and will not require Precertification. For Covered Emergency Services from an Out-of-Network Provider at a Facility in Colorado, you are not responsible for the charges over the Plan's Maximum Allowed Amount. For other Covered Emergency Services from an Out-of-Network Provider, you will not need to pay more than what you would have if you had seen an In-Network Provider.

If you are admitted to the Hospital from the Emergency Room, be sure that you or your Doctor calls us as soon as you are stabilized. We will review your care to decide if a Hospital stay is needed and how many days you should stay. See "How to Access Your Services and Obtain Approval of Benefits (Applicable to managed care plans)" for more details.

Treatment you get after your condition has stabilized is not Emergency Care. Please refer to the "Consolidated Appropriations Act of 2021 Notice" at the beginning of this Booklet for more details on how this will impact your benefits.

Gene Therapy Services

Your Plan includes benefits for gene therapy services when Anthem approves the benefits in advance through Precertification. See "Getting Approval for Benefits" for details on the Precertification process. To be eligible for coverage, services must be Medically Necessary and performed by an approved Provider at an approved treatment center. Even if a Provider is an In-Network Provider for other services it may not be an approved Provider for certain gene therapy services. Please call us to find out which providers are approved Providers. (When calling Member Services, ask for the Transplant Case Manager for further details.)

Services Not Eligible for Coverage

Your Plan does not include benefits for the following:

- Services determined to be Experimental / Investigational,
- ii. Services provided by a non-approved Provider or at a non-approved Facility, or
- iii. Services not approved in advance through Precertification.

Habilitative Services

Benefits also include habilitative health care services and devices that help you keep, learn or improve skills and functioning for daily living. Examples include therapy for a child who isn't walking or talking at the expected age. These services may include physical and occupational therapy, speech-language pathology and other services for people with disabilities in a variety of inpatient and/or outpatient settings.

Please see "Therapy Services" later in this section for further details.

Home Health Care Services

Benefits are available for Covered Services performed by a Home Health Care Agency or other Home Health Care Provider in your home. Home Health Care is covered only when such care is necessary as an alternative to Hospital stay. To be eligible for benefits, you must essentially be confined to the home, as an alternative to a Hospital stay, and be physically unable to get needed medical services on an outpatient basis. Prior Hospital stay is not required. Home Health Care must be prescribed by a Doctor, under a plan of care established by the Doctor in collaboration with a Home Health Care Agency. We must preauthorize all care and reserve the right to review treatment plans at periodic intervals.

Covered Services include but are not limited to:

- Intermittent skilled nursing services by an R.N. or L.P.N.
- Medical / social services
- Diagnostic services
- Nutritional guidance
- Training of the patient and/or family/caregiver
- Home health aide services. You must be receiving skilled nursing or therapy. Services must be given
 by appropriately trained staff working for the Home Health Care Provider. Other organizations may
 give services only when approved by us, and their duties must be assigned and supervised by a
 professional nurse on the staff of the Home Health Care Provider or other Provider as approved by
 us.
- Therapy Services of physical, occupational, speech and language, respiratory and inhalation (except for Chiropractic Care / Manipulative Therapy which will not be covered when given in the home)
- Medical supplies
- Durable medical equipment, prosthetics and orthopedic appliances
- Private duty nursing services in the home

When available in your area, benefits are also available for Intensive In-home Behavioral Health Services. These do not require confinement to the home. These services are described in the "Mental Health and Substance Abuse Services" section below.

Benefits may also be available for Inpatient Services in your home. These benefits are separate from the Home Health Care Services benefit, and are described in the "Inpatient Services" section below.

Home Infusion Therapy

Please see "Therapy Services" later in this section.

Hospice Care

You are eligible for hospice care if your Doctor and the Hospice medical director certify that you are terminally ill and likely have less than twelve (12) months to live. You may access hospice care while participating in a clinical trial or continuing disease modifying therapy, as ordered by your treating Provider. Disease modifying therapy treats the underlying terminal illness.

The services and supplies listed below are Covered Services when given by a Hospice for the palliative care of pain and other symptoms that are part of a terminal disease. Palliative care means care that controls pain and relieves symptoms, but is not meant to cure a terminal illness. Hospice care includes routine home care, constant home care, inpatient Hospice and inpatient respite. Covered Services include:

- Care from an interdisciplinary team with the development and maintenance of an appropriate plan of care.
- Short-term Inpatient Hospital care when needed in periods of crisis or as respite care.
- Skilled nursing services, home health aide services, and homemaker services given by or under the supervision of a registered nurse.
- Doctor services and diagnostic testing.
- Social services and counseling services from a licensed social worker.
- Nutritional support such as intravenous feeding and feeding tubes and nutritional counseling.
- Physical therapy, occupational therapy, speech therapy, and respiratory therapy given by a licensed therapist.
- Pharmaceuticals, medical equipment, and supplies needed for the palliative care of your condition, including oxygen and related respiratory therapy supplies.
- Prosthetics and orthopedic appliances.
- Bereavement (grief) services, including a review of the needs of the bereaved family and the
 development of a care plan to meet those needs, both before and after the Member's death.
 Bereavement services are available to the patient and those individuals who are closely linked to the
 patient, including the immediate family, the primary or designated caregiver and individuals with
 significant personal ties for one year after the Member's death.
- Transportation.

Your Doctor must agree to care by the Hospice and must be consulted in the development of the care plan. The Hospice must keep a written care plan on file and give it to us upon request.

Benefits for services beyond those listed above that are given for disease modification or palliation, such as but not limited to chemotherapy and radiation therapy, are available to a Member in Hospice. These services are covered under other parts of this Plan. Any care you get that has to do with an unrelated illness or medical condition will be subject to the provisions of this plan that deals with that illness.

Human Organ and Tissue Transplant (Bone Marrow / Stem Cell) Services

Your Plan includes coverage for Medically Necessary human organ and tissue transplants. Certain transplants (e.g., cornea) are covered like any other surgery, under the regular inpatient and outpatient benefits described elsewhere in this Booklet.

This section describes benefits for certain Covered Transplant Procedures that you get during the Transplant Benefit Period. Any Covered Services related to a Covered Transplant Procedure, received before or after the Transplant Benefit Period, are covered under the regular Inpatient and outpatient benefits described elsewhere in this Booklet.

Please call our Transplant Department as soon as you think you may need a transplant to talk about your benefit options. You must do this *before* you have an evaluation and/or work-up for a transplant. To get the most benefits under your Plan, you must get certain human organ and tissue transplant services from an In-Network Transplant Provider that we have chosen as a Centers of Medical Excellence for Transplant Provider and/or a Provider designated as an In-Network Transplant Provider by the Blue Cross and Blue Shield Association. Even if a Hospital is an In-Network Provider for other services, it may not be an In-Network Transplant Provider for certain transplant services. Please call us to find out which Hospitals are In-Network Transplant Providers. (When calling Member Services, ask for the Transplant Case Manager for further details.)

In this section you will see some key terms, which are defined below:

Covered Transplant Procedure

As decided by us, any Medically Necessary human solid organ, tissue, and stem cell / bone marrow transplants and infusions including necessary acquisition procedures, mobilization, collection and storage. It also includes Medically Necessary myeloablative or reduced intensity preparative chemotherapy, radiation therapy, or a combination of these therapies.

Centers of Excellence (COE) Transplant Providers

- Blue Distinction Center (BDC) Facility: Blue Distinction facilities have met or exceeded national quality standards for transplant care delivery.
- Centers of Medical Excellence (CME) Facility: Centers of Medical Excellence facilities have met or exceeded quality standards for transplant care delivery.

In-Network Transplant Provider

A Provider that we have chosen and designated as a Centers of Medical Excellence and/or Blue Distinction Centers + or Blue Distinction Centers for Transplant. The Provider has entered into a Transplant Provider Agreement to give Covered Transplant Procedures to you and take care of certain administrative duties for the transplant network. A Provider may be an In-Network Transplant Provider for.

- Certain Covered Transplant Procedures; or
- All Covered Transplant Procedures.

Out-of-Network Transplant Provider

Any Provider that has **NOT** been chosen as a Centers of Medical Excellence for Transplant by us or has not been selected to take part as an In-Network Transplant Provider by the Blue Cross and Blue Shield Association.

Transplant Benefit Period

At an In-Network Transplant Provider Facility, the Transplant Benefit Period starts one day before a Covered solid organ Transplant Procedure and one day before high dose chemotherapy or preparative regimen for a covered bone marrow/stem cell transplant procedure and lasts for the applicable case rate / global time period. The number of days will vary depending on the type of transplant received and the In-

Network Transplant Provider agreement. Call the Case Manager for specific In-Network Transplant Provider details for services received at or coordinated by an In-Network Transplant Provider Facility.

Prior Approval and Precertification

To best understand your benefits, you may call our Transplant Department to discuss benefit coverage when it is determined a transplant may be needed. We suggest you do this before you have an evaluation and/or work-up for a transplant, so that we can assist you in maximizing your benefits. To learn more or to find out which Hospitals are In-Network Transplant Providers, you may contact the Member Services telephone number on the back of your Identification Card and ask for the transplant coordinator. In addition, you or your Provider must call our Transplant Department for Precertification prior to the transplant, whether this is performed in an Inpatient or Outpatient setting.

Precertification is required before we will cover benefits for a transplant. Your Doctor must certify, and we must agree, that the transplant is Medically Necessary. Your Doctor should send a written request for Precertification to us as soon as possible to start this process. Not getting Precertification will result in a denial of benefits.

Please note that there are cases where your Provider asks for approval for Human Leukocyte Antigen (HLA) testing, donor searches and/or a collection and storage of stem cells prior to the final decision as to what transplant procedure will be needed. In these cases, the HLA testing and donor search charges will be covered as routine diagnostic tests. The collection and storage request will be reviewed for Medical Necessity and may be approved. However, such an approval for HLA testing, donor search and/or collection and storage is NOT an approval for the later transplant. A separate Medical Necessity decision will be needed for the transplant.

Transportation and Lodging

We will cover the cost of reasonable and necessary travel costs when you get prior approval and need to travel more than 75 miles from your permanent home to reach the Facility where the Covered Transplant Procedure will be performed. Our help with travel costs includes transportation to and from the Facility, and lodging for the patient and one companion. If the Member receiving care is a minor, then reasonable and necessary costs for transportation and lodging may be allowed for two companions. You must send itemized receipts for transportation and lodging costs in a form satisfactory to us when claims are filed. Call us for complete information.

For lodging and ground transportation benefits, we will cover costs up to the current limits set forth in the Internal Revenue Code.

Non-Covered Services for transportation and lodging include, but are not limited to:

- Childcare,
- Mileage within the medical transplant Facility city.
- Rental cars, buses, taxis, or shuttle service, except as specifically approved by us,
- Frequent Flyer miles,
- Coupons, Vouchers, or Travel tickets,
- Prepayments or deposits,
- Services for a condition that is not directly related, or a direct result, of the transplant,
- Phone calls,
- Laundry,
- Postage,
- Entertainment,
- Travel costs for donor companion/caregiver,

- Return visits for the donor for a treatment of an illness found during the evaluation,
- Meals.

Infertility Services

Please see "Maternity and Reproductive Health Services" later in this section.

Inpatient Services

Inpatient Hospital Care

Covered Services include acute care in a Hospital setting*.

Benefits for room, board, and nursing services include:

- A room with two or more beds.
- A private room. The most the Plan will cover for private rooms is the Hospital's average semi-private room rate unless it is Medically Necessary that you use a private room for isolation and no isolation facilities are available.
- A room in a special care unit approved by us. The unit must have facilities, equipment, and supportive services for intensive care or critically ill patients.
- Routine nursery care for newborns during the mother's normal Hospital stay.
- Newborn care for during and after the mother's maternity Hospital stay for treatment of injury and sickness and medically diagnosed Congenital Defects and Birth Abnormalities.
- Meals, special diets.
- General nursing services.

Benefits for ancillary services include:

- Operating, childbirth, and treatment rooms and equipment.
- Prescribed Drugs.
- Anesthesia, anesthesia supplies and services given by the Hospital or other Provider.
- Medical and surgical dressings and supplies, casts, and splints.
- Diagnostic services.
- Therapy services.

Inpatient Professional Services

Covered Services include:

- Medical care visits.
- Intensive medical care when your condition requires it.
- Treatment for a health problem by a Doctor who is not your surgeon while you are in the Hospital for surgery. Benefits include treatment by two or more Doctors during one Hospital stay when the nature or severity of your health problem calls for the skill of separate Doctors.
- A personal bedside exam by another Doctor when asked for by your Doctor. Benefits are not
 available for staff consultations required by the Hospital, consultations asked for by the patient,
 routine consultations, phone consultations, or EKG transmittals by phone.
- Surgery and general anesthesia.
- Newborn exam. A Doctor other than the one who delivered the child must do the exam.

Professional charges to interpret diagnostic tests such as imaging, pathology reports, and cardiology.

*When available in your area, certain Providers have programs available that may allow you to receive Inpatient Services in your home instead of staying in a Hospital. To be eligible, your condition and the Covered Services to be delivered must be appropriate for the home setting. Your home must also meet certain accessibility requirements. These programs are voluntary and are separate from the benefits under "Home Health Care Services." Your Provider will contact you if you are eligible, and provide you with details on how to enroll. If you choose to participate, the cost shares listed in your Schedule of Benefits under "Inpatient Services" will apply.

Maternity and Reproductive Health Services

Maternity Services

Covered Services include services needed during a normal or complicated pregnancy, Complications of Pregnancy, and for services needed for a miscarriage. Covered maternity services include:

- Professional and Facility services for childbirth in a Facility or the home including the services of an appropriately licensed nurse midwife,
- Routine nursery care for the newborn during the mother's normal Hospital stay, including circumcision of a covered male Dependent,
- Prenatal, postnatal and postpartum services, and
- Fetal screenings, which are genetic or chromosomal tests of the fetus, as allowed by us.

If you are pregnant on your Effective Date and in the first trimester of the pregnancy, you must change to an In-Network Provider to have Covered Services covered at the In-Network level. If you are pregnant on your Effective Date and in your second or third trimester of pregnancy (13 weeks or later) as of the Effective Date, benefits for obstetrical care will be available at the In-Network level even if an Out-of-Network Provider is used if you fill out a Continuation of Care Request Form and send it to us. Covered Services will include the obstetrical care given by that Provider through the end of the pregnancy and the immediate post-partum period.

Important Note About Maternity Admissions: Under federal law, we may not limit benefits for any Hospital length of stay for childbirth for the mother or newborn to less than 48 hours after vaginal birth, or less than 96 hours after a cesarean section (C-section). If the baby is born between 8:00 p.m. and 8:00 a.m., coverage will continue until 8:00 a.m. on the morning after the 48- or 96-hours timeframe. However, federal law as a rule does not stop the mother's or newborn's attending Provider, after consulting with and with the agreement of the mother, from discharging the mother or her newborn earlier than 48 hours, or 96 hours, as applicable. In any case, as provided by federal law, we may not require a Provider to get authorization from us before prescribing a length of stay which is not more than 48 hours for a vaginal birth or 96 hours after a C-section.

Contraceptive Benefits

Benefits include oral contraceptive Drugs, injectable contraceptive Drugs, and patches. Benefits also include contraceptive devices such as diaphragms, intrauterine devices (IUDs), and implants. Certain contraceptives are covered under the "Preventive Care" benefit. Please see that section for further details. At least one product in all 18 approved methods of contraception is covered under this policy without cost sharing as required by federal and state law.

Sterilization Services

Benefits include sterilization services and services to reverse a non-elective sterilization that resulted from an illness or injury. Reversals of elective sterilizations are not covered. Sterilizations for women are covered under the "Preventive Care" benefit.

Abortion Services

Benefits include services for therapeutic or elective abortion regardless if Medically Necessary, unless applicable law or regulation prohibits the Group from providing such coverage (in which case, Covered Services are provided only to the extent necessary to prevent the death of the mother or unborn baby).

Infertility Services

Covered Services include Medically Necessary diagnostic tests to find the cause of Infertility, such as diagnostic laparoscopy, endometrial biopsy, and semen analysis, as well as treatment and Prescription Drugs which are consistent with established, published, or approved medical practices or professional guidelines established by the American Society for Reproductive Medicine (ASRM) or the American College of Obstetrics and Gynecology (ACOG) for diagnosing or treating Infertility, including:

- Up to three completed oocyte retrievals with unlimited embryo transfers in accordance with the guidelines of the ASRM, using single embryo transfer when recommended and medically appropriate; and
- Standard fertility preservation services, for a member who has a medical condition or is expected to
 undergo medication therapy, surgery, radiation, chemotherapy, or other medical treatment that is
 recognized by medical professionals to cause a risk of impairment to fertility. Standard fertility
 preservation services means procedures and services that are consistent with established medical
 practices or professional guidelines published by the American Society of Clinical Oncology (ASCO),
 the ASRM or their respective successor organizations.

Medical Foods

Covered Services include Medically Necessary medical foods for home use for metabolic disorders which may be taken by mouth or enterally. A Provider must have prescribed the medical foods that are designed and manufactured for the treatment of inherited enzymatic disorders caused by single gene defects involved in the metabolism of amino, organic, and fatty acids as well as severe protein allergic conditions. Disorders include those as required by law, including but not limited to:

- Phenylketonuria, if you are 21 or younger (35 or younger for women of child-bearing age),
- Maternal phenylketonuria,
- Maple syrup urine disease,
- Tvrosinemia.
- Homocystinuria,
- Histidinemia,
- Urea cycle disorders,
- Hyperlysinemia,
- Glutaric acidemias,
- Methylmalonic acidemias,
- Propionic acidemia,
- Immunoglobulin E and nonimmunoglobulin E-mediated allergies to multiple food proteins,
- Severe food protein induced enterocolitis syndrome,
- Eosinophlic disorders as evidenced by the results of a biopsy, and
- Impaired absorption of nutrients caused by disorders affecting the absorptive surface, function, length, and motility of the gastrointestinal tract.

Covered Services do not include enteral nutrition therapy or medical foods for Members with cystic

fibrosis or lactose- or soy- intolerance. Also all covered medical foods must be obtained through a Pharmacy and are subject to the pharmacy payment requirements. Please see "Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy" later in this section.

Mental Health and Substance Abuse Services

Covered Services include the following:

- **Inpatient Services** in a Hospital or any Facility that we must cover per state law. Inpatient benefits include psychotherapy, psychological testing, electroconvulsive therapy, and detoxification.
- Residential Treatment in a licensed Residential Treatment Center that offers individualized and intensive treatment and includes:
 - Observation and assessment by a physician weekly or more often,
 - Rehabilitation and therapy.
- Outpatient Services including office visits, therapy and treatment, Partial Hospitalization/Day
 Treatment Programs, Intensive Outpatient Programs and (when available in your area) Intensive InHome Behavioral Health Services.
- Online Visits Covered Services include a medical visit with the Doctor using the internet by a
 webcam, chat or voice or other platform approved by us. Online visits do not include reporting normal
 lab or other test results, requesting office visits, getting answers to billing, insurance coverage or
 payment questions, asking for Referrals to doctors outside the online care panel, benefit
 Precertification, or Doctor to Doctor discussions. Online visits are not the same as Telehealth
 Services and can, at times, include audio-only interactions but generally do not include store-andforward transfers.

Note: No Member will be denied coverage for medical, surgical, or behavioral, mental, or substance abuse services as a result of self-harm or suicide attempt or completion.

Examples of Providers from whom you can receive Covered Services include:

- Psychiatrist,
- Psychologist,
- Neuropsychologist,
- Licensed clinical social worker (L.C.S.W.),
- Mental health clinical nurse specialist,
- Licensed marriage and family therapist (L.M.F.T.),
- Licensed professional counselor (L.P.C) or
- Any Provider licensed by the state to give these services, when we have to cover them by law.

Occupational Therapy

Please see "Therapy Services" later in this section.

Office and Home Visits

Covered Services include:

Office Visits for medical care (including second surgical opinions) to examine, diagnose, and treat an illness or injury.

Consultations between your Primary Care Physician and a Specialist, when approved by Anthem.

Home Visits for medical care to examine, diagnose, and treat an illness or injury. Please note that Doctor and Primary Care Provider visits in the home are different than the "Home Health Care Services" benefit described earlier in this Booklet.

Retail Health Clinic Care for limited basic health care services to Members on a "walk-in" basis. These clinics are normally found in major pharmacies or retail stores. Health care services are typically given by Physician's Assistants or Nurse Practitioners. Services are limited to routine care and treatment of common illnesses for adults and children.

Walk-In Doctor's Office for services limited to routine care and treatment of common illnesses for adults and children. You do not have to be an existing patient or have an appointment to use a walk-in Doctor's office.

Urgent Care as described in "Urgent Care Services" later in this section.

Virtual Visits as described under the "Virtual Visits (Telehealth / Telemedicine Visits)" section.

Prescription Drugs Administered in the Office

Orthotics

Please see "Durable Medical Equipment (DME), Medical Devices, and Supplies" earlier in this section.

Outpatient Facility Services

Your Plan includes Covered Services in an:

- Outpatient Hospital,
- Freestanding Ambulatory Surgery Center,
- Mental Health / Substance Abuse Facility, or
- Other Facilities approved by us.

Benefits include Facility and related (ancillary) charges, when proper, such as:

- Surgical rooms and equipment,
- Prescription Drugs, including Specialty Drugs.
- Anesthesia and anesthesia supplies and services given by the Hospital or other Facility,
- Medical and surgical dressings and supplies, casts, and splints,
- Diagnostic services,
- Therapy services.

Physical Therapy

Please see "Therapy Services" later in this section.

Preventive Care

Preventive care includes screenings and other services for adults and children. All recommended preventive services will be covered as required by the Affordable Care Act (ACA) and applicable state law. This means many preventive care services are covered with no Deductible, Copayments or Coinsurance when you use an In-Network Provider.

Certain benefits for Members who have current symptoms or a diagnosed health problem may be covered under the "Diagnostic Services" benefit instead of this benefit, if the coverage does not fall within the state or ACA-recommended preventive services.

Covered Services fall under the following broad groups:

- Services with an "A" or "B" rating from the United States Preventive Services Task Force. Examples include screenings for:
 - Breast cancer,
 - Cervical cancer,
 - Colorectal cancer,

Note: Coverage is also available for colorectal cancer screening at no cost to Members, when received by an In-Network Provider, when a Member is at high risk for colorectal cancer or has had prior occurrence of cancer or precursor neoplastic polyps, prior occurrence of a chronic digestive disease condition, or other predisposing factors.

- High blood pressure,
- Type 2 Diabetes Mellitus,
- Cholesterol,
- Child and adult obesity.

Tobacco use screening and tobacco cessation counseling and intervention is also covered.

- Immunizations for children, adolescents, and adults, including cervical cancer vaccinations for females, where recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention.
- Preventive care and screenings for infants, children and adolescents as listed in the guidelines supported by the Health Resources and Services Administration.
- Preventive care and screening for women as listed in the guidelines supported by the Health Resources and Services Administration, including:
 - Women's contraceptives, sterilization treatments, and counseling. This includes Generic oral contraceptives as well other contraceptive medications such as injectable contraceptives and patches, for the durations or supply minimums required by applicable law. Contraceptive devices such as diaphragms, intrauterine devices (IUDs), and implants are also covered. At least one product in all 18 approved methods of contraception is covered under this policy without cost sharing as required by federal and state law. Brand Drugs will be covered as a Preventive Care benefit when Medically Necessary, according to your attending Provider, otherwise they will be covered under the "Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy."
- Preventive care services for smoking cessation and tobacco cessation for Members age 18 and older as recommended by the United States Preventive Services Task Force including:
 - Counseling
 - Prescription Drugs obtained at a Retail or Home Delivery (Mail Order) Pharmacy
 - Nicotine replacement therapy products obtained at a Retail or Home Delivery (Mail Order)
 Pharmacy when prescribed by a Provider, including over the counter (OTC) nicotine gum, lozenges and patches.
- Prescription Drugs and OTC items identified as an A or B recommendation by the United States
 Preventive Services Task Force when prescribed by a Provider including:
 - Aspirin
 - Folic acid supplement
 - Bowel preparations
 - At least one PrEP Prescription Drug

Please note that certain age and gender and quantity limitations apply.

You may call Member Services at the number on your Identification Card for more details about these services or view the federal government's web sites: https://www.healthcare.gov/what-are-my-preventive-care-benefits, http://www.ahrq.gov, and http://www.ahrq.gov, and http://www.ahrq.gov, and http://www.ahrq.gov, and https://www.ahrq.gov, and https://www.ahrq.gov.

In addition to federal and state law rules, Covered Services also include:

- Annual medical diabetes eye exams, or in accordance with the frequency determined by your Provider.
- Flu shot from a flu shot clinic. Coverage is provided for one flu shot per Benefit Period, or more often
 as we decide. To learn more about flu shot clinics, how much we reimburse you for a flu shot, and to
 get the claim form, visit our website at www.anthem.com. You may also call Member Services. The
 amount we cover is subject to change. A flu shot paid for in full, or in part by someone else, is not
 eligible for coverage.

Preventive Care for Chronic Conditions (per IRS guidelines)

Members with certain chronic health conditions may be able to receive preventive care for those conditions prior to meeting their Deductible when services are provided by an In-Network Provider. These benefits are available if the care qualifies under guidelines provided by the Treasury Department, Internal Revenue Service (IRS), and Department of Health and Human Services (HHS) (referred to as "the agencies"). Details on those guidelines can be found on the IRS's website at the following link:

https://www.irs.gov/newsroom/irs-expands-list-of-preventive-care-for-hsa-participants-to-include-certain-care-for-chronic-conditions

The agencies will periodically review the list of preventive care services and items to determine whether additional services or items should be added or if any should be removed from the list. You will be notified if updates are incorporated into your Plan.

Please refer to the Schedule of Benefits for further details on how benefits will be paid.

Prosthetics

Please see "Durable Medical Equipment (DME) Medical Devices, and Supplies" earlier in this section.

Pulmonary Therapy

Please see "Therapy Services" later in this section.

Radiation Therapy

Please see "Therapy Services" later in this section.

Rehabilitation Services

Benefits include services in a Hospital, free-standing Facility, Skilled Nursing Facility, or in an outpatient day rehabilitation program.

Covered Services involve a coordinated team approach and several types of treatment, including skilled nursing care, physical, occupational, and speech therapy, and services of a social worker or psychologist.

To be Covered Services, rehabilitation services must involve goals you can reach in a reasonable period of time. Benefits will end when treatment is no longer Medically Necessary, and you stop progressing toward those goals.

Please see "Therapy Services" in this section for further details.

Respiratory Therapy

Please see "Therapy Services" later in this section.

Skilled Nursing Facility

When you require Inpatient skilled nursing and related services for convalescent, rehabilitative or habilitative care, Covered Services are available if the Facility is licensed or certified under state law as a Skilled Nursing Facility, or is otherwise licensed to provide the services. Custodial Care is not a Covered Service.

Smoking Cessation

Please see the "Preventive Care" section in this Booklet.

Speech Therapy

Please see "Therapy Services" later in this section.

Surgery

Your Plan covers surgical services on an Inpatient or outpatient basis, including office surgeries. Covered Services include:

- Accepted operative and cutting procedures,
- Other invasive procedures, such as angiogram, arteriogram, amniocentesis, tap or puncture of brain or spine,
- Endoscopic exams, such as arthroscopy, bronchoscopy, colonoscopy, laparoscopy,
- Treatment of fractures and dislocations,
- Anesthesia and surgical support when Medically Necessary,
- Medically Necessary pre-operative and post-operative care.

Oral Surgery

Important Note: Although this Plan covers certain oral surgeries, many oral surgeries (e.g. removal of wisdom teeth) are not covered, except as listed in this Booklet.

Benefits are limited to certain oral surgeries including:

- Treatment of medically diagnosed cleft lip, cleft palate, or ectodermal dysplasia.
- Orthognathic surgery for a physical abnormality that prevents normal function of the upper and/or lower jaw and is Medically Necessary to attain functional capacity of the affected part.
- Oral / surgical correction of accidental injuries as indicated in the "Dental Services" section.
- Treatment of non-dental lesions, such as removal of tumors and biopsies.
- Incision and drainage of infection of soft tissue not including odontogenic cysts or abscesses.

Reconstructive Surgery

Benefits include reconstructive surgery to correct significant deformities caused by congenital or developmental abnormalities, illness, injury or an earlier treatment in order to create a more normal appearance. Benefits include surgery performed to restore symmetry after a mastectomy.

Note: This section does not apply to orthognathic surgery. See the "Oral Surgery" section above for that benefit.

Mastectomy Notice

A Member who is getting benefits for a mastectomy or for follow-up care for a mastectomy and who chooses breast reconstruction, will also get coverage for:

Reconstruction of the breast on which the mastectomy has been performed,

- Surgery and reconstruction of the other breast to give a symmetrical appearance, and
- Prostheses and treatment of physical problems of all stages of mastectomy, including lymphedemas.

When due to breast cancer, reconstructive and surgical coverage will be provided in a manner determined in consultation with the attending Physician and the Member. Members will have to pay the same Deductible, Coinsurance, and/or Copayments that normally apply to surgeries in this Plan.

Temporomandibular Joint (TMJ) and Craniomandibular Joint Services

Benefits are available to treat temporomandibular and craniomandibular disorders. The temporomandibular joint connects the lower jaw to the temporal bone at the side of the head and the craniomandibular joint involves the head and neck muscles.

Covered Services include removable appliances for TMJ repositioning and related surgery, medical care, and diagnostic services. Covered Services do not include fixed or removable appliances that involve movement or repositioning of the teeth, repair of teeth (fillings), or prosthetics (crowns, bridges, dentures).

Therapy Services

Physical Medicine Therapy Services

For children under age 6, your Plan covers at least 20 visits, each, of physical, speech and occupational therapy. Benefits include the treatment of Congenital Defects and Birth Abnormalities, even if it is a long-term condition. It also doesn't matter if the reason for the therapy is to maintain (not improve) the child's skills. For children between 3 and 6 with Autism Spectrum Disorders, we cover more than 20 visits of each therapy if part of a Member's Autism Treatment Plan.

From the Members birth until the Member's third (3rd) birthday, these services shall be provided only where and only to the extent required by applicable law.

For age 6 and older, your Plan includes coverage for the therapy services described below. To be a Covered Service, the therapy must improve your level of function within a reasonable period of time.

Covered Services include:

- **Physical therapy** The treatment by physical means to ease pain, restore health, and to avoid disability after an illness, injury, or loss of an arm or a leg. It includes hydrotherapy, heat, physical agents, bio-mechanical and neuro-physiological principles, and devices.
- Speech therapy and speech-language pathology (SLP) services Services to identify, assess, and treat speech, language, and swallowing disorders in children and adults. Therapy will develop or treat communication or swallowing skills to correct a speech impairment. For a cleft palate or cleft lip, Medically Necessary speech therapy is not limited, but those visits lower the number of speech therapy visits available to treat other problems.
- **Post-cochlear implant aural therapy** Services to help a person understand the new sounds they hear after getting a cochlear implant.
- Occupational therapy Treatment to restore a physically disabled person's ability to do activities of
 daily living, such as walking, eating, drinking, dressing, using the toilet, moving from a wheelchair to a
 bed, and bathing. It also includes therapy for tasks needed for the person's job. Occupational therapy
 does not include recreational or vocational therapies, such as hobbies, arts and crafts.
- Chiropractic Care / Osteopathic / Manipulative therapy Includes therapy to treat problems of the bones, joints, and the back. The two therapies are similar, but Chiropractic Care / Manipulative Therapy focuses on the joints of the spine and the nervous system, while osteopathic therapy also focuses on the joints and surrounding muscles, tendons and ligaments. Chiropractic benefits are Covered Services limited to office visits for evaluation, manual manipulation of the spine, laboratory services, X-ray of the spine and certain physical modalities and procedures for musculoskeletal disorders.

- Massage therapy Injury or illness for which massage has a therapeutic result. Coverage is
 provided for up to a 60-minute session per visit. Some Covered Services include acupressure and
 deep tissue massage, or other approved services.
- Acupuncture/Nerve Pathway therapy Treatment of neuromusculoskeletal pain by a Provider who
 acts within the scope of their license. Treatment involves using needles along specific nerve
 pathways to ease pain.

Early Intervention Services

From the Member's birth until the Member's third (3rd) birthday, this Plan covers Early Intervention Services (as defined in this Booklet and by Colorado law in accordance with part C), that are authorized through an eligible child's individualized family service plan (IFSP) and delivered by a Qualified Early Intervention Service Provider to an eligible child, to the extent required by applicable law. The services stated in an IFSP will be considered Medically Necessary. Coverage for early intervention services does not include: nonemergency medical transportation; respite care; service coordination, as defined in federal law; or assistive technology (unless covered under the applicable insurance policy as durable medical equipment). Coverage is limited to up to 45 visits, per Benefit Period.

This visit limit does not apply to rehabilitation or therapeutic services that are necessary as the result of an acute medical condition or post-surgical rehabilitation or services provided to a child who is not participating in part C. The coverage for Early Intervention Services is in addition to any other coverage provided under this Booklet for congenital defects or birth abnormalities.

Other Therapy Services

Benefits are also available for:

- Cardiac Rehabilitation Medical evaluation, training, supervised exercise, and psychosocial support to care for you after a cardiac event (heart problem). Benefits do not include home programs, on-going conditioning, or maintenance care.
- **Chemotherapy** Treatment of an illness by chemical or biological antineoplastic agents. See the section "Prescription Drugs Administered by a Medical Provider" for more details.
- **Dialysis** Services for acute renal failure and chronic (end-stage) renal disease, including hemodialysis, home intermittent peritoneal dialysis (IPD), home continuous cycling peritoneal dialysis (CCPD), and home continuous ambulatory peritoneal dialysis (CAPD). Covered Services include dialysis treatments in an outpatient dialysis Facility. Covered Services also include home dialysis and training for you and the person who will help you with home self-dialysis.
- Infusion Therapy Nursing, durable medical equipment and Drug services that are delivered and administered to you through an I.V. in your home. Also includes Total Parenteral Nutrition (TPN), Enteral nutrition therapy, antibiotic therapy, pain care and chemotherapy. May include injections (intra-muscular, subcutaneous, continuous subcutaneous). See the section "Prescription Drugs Administered by a Medical Provider" for more details.
- **Pulmonary Rehabilitation** Includes outpatient short-term respiratory care to restore your health after an illness or injury.
- **Cognitive rehabilitation therapy** Only when Medically Necessary following a post-traumatic brain injury or cerebral vascular accident.
- Radiation Therapy Treatment of an illness by x-ray, radium, or radioactive isotopes. Covered
 Services include treatment (teletherapy, brachytherapy and intraoperative radiation, photon or high
 energy particle sources), materials and supplies needed, and treatment planning.
- Respiratory Therapy Includes the use of dry or moist gases in the lungs, nonpressurized inhalation treatment; intermittent positive pressure breathing treatment, air or oxygen, with or without nebulized medication, continuous positive pressure ventilation (CPAP); continuous negative pressure ventilation (CNP); chest percussion; therapeutic use of medical gases or Drugs in the form of

aerosols, and equipment such as resuscitators, oxygen tents, and incentive spirometers; bronchopulmonary drainage and breathing exercises.

Transgender Services

This Plan provides benefits for many of the charges for transgender surgery (also known as sex reassignment surgery) and hormone therapies as part of the treatment of gender dysphoria or gender identity disorder. Benefits must be approved by us for the type of transgender surgery requested and must be authorized prior to being performed. Charges for services that are not authorized for the transgender surgery requested will not be considered Covered Services. Some conditions and age restrictions apply, and all services must be authorized by us as outlined in the "How to Access Your Services and Obtain Approval of Benefits" section.

Covered Services, when approved as meeting our criteria as Medically Necessary, may include, but are not limited to:

- Feminizing vaginoplasty,
- Masculinizing phalloplasty / scrotoplasty,
- Reduction thyrochondroplasty,
- Augmentation mammoplasty,
- Facial feminization procedures,
- Feminizing hormone therapy,
- Masculinizing hormone therapy,
- Puberty-suppressant,
- Breast reconstruction, if appropriate based on age of the Member.

Transplant Services

Please see "Human Organ and Tissue Transplant" earlier in this section.

Urgent Care Services

Often an urgent rather than an Emergency health problem exists. An urgent health problem is an unexpected illness or injury that calls for care that cannot wait until a regularly scheduled office visit. Urgent health problems are not life threatening and do not call for the use of an Emergency Room. Urgent health problems include earache, sore throat, and fever (not above 104 degrees).

Benefits for urgent care include:

- X-ray services,
- Care for broken bones,
- Tests such as flu, urinalysis, pregnancy test, rapid strep,
- Lab services,
- Stitches for simple cuts, and
- Draining an abscess.

Medically Necessary services will be covered whether you get care from an In-Network or Out-of-Network Provider. Urgent Care you get from an Out-of-Network Provider will be covered as an In-Network service, you will not need to pay more than what you would have if you had seen an In-Network Provider.

Virtual Visits (Telehealth/Telemedicine Visits)

Covered Services include virtual Telemedicine/Telehealth visits that are appropriately provided through the internet via video or chat. This includes visits with Providers who also provide services in person, as well as online-only Providers.

- Online Visits Covered Services include a medical visit with the Doctor using the internet by a
 webcam, chat or voice or other platform approved by us. Online visits do not include reporting normal
 lab or other test results, requesting office visits, getting answers to billing, insurance coverage or
 payment questions, asking for referrals to Doctors outside the online care panel, benefit
 Precertification, or Doctor to Doctor discussions. Online visits are not the same as telehealth services
 and can, at times, include audio-only interactions but do not include store-and-forward transfers. For
 Mental Health and Substance Abuse Online Visits, see the "Mental Health and Substance Abuse
 Services" section.
- Telehealth Services Covered Services that are appropriately provided by a telehealth Provider in accordance with applicable legal requirements will be eligible for benefits under this Plan. Telehealth means the mode of delivering health care or other health services through HIPAA-compliant systems, including information, electronic and communication technologies, remote monitoring technologies and store-and-forward transfers, to facilitate the diagnosis, consultation and treatment, education, care management and self-management of a patient's physical and mental health. In-person contact between a health care Provider and the patient is not required for these services. Telehealth does not include the use of facsimile, audio-only telephone, texting or electronic mail, except where required by applicable law. If you have any questions about this coverage, or receive a bill please contact Member Services at the number on the back of your Identification Card.

Please Note: Not all services can be delivered through virtual visits. Certain services require equipment and/or direct physical hands-on care that cannot be provided remotely. Also, please note that not all Providers offer virtual visits.

If you have any questions about this coverage, please contact Member Services at the number on the back of your ID Card.

Vision Services For Members Through Age 18

The vision benefits described in this section only apply to Members through age 18. Benefits will continue through the end of the month that the Member turns 19.

Routine Eye Exam

This Plan covers a complete eye exam with dilation, as needed. The exam is used to check all aspects of your vision. An eye exam does not include a contact lens fitting fee.

Vision Services For Members Age 19 and Older

The vision benefits described in this section only apply to Members age 19 or older.

Routine Eye Exam

This Plan covers a complete eye exam with dilation, as needed. The exam is used to check all aspects of your vision. An eye exam does not include contact lens fitting fee.

Vision Services (All Members / All Ages)

Benefits include medical and surgical treatment of injuries and illnesses of the eye. Certain vision screenings required by Federal law are covered under the "Preventive Care" benefit.

Benefits do not include glasses or contact lenses except as listed in the "Prosthetics" benefit under "Durable Medical Equipment (DME), Medical Devices, and Supplies."

Prescription Drugs Administered by a Medical Provider

Your Plan covers Prescription Drugs, including Specialty Drugs, that must be, administered to you as part of a doctor's visit, home care visit, or at an outpatient Facility when they are Covered Services. This may include Drugs for infusion therapy, chemotherapy, blood products, certain injectables, and any Drug that must be administered by a Provider. This section applies when a Provider orders the Drug and a medical Provider administers it to you in a medical setting. Benefits for Drugs that you inject or get through your Pharmacy benefits (i.e., self-administered Drugs) are not covered under this section. Benefits for those Drugs are described in the "Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy" section.

Important Details About Prescription Drug Coverage

Your Plan includes certain features to determine when Prescription Drugs should be covered, which are described below. As part of these features, your prescribing Doctor may be asked to give more details before we can decide if the Prescription

Drug is eligible for coverage. In order to determine if the Prescription Drug is eligible for coverage, we have established criteria.

The criteria, which are called drug edits, may include requirements regarding one or more of the following:

- Quantity, dose, and frequency of administration,
- Specific clinical criteria including, but not limited to, requirements regarding age, test result requirements, and/or presence of a specific condition or disease,
- Specific Provider qualifications including, but not limited to, REMS certification (Risk, Evaluation and Mitigation Strategies),
- Step therapy requiring one Drug, Drug regimen, or treatment be used, where permitted by law, prior
 to use of another Drug, Drug regimen, or treatment for safety and/or cost-effectiveness when clinically
 similar results may be anticipated,
- Use of an Anthem Prescription Drug List (a formulary developed by Anthem) which is a list of FDA
 approved Drugs that have been reviewed and recommended for use based on their quality and cost
 effectiveness.

You will not need to undergo step therapy, as required under applicable state law, for HIV infection prevention and stage four metastatic cancer Prescription Drugs.

Covered Prescription Drugs

To be a Covered Service, Prescription Drugs must be approved by the Food and Drug Administration (FDA) and, under federal law, require a Prescription. Prescription Drugs must be prescribed by a licensed Provider and Controlled Substances must be prescribed by a licensed Provider with an active DEA license.

Compound drugs are a Covered Service when a commercially available dosage form of a Medically Necessary medication is not available, all the ingredients of the compound drug are FDA approved, require a prescription to dispense, and are not essentially the same as an FDA approved product from a drug manufacturer. Non-FDA approved non-proprietary, multisource ingredients that are vehicles essential for compound administration may be covered.

Precertification

Precertification may be required for certain Prescription Drugs to help make sure proper use and guidelines for Prescription Drug coverage are followed. We will give the results of our decision to both you and your Provider.

For a list of Prescription Drugs that need Precertification, please call the phone number on the back of your Identification Card. The list will be reviewed and updated from time to time. Including a Prescription

Drug or related item on the list does not guarantee coverage under your Plan. Your Provider may check with us to verify Prescription Drug coverage, to find out which drugs are covered under this section and if any drug edits apply.

Expedited Precertification – We will review Expedited requests for Precertification of Prescription Drugs according to the timeframes listed below:

- If all needed information is provided with the request, we will approve or deny it within one business day of receiving the request, unless a shorter period of time is required by law.
- If we need more information to make a decision, we will tell the prescribing Provider what information is needed within one business day of receiving the request. If the information is timely provided, we will make a decision within the timeframes provided by law.
- If the prescribing Provider does not supply the requested information within two business days of receiving our request, the Precertification request will be deemed denied.

Non-Expedited Precertification – We will review non-Expedited requests for Precertification of Prescription Drugs according to the timeframes listed below:

- If all needed information is provided with the request, we approve or deny it within two business days of receiving the request.
- If we need more information to make a decision, we will tell the prescribing Provider what information is needed within two business days of receiving the request. If the information is timely provided, we will make a decision within the timeframes provided by law.
- If the prescribing Provider does not supply the requested information within two business days of receiving our request, the request will be deemed denied.

Note: If we do not request additional information or provide notification of approval or denial as required by applicable law, the request will be deemed approved. We will give notice of our decision as required by state and federal law.

Please refer to the section "How to Access Your Services and Obtain Approval of Benefits (Applicable to managed care plans)" under "Getting Approval for Benefits" for more details.

If Precertification is denied you have the right to file a Grievance as outlined in the "Appeals and Complaints" section of this Booklet.

Designated Pharmacy Provider

HMO Colorado in its sole discretion, may establish one or more Designated Pharmacy Provider programs which provide specific pharmacy services (including shipment of Prescription Drugs) to Members. An In-Network Provider is not necessarily a Designated Pharmacy Provider. To be a Designated Pharmacy Provider, the In-Network Provider must have signed a Designated Pharmacy Provider Agreement with us. You or your Provider can contact Pharmacy Member Services to learn which Pharmacy or Pharmacies are part of a Designated Pharmacy Provider program.

For Prescription Drugs that are shipped to you or your Provider and administered in your Provider's office, you and your Provider are required to order from a Designated Pharmacy Provider. A Patient Care coordinator will work with you and your Provider to obtain Precertification and to assist shipment to your Provider's office.

We reserve our right to modify the list of Prescription Drugs as well as the setting and/or level of care in which the care is provided to you. HMO Colorado may, from time to time, change with or without advance notice, the Designated Pharmacy Provider for a Drug, if in our discretion, such change can help provide cost effective, value based and/or quality services.

If you are required to use a Designated Pharmacy Provider and you choose not to obtain your Prescription Drug from a Designated Pharmacy Provider, you will not have coverage for that Prescription Drug.

You can get the list of the Prescription Drugs covered under this section by calling Pharmacy Member Services at the phone number on the back of your Identification Card or check our website at www.anthem.com.

Therapeutic Substitution

Therapeutic substitution is an optional program that tells you and your Doctor about alternatives to certain prescribed Drugs. We may contact you and your Doctor to make you aware of these choices. Only you and your Doctor can determine if the therapeutic substitute is right for you. For questions or issues about therapeutic Drug substitutes, call Pharmacy Member Services at the phone number on the back of your Identification Card.

Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy

Your Plan also includes benefits for Prescription Drugs you get at a Retail or Mail Order Pharmacy. We use a Pharmacy Benefits Manager (PBM) to manage these benefits. The PBM has a network of Retail Pharmacies, a Home Delivery (Mail Order) Pharmacy, and a Specialty Pharmacy. The PBM works to make sure Drugs are used properly. This includes checking that Prescriptions are based on recognized and appropriate doses and checking for Drug interactions or pregnancy concerns.

Please note: Benefits for Prescription Drugs, including Specialty Drugs, which are administered to you by a medical Provider in a medical setting (e.g., doctor's office visit, home care visit, or outpatient Facility) are covered under the "Prescription Drugs Administered by a Medical Provider" benefit. Please read that section for important details.

Prescription Drug Benefits

Prescription Drug benefits may require prior authorization to determine if your Drugs should be covered. Your In-Network Pharmacist will be told if prior authorization is required and if any additional details are needed for us to decide benefits.

Prior Authorization

Prescribing Providers must obtain prior authorization in order for you to get benefits for certain Drugs. At times, your Provider will initiate a prior authorization on your behalf before your Pharmacy fills your Prescription. At other times, the Pharmacy may make you or your Provider aware that a prior authorization or other information is needed. In order to determine if the Prescription drug is eligible for coverage, we have established criteria.

The criteria, which are called drug edits, may include requirements regarding one or more of the following:

- Quantity, dose, and frequency of administration.
- Specific clinical criteria including, but not limited to, requirements regarding age, test result requirements, and/or presence of a specific condition or disease,
- Specific Provider qualifications including, but not limited to, REMS certification (Risk, Evaluation and Mitigation Strategies),
- Step therapy requiring one Drug, Drug regimen, or treatment be used, where permitted by law, prior
 to use of another Drug, Drug regimen, or treatment for safety and/or cost-effectiveness when clinically
 similar results may be anticipated,
- Use of a Prescription Drug List (as described below).

You will not need to undergo step therapy, as required under applicable state law, for HIV infection prevention and stage four metastatic cancer Prescription Drugs.

Where required by applicable law, we will cover the initial five-day supply (within a twelve-month period) of at least one FDA approved drug, prescribed by your Doctor and on our Prescription Drug List, which is used for the treatment of opioid dependency. At least one such Prescription Drug will not require prior authorization for the initial five-day supply. But requests of greater supplies, refills, or for drugs beyond those we have approved may be subject to prior authorization requirements or otherwise not eligible for coverage. For more information on the Prescription Drug List and which Prescription Drugs require prior authorization, please call the phone number on the back of your Identification Card or visit our website at www.anthem.com.

You or your Provider can get the list of the Drugs that require prior authorization by calling Pharmacy Member Services at the phone number on the back of your Identification Card or check our website at www.anthem.com. The list will be reviewed and updated from time to time. Including a Prescription Drug or related item on the list does not guarantee coverage under your Plan. Your Provider may check with

us to verify Prescription Drug coverage, to find out which drugs are covered under this section and if any drug edits apply.

HMO Colorado may, from time to time, waive, enhance, change or end certain prior authorization and/or offer alternate benefits, if in our sole discretion, such change furthers the provision of cost effective, value based and/or quality services.

Expedited prior authorization – We will review Expedited requests for prior authorization of Prescription Drugs according to the timeframes listed below:

- If all needed information is provided with the request, we will approve or deny it within one business day of receiving the request, unless a shorter period of time is required by law.
- If we need more information to make a decision, we will tell the prescribing Provider what information is needed within one business day of receiving the request. If the information is timely provided, we will make a decision within the timeframes provided by law.
- If the prescribing Provider does not supply the requested information within two business days of receiving our request, the prior authorization request will be deemed denied.

Non-Expedited prior authorization – We will review non-Expedited requests for prior authorization of Prescription Drugs according to the timeframes listed below:

- If all needed information is provided with the request, we approve or deny it within two business days
 of receiving the request.
- If we need more information to make a decision, we will tell the prescribing Provider what information is needed within two business days of receiving the request. If the information is timely provided, we will make a decision within the timeframes provided by law.
- If the prescribing Provider does not supply the requested information within two business days of receiving our request, the request will be deemed denied.

Note: If we do not request additional information or provide notification of approval or denial as required by applicable law, the request will be deemed approved. We will give notice of our decision as required by state and federal law.

If prior authorization is denied you have the right to file a Grievance as outlined in the "Appeals and Complaints" section of this Booklet.

Covered Prescription Drugs

To be a Covered Service, Prescription Drugs must be approved by the Food and Drug Administration (FDA) and, under federal law, require a Prescription. Prescription Drugs must be prescribed by a licensed Provider and you must get them from a licensed Pharmacy. Controlled Substances must be prescribed by a licensed Provider with an active DEA license.

Benefits are available for the following:

- Prescription Drugs from either a Retail Pharmacy or the PBM's Home Delivery Pharmacy.
- Specialty Drugs.
- Self-administered Drugs. These are Drugs that do not need administration or monitoring by a
 Provider in an office or Facility. Injectables and infused Drugs that need Provider administration
 and/or supervision are covered under the "Prescription Drugs Administered by a Medical Provider"
 benefit.
- Self-injectable insulin and supplies and equipment used to administer insulin.
- Continuous glucose monitoring systems. Note: Each component of the monitoring system will be subject to a separate Copayment / Coinsurance.

- Self-administered contraceptives, including oral contraceptive Drugs, self-injectable contraceptive
 Drugs, contraceptive patches, and contraceptive rings. Certain contraceptives are covered under the
 "Preventive Care" benefit. Please see that section for more details.
 - Note: A Prescription contraceptive provided by an In-Network Pharmacy can be dispensed to a Member in a three month supply for the first dispensing. It can be dispensed for a 12-month supply for subsequent dispensing of the same prescription contraceptive or through the end of the Member's coverage under this Plan. In case of vaginal contraceptive rings, it can be dispensed intended to last for three months.
- Special food products or supplements, including metabolic formulas, when prescribed by a Doctor if we agree they are Medically Necessary.
- Flu Shots (including administration). These will be covered under the "Preventive Care" benefit.
- Immunizations (including administration) required by the "Preventive Care" benefit.
- Prescription Drugs that help you stop smoking or reduce your dependence on tobacco products.
 These Drugs will be covered under the "Preventive Care" benefit.
- FDA-approved smoking cessation products, including over the counter nicotine replacement products, when obtained with a Prescription for a Member age 18 or older. These products will be covered under the "Preventive Care" benefit.
- Compound drugs when a commercially available dosage form of a Medically Necessary medication is not available, all the ingredients of the compound drug are FDA approved, require a prescription to dispense, and are not essentially the same as an FDA approved product from a drug manufacturer. Non-FDA approved, non-proprietary, multisource ingredients that are vehicles essential for compound administration may be covered.
- Prescription Drugs used to treat Infertility, as outlined in the Infertility Services benefit.

Certain Drugs, including orally administered anticancer medication, may also be used for treatment of cancer even though it has not been approved by the Food and Drug Administration (FDA) for treatment of a specific type of cancer, if the following conditions are met:

- the off-label use of the FDA approved drug is supported for the treatment of cancer by the authoritative reference compendia identified by the Department of Health and Human Services; and
- the condition being treated is covered under this Booklet.

In-Network Pharmacy

You can visit one of the local Retail Pharmacies in our network. Give the Pharmacy the prescription from your Doctor and your Identification Card and they will file your claim for you. You will need to pay any Copayment, Coinsurance, and/or Deductible that applies when you get the Drug. If you do not have your Identification Card, the Pharmacy will charge you the full retail price of the Prescription and will not be able to file the claim for you. You will need to ask the Pharmacy for a detailed receipt and send it to us with a written request for payment.

Important Note: If we determine that you may be using Prescription Drugs in a harmful or abusive manner, or with harmful frequency, your selection of In-Network Pharmacies may be limited. If this happens, we may require you to select a single In-Network Pharmacy that will provide and coordinate all future pharmacy services. Benefits will only be paid if you use the single In-Network Pharmacy. We will contact you if we determine that use of a single In-Network Pharmacy is needed and give you options as to which In-Network Pharmacy you may use. If you do not select one of the In-Network Pharmacies we offer within 31 days, we will select a single In-Network Pharmacy for you. If you disagree with our decision, you may ask us to reconsider it as outlined in the "Appeals and Complaints" section of this Booklet.

In addition, if we determine that you may be using Controlled Substance Prescription Drugs in a harmful or abusive manner, or with harmful frequency, your selection of In-Network Providers for Controlled

Substance Prescriptions may be limited. If this happens, we may require you to select a single In-Network Provider that will provide and coordinate all Controlled Substance Prescriptions. Benefits for Controlled Substance Prescriptions will only be paid if you use the single In-Network Provider. We will contact you if we determine that use of a single In-Network Provider is needed and give you options as to which In-Network Provider you may use. If you do not select one of the In-Network Providers we offer within 31 days, we will select a single In-Network Provider for you. If you disagree with our decision, you may ask us to reconsider it as outlined in the "Appeals and Complaints" section of this Booklet.

You must get covered Prescription Drugs and supplies from an In-Network Pharmacy, if you don't they will not be covered.

Maintenance Pharmacy

You may also obtain a 90-day supply of Maintenance Medications from a Maintenance Pharmacy. A Maintenance Medication is a Drug you take on a regular basis to treat or control a chronic illness such as heart disease, high blood pressure, epilepsy, or diabetes. If you are not sure the Prescription Drug you are taking is a Maintenance Medication or need to determine if your Pharmacy is a Maintenance Pharmacy, please call Pharmacy Member Services at the number on the back of your Identification Card or check our website at www.anthem.com for more details.

Specialty Pharmacy

We keep a list of Specialty Drugs that may be covered based upon clinical findings from the Pharmacy and Therapeutics (P&T) Process, and where appropriate, certain clinical economic reasons. This list will change from time to time. We may require you or your doctor to order certain Specialty Drugs from the PBM's Specialty Pharmacy.

When you use the PBM's Specialty Pharmacy, its patient care coordinator will work with you and your Doctor to get prior authorization and to ship your Specialty Drugs to your home or your preferred address. Your patient care coordinator will also tell you when it is time to refill your prescription.

You can get the list of covered Specialty Drugs by calling Pharmacy Member Services at the phone number on the back of your Identification Card or check our website at www.anthem.com.

Home Delivery Pharmacy

The PBM also has a Home Delivery Pharmacy that lets you get certain Drugs by mail if you take them on a regular basis. You will need to contact the PBM to sign up when you first use the service. You can mail written prescriptions from your Doctor or have your Doctor send the prescription to the Home Delivery Pharmacy. Your Doctor may also call the Home Delivery Pharmacy. You will need to send in any Copayments, Deductible, or Coinsurance amounts that apply when you ask for a prescription or refill.

What You Pay for Prescription Drugs

Tiers

Your share of the cost for Prescription Drugs may vary based on the tier the Drug is in:

- Tier 1 Drugs have the lowest Coinsurance or Copayment. This tier contains low cost and preferred Drugs that may be Generic, single source Brand Drugs, Biosimilars, Interchangeable Biologic Products, or multi-source Brand Drugs.
- Tier 2 Drugs have a higher Coinsurance or Copayment than those in Tier 1. This tier may contain
 preferred Drugs that may be Generic, single source, Brand Drugs, Biosimilars, Interchangeable
 Biologic Products, or multi-source Brand Drugs.
- Tier 3 Drugs have a higher Coinsurance or Copayment than those in Tier 2. This tier may contain higher cost, preferred, and non-preferred Drugs that may be Generic, single source, Brand Drugs, Biosimilars, Interchangeable Biologic Products, or multi-source Brand Drugs.
- Tier 4 Drugs have a higher Coinsurance or Copayment than those in Tier 3. This tier may contain higher cost, preferred, and non-preferred Drugs that may be Generic, single source Brand Drugs, Biosimilars, Interchangeable Biologic Products or multi-source Brand Drugs.

We assign drugs to tiers based on clinical findings from the Pharmacy and Therapeutics (P&T) Process. We retain the right, at our discretion, to decide coverage for doses and administration (i.e., oral, injection, topical, or inhaled). We may cover one form of administration instead of another, or put other forms of administration in a different tier.

Prescription Drug List

We also have an HMO Colorado Prescription Drug List, (a formulary), which is a list of Drugs that have been reviewed and recommended for use based on their quality and cost effectiveness. Benefits may not be covered for certain Drugs if they are not on the Prescription Drug List.

The Drug List is developed by us based upon clinical findings, and where proper, the cost of the Drug relative to other Drugs in its therapeutic class or used to treat the same or similar condition. It is also based on the availability of over the counter medicines, Generic Drugs, the use of one Drug over another by our Members, and where proper, certain clinical economic reasons.

We retain the right, at our discretion, to decide coverage based upon medication dosage, dosage forms, manufacturer, and administration methods (i.e., oral, injection, topical, or inhaled) and may cover one form instead of another as Medically Necessary.

You may request a copy of the covered Prescription Drug list by calling the Pharmacy Member Services telephone number on the back of your Identification Card or visiting our website at www.anthem.com. The covered Prescription Drug list is subject to periodic review and amendment. Inclusion of a Drug or related item on the covered Prescription Drug list is not a guarantee of coverage.

Exception Request for a Drug not on the Prescription Drug List

If you, your designee or your Doctor believes you need a Prescription Drug that is not on the Prescription Drug List, please have your Doctor or pharmacist get in touch with us. We will cover the other Prescription Drug through a special exception process, but only if we agree that it is Medically Necessary and appropriate over the other Drugs that are on the List. We will make a coverage decision within 72 hours of receiving your request, unless a shorter timeframe is required by applicable law. If we approve the coverage of the Drug, coverage of the Drug will be provided for the duration of your prescription, including refills. If we deny coverage of the Drug, you have the right to appeal, including the right to request independent external review, as explained in the "Appeals and Complaints" section of this Booklet.

You, your designee or your Doctor may also submit a request for a Prescription Drug that is not on the Prescription Drug List based on exigent circumstances. Exigent circumstances exist if you are suffering from a health condition that may seriously jeopardize your life, health, or ability to regain maximum function, or if you are undergoing a current course of treatment using a drug not covered by the Plan. We will make a coverage decision within 24 hours of receiving your request. If we approve the coverage of the Drug, coverage of the Drug will be provided for the duration of the exigency. If we deny coverage of the Drug, you have the right to appeal, including the right to request independent external review, as explained in the "Appeals and Complaints" section of this Booklet.

Coverage of a Drug approved as a result of your request or your Doctor's request for an exception will only be provided if you are a Member enrolled under the Plan. For additional information about the exception processes for Drugs not included on your Plan's Prescription Drug List, please call the Pharmacy Member Services telephone number on the back of your Identification Card.

Additional Features of Your Prescription Drug Pharmacy Benefit

Day Supply and Refill Limits

Certain day supply limits apply to Prescription Drugs as listed in the "Schedule of Benefits (Who Pays What)." In most cases, you must use a certain amount of your prescription before it can be refilled. In some cases we may let you get an early refill. For example, we may let you refill your prescription early if it is decided that you need a larger dose. Early refills may also be available for Prescription Eye Drops. In addition one additional bottle may be available for Prescription Eye Drops, if the bottle is requested at the time of the original prescription is filled and is needed for use by a day care center or school. Prescription Eye Drops means a liquid prescription drug which is applied directly to the eye from a bottle or by means

of a dropper, or as defined by Colorado law. We will work with the Pharmacy to decide when this should happen.

If you are going on vacation and you need more than the day supply allowed, you should ask your pharmacist to call our PBM and ask for an override for one early refill. If you need more than one early refill, please call Pharmacy Member Services at the number on the back of your Identification Card.

Note: A Prescription contraceptive provided by an In-Network Pharmacy can be dispensed to a Member in a three month supply for the first dispensing. It can be dispensed for a 12-month supply for subsequent dispensing of the same prescription contraceptive or through the end of the Member's coverage under this Plan. In case of vaginal contraceptive rings, it can be dispensed intended to last for three months.

Therapeutic Substitution

Therapeutic substitution is an optional program that tells you and your Doctor about alternatives to certain prescribed Drugs. We may contact you and your Doctor to make you aware of these choices. Only you and your Doctor can determine if the therapeutic substitute is right for you. For questions or issues about therapeutic Drug substitutes, call Pharmacy Member Services at the phone number on the back of your Identification Card.

Split Fill Dispensing Program

The split fill dispensing program is designed to prevent and/or minimize wasted Prescription Drugs if your Prescription Drugs or dose changes between fills, by allowing only a portion of your prescription to be filled. This program also saves you out of pocket expenses. The Prescription Drugs that are included under this program have been identified as requiring more frequent follow up to monitor response to treatment and potential reactions or side effects. You can access the list of these Prescription Drugs by calling the toll-free number on your member ID Card or log on to the website at www.anthem.com.

Drug Cost Share Assistance Programs

Where permitted by applicable law, if you qualify for certain non-needs based drug cost share assistance programs offered by drug manufacturers (either directly or indirectly through third parties) to reduce the Deductible, Copayment, or Coinsurance you pay for certain Specialty Drugs, the reduced amount you pay may be the amount we apply to your Deductible and/or Out-of-Pocket Limit when the Prescription Drug is provided by an In-Network Provider.

In addition, we may also enroll you in a program, the Cost Relief Program, that allows you to further reduce your costs, and may eliminate your Out-of-Pocket costs altogether. We will work with manufacturers to get the maximum cost share assistance you are eligible for and will manage enrollment and renewals on your behalf.

Please not that we may increase the cost share listed in the "Schedule of Benefits (Who Pays What)" in order to take full advantage of cost share assistance that is available from drug manufacturers. Any increase in the cost-share will not be more than 50% of the Maximum Allowed Amount. This will lower plan costs but will not increase your cost because any additional cost share will be offset by the cost share assistance.

In addition, because certain Specialty Drugs are not classified as "essential health benefits" under the Plan in accordance with the Affordable Care Act, any Member cost-share payments for these Specialty Drugs will not count towards the Plans' Deductible or Out-of-Pocket Limit and will not be paid at 100% of the Maximum Allowed Amount after the Out-of-Pocket Limit is reached. A list of Specialty Drugs that are not considered to be "essential health benefits" is available. An exception process is available for determining whether a Specialty Drug that is not an essential health benefit is Medically Necessary for a particular individual.

Participation in this program is voluntary. If you currently take one or more Prescription Drugs included in this program, we will automatically enroll you in the program and send you a welcome letter, followed up with a phone call that provides specific information about the program as it pertains to your medication. Whether you enroll in the Cost Relief Program or not, any non-needs based cost-share assistance you receive will not accumulate to your Deductible or Out-of-Pocket Limit.

If you or a covered family member are not currently taking but will start a new Prescription Drug covered under this program, you can either contact us or we will proactively contact you so that you can take full advantage of the program.

Some drugs manufacturers will require you to sign up to take advantage of the assistance that they provide. In those cases, we will contact you to let you know what you need to do.

The list of Prescription Drugs covered by the Cost Relief Program may be updated periodically by the Plan. Please refer to our website, <u>www.anthem.com</u>, for the latest list.

Opting Out

If you do not wish to participate in this program, you can opt out, and you will be responsible for a portion of the cost of the Specialty Drug as noted in the "Schedule of Benefits (Who Pays What)".

Special Programs

Except when prohibited by federal regulations (such as HSA rules), from time to time we may offer programs to support the use of more cost-effective or clinically effective Prescription Drugs including Generic Drugs, Home Delivery Drugs, over the counter Drugs or preferred products. Such programs may reduce or waive Copayments or Coinsurance for a limited time.

Rebate Impact on Prescription Drugs You get at Retail or Home Delivery Pharmacies

Anthem and/or its PBM may also, from time to time, enter into agreements that result in Anthem receiving rebates or other funds ("rebates") directly or indirectly from Prescription Drug manufacturers, Prescription Drug distributors or others.

You will be able to take advantage of a portion of the cost savings anticipated by Anthem from rebates on Prescription Drugs purchased by you from Retail, Home Delivery, or Specialty Pharmacies under this section. If the Prescription Drug purchased by you is eligible for a rebate, most of the estimated value of that rebate will be used to reduce the Maximum Allowed Amount for the Prescription Drug. Any Deductible or Coinsurance would be calculated using that reduced amount. The remaining value of that rebate will be used to reduce the cost of coverage for all Members enrolled in coverage of this type.

It is important to note that not all Prescription Drugs are eligible for a rebate, and rebates can be discontinued or applied at any time based on the terms of the rebate agreements. Because the exact value of the ultimate rebate will not be known at the time you purchase the Prescription Drug, the amount of the rebate applied to your claim will be based on an estimate. Payment on your claim will not be adjusted if the later determined rebate value is higher or lower than our original estimate.

Section 8. Limitations/Exclusions (What is Not Covered)

In this section you will find a review of items that are not covered by your Plan. Excluded items will not be covered even if the service, supply, or equipment is Medically Necessary. This section is only meant to be an aid to point out certain items that may be misunderstood as Covered Services. This section is not meant to be a complete list of all the items that are excluded by your Plan.

We will have the right to make the final decision about whether services or supplies are Medically Necessary and if they will be covered by your Plan.

- Acts of War, Disasters, or Nuclear Accidents In the event of a major disaster, epidemic, war, or
 other event beyond our control, we will make a good faith effort to give you Covered Services. We will
 not be responsible for any delay or failure to give services due to lack of available Facilities or staff.
 - Benefits will not be given for any illness or injury that is a result of war, service in the armed forces, a nuclear explosion, nuclear accident, release of nuclear energy, a riot, or civil disobedience.
- 2) **Acupuncture/nerve pathway therapy** mainly for the purpose of weight control, related to menstrual cramps and addiction including smoking cessation.
- 3) Administrative Charges
 - a) Charges to complete claim forms,
 - b) Charges to get medical records or reports,
 - c) Membership, administrative, or access fees charged by Doctors or other Providers. Examples include, but are not limited to, fees for educational brochures or calling you to give you test results.
- 4) **Aids for Non-verbal Communication** Devices and computers to assist in communication and speech except for speech aid devices and tracheo-esophageal voice devices approved by Anthem.
- 5) Alternative / Complementary Medicine Services or supplies for alternative or complementary medicine, regardless of the Provider rendering such services or supplies. This includes, but is not limited to:
 - a. Holistic medicine,
 - b. Acupressure to help alleviate pain, treat illness, or promote health by putting pressure to one or more areas of the body, except as specifically listed as a Covered Service in this Plan,
 - c. Homeopathic medicine,
 - d. Hypnosis,
 - e. Aroma therapy,
 - f. Reiki therapy,
 - g. Herbal, vitamin or dietary products or therapies,
 - h. Naturopathy,
 - i. Thermography,
 - j. Orthomolecular therapy,

- r. Neurofeedback / Biofeedback.
- 6) **Applied Behavioral Treatment** (including, but not limited to, Applied Behavior Analysis) for all indications except as described under Autism Services in the "Benefits/Coverage (What is Covered)" section unless otherwise required by law.
- 7) Autopsies Autopsies and post-mortem testing.
- 9) **Before Effective Date or After Termination Date** Charges for care you get before your Effective Date or after your coverage ends, except as written in this Plan.
- 10) **Breast Reduction Surgery** (reduction mammoplasty) or services related to it, except as required by law.
- 11) **Certain Providers** Services you get from Providers that are not licensed by law to provide Covered Services as defined in this Booklet.
- 12) Charges Not Supported by Medical Records Charges for services not described in your medical records.
- 13) Charges Over the Maximum Allowed Amount Charges over the Maximum Allowed Amount for Covered Services, except for Surprise Billing Claims as outlined in the "Consolidated Appropriations Act of 2021 Notice" in the beginning of this Booklet. However, for Covered Emergency Care you receive from an Out-of-Network Provider at a facility in Colorado, the Out-of-Network Provider may be limited in their ability to collect these charges from you.
- 14) Clinical Trial Non-Covered Services Any Investigational drugs or devices, non-health services required for you to receive the treatment, the costs of managing the research, or costs that would not be a Covered Service under this Plan for non-Investigational treatments.
- 15) Clinically-Equivalent Alternatives Certain Prescription Drugs may not be covered if you could use a clinically equivalent Drug, unless required by law. "Clinically equivalent" means Drugs that for most Members, will give you similar results for a disease or condition. If you have questions about whether a certain Drug is covered and which Drugs fall into this group, please call the number on the back of your Identification Card, or visit our website at www.anthem.com.
- 16) **Complications of/or Services Related to Non-Covered Services** Services, supplies or treatment related to or, for problems directly related to a service that is not covered by this Plan. Directly related means that the care took place as a direct result of the non-Covered Service and would not have taken place without the non-Covered Service.
- 17) **Compound Drugs** Compound Drugs unless all of the ingredients are FDA approved, require a prescription to dispense, and the compound medication is not essentially the same as an FDA approved product from a drug manufacturer. Exceptions to non-FDA approved compound ingredients may include multi-source, non-proprietary vehicles, and/or pharmaceutical adjuvants.
- 18) **Cosmetic Services** Treatments, services, Prescription Drugs, equipment, or supplies given for cosmetic services. Cosmetic services are meant to preserve, change, or improve how you look or are given for social reasons. No benefits are available for surgery or treatments to change the texture or look of your skin or to change the size, shape or look of facial or body features (such as your nose, eyes, ears, cheeks, chin, chest or breasts).
- 19) **Court Ordered Testing** Court ordered testing or care unless the testing or care is Medically Necessary and otherwise a Covered Service under this Booklet.
- 20) **Crime** Treatment of an injury or illness that results from a crime you committed, or tried to commit. This Exclusion does not apply if your involvement in the crime was solely the result of a medical or mental condition, or where you were the victim of a crime, including domestic violence.

- 21) **Cryopreservation** Charges associated with the cryopreservation of eggs, embryos, or sperm, including collection, storage, and thawing.
- 22) **Custodial Care** Custodial Care, convalescent care or rest cures. This Exclusion does not apply to Hospice services.
- 23) **Delivery Charges** Charges for delivery of Prescription Drugs.
- 24) **Dental Devices for Snoring** Oral appliances for snoring.
- 25) **Dental Treatment** Excluded treatment includes but is not limited to preventive care and fluoride treatments; dental X-rays, supplies, appliances and all associated costs; and diagnosis and treatment for the teeth, jaw or gums such as:
 - Removing, restoring, or replacing teeth;
 - Medical care or surgery for dental problems (unless listed as a Covered Service in this Booklet);
 - Services to help dental clinical outcomes.

Dental treatment for injuries that are a result of biting or chewing is also excluded, unless the chewing or biting results from a medical or mental condition.

This Exclusion does not apply to services that we must cover by law.

- 26) **Drugs Contrary to Approved Medical and Professional Standards** Drugs given to you or prescribed in a way that is against approved medical and professional standards of practice.
- 27) **Drugs Over Quantity or Age Limits** Drugs which are over any quantity or age limits set by the Plan or us.
- 28) **Drugs Over the Quantity Prescribed or Refills After One Year** Drugs in amounts over the quantity prescribed, or for any refill given more than one year after the date of the original Prescription Order.
- 29) **Drugs Prescribed by Providers Lacking Qualifications/Registrations/Certifications** Prescription Drugs prescribed by a Provider that does not have the necessary qualifications, registrations, and/or certifications, as determined by us.
- 30) **Drugs That Do Not Need a Prescription** Drugs that do not need a prescription by federal law (including Drugs that need a prescription by state law, but not by federal law), except for injectable insulin or other Drugs provided in the Preventive Care paragraph of the "Benefits/Coverage (What is Covered)" section.
- 31) **Educational Services** Services, supplies or room and board for teaching, vocational, or self-training purposes, except as listed in this Booklet. This includes but is not limited to boarding schools and/or the room and board and educational components of a residential program where the primary focus of the program is educational in nature rather than treatment based.
- 32) Emergency Room Services for non-Emergency Care Services provided in an emergency room for conditions that do not meet the definition of Emergency. This includes, but is not limited to, suture removal, routine pregnancy test, sore throat, earache/infection, rashes, sprains/strains, constipation, diarrhea, upper respiratory illness, abrasions, sleep disorder, conjunctivitis/pink eye, back pain that is not sudden and severe in onset, or dental caries/cavity in an emergency room. For non-emergency care please use the closest network Urgent Care Center or your Primary Care Physician.
- 33) **Experimental or Investigational Services** Services or supplies that we find are Experimental / Investigational. This also applies to services related to Experimental / Investigational services, whether you get them before, during, or after you get the Experimental / Investigational service or supply.

The fact that a service or supply is the only available treatment will not make it Covered Service if we conclude it is Experimental / Investigational.

- 34) **Eyeglasses and Contact Lenses** Eyeglasses and contact lenses to correct your eyesight unless listed as covered in this Booklet. This Exclusion does not apply to lenses needed after a covered eye surgery.
- 35) **Eye Exercises** Orthoptics and vision therapy.
- 36) **Eye Surgery** Eye surgery to fix errors of refraction, such as near-sightedness. This includes, but is not limited to, LASIK, radial keratotomy or keratomileusis, and excimer laser refractive keratectomy.
- 37) **Family Members** Services prescribed, ordered, referred by or given by a member of your immediate family, including your spouse, child, brother, sister, parent, in-law, or self.
- 38) **Foot Care** Routine foot care unless Medically Necessary. This Exclusion applies to care for flat feet, subluxations, cutting or removing corns and calluses; trimming nails; cleaning and preventive foot care, including but not limited to:
 - a) Cleaning and soaking the feet.
 - b) Applying skin creams to care for skin tone.
 - c) Other services that are given when there is not an illness, injury or symptom involving the foot.
- 39) **Foot Orthotics** Foot orthotics, orthopedic shoes or footwear or support items unless used for a systemic illness affecting the lower limbs, such as severe diabetes.
- 29) **Foot Surgery** Surgical treatment of flat feet; subluxation of the foot; weak, strained, unstable feet; tarsalgia; metatarsalgia; hyperkeratoses.
- 40) **Fraud, Waste, Abuse, and Other Inappropriate Billing** Services from an Out-of-Network Provider that are determined to be not payable as a result of fraud, waste, abuse or inappropriate billing activities. This includes an Out-of-Network Provider's failure to submit medical records required to determine the appropriateness of a claim.
- 41) Free Care Services you would not have to pay for if you didn't have this Plan. This includes, but is not limited to government programs, services during a jail or prison sentence, services you get from Workers Compensation, and services from free clinics.
 - If your Group is not required to have Workers Compensation coverage, this Exclusion does not apply. This Exclusion will apply if you get the benefits in whole or in part. This Exclusion also applies whether or not you claim the benefits or compensation, and whether or not you get payments from any third party.
- 42) **Growth Hormone Treatment** Any treatment, device, drug, service or supply (including surgical procedures, devices to stimulate growth and growth hormones), solely to increase or decrease height or alter the rate of growth.
- 43) **Health Club Memberships and Fitness Services** Health club memberships, workout equipment, charges from a physical fitness or personal trainer, or any other charges for activities, equipment, or facilities used for physical fitness, even if ordered by a Doctor. This Exclusion also applies to health spas.
- 44) **Hearing Aids** Hearing aids or exams to prescribe or fit hearing aids, including bone-anchored hearing aids, unless listed as covered in this Booklet. This Exclusion does not apply to cochlear implants.
- 45) Home Health Care
 - a) Services given by registered nurses and other health workers who are not employees of or working under an approved arrangement with a Home Health Care Provider.
 - b) Food, housing, homemaker services and home delivered meals.
- 46) **Hospital Services Billed Separately** Services rendered by Hospital resident Doctors or interns that are billed separately. This includes separately billed charges for services rendered by employees of Hospitals, labs or other institutions, and charges included in other duplicate billings.

- 48) Infertility Treatment Infertility procedures not specified in this Booklet.
- 49) Lost or Stolen Drugs Refills of lost or stolen Drugs.
- 50) **Maintenance Therapy** Rehabilitative treatment given when no further gains are clear or likely to occur. Maintenance therapy includes care that helps you keep your current level of function and prevents loss of that function, but does not result in any change for the better. This Exclusion does not apply to "Habilitative Services" as described in the "Benefits/Coverage (What is Covered)" section.
- 51) **Massage Therapy** For massage therapy and manipulative techniques or procedures which are not generally accepted in a majority of states' massage therapy licensing boards. Massage therapy supplies including but not limited to lotions.

52) Medical Equipment, Devices, and Supplies

- a) Replacement or repair of purchased or rental equipment because of misuse, or loss/theft.
- b) Surgical supports, corsets, or articles of clothing unless needed to recover from surgery or injury.
- c) Non-Medically Necessary enhancements to standard equipment and devices.
- d) Supplies, equipment and appliances that include comfort, luxury, or convenience items or features that exceed what is Medically Necessary in your situation. Reimbursement will be based on the Maximum Allowed Amount for a standard item that is a Covered Service, serves the same purpose, and is Medically Necessary. Any expense that exceeds the Maximum Allowed Amount for the standard item which is a Covered Service is your responsibility.
- e) Disposable supplies for use in the home such as bandages, gauze, tape, antiseptics, dressings, ace-type bandages, and any other supplies, dressings, appliances or devices that are not specifically listed as covered in the "Benefits/Coverage (What is Covered)" section.
- f) Continuous glucose monitoring systems. These are covered under the Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy.
- 53) **Medicare** For which benefits are payable under Medicare Parts A and/or B, or would have been payable if you had applied for Parts A and/or B, except as listed in this Booklet or as required by federal law, as described in the section titled "Medicare" in "General Policy Provisions". If you do not enroll in Medicare Part B when you are eligible, you may have large out-of-pocket costs. Please refer to www.Medicare.gov for more details on when you should enroll and when you are allowed to delay enrollment without penalties.
- 54) Missed or Cancelled Appointments Charges for missed or cancelled appointments.
- 55) Non-approved Drugs Drugs not approved by the FDA.
- 56) Non-approved Facility Services from a Provider that does not meet the definition of Facility.
- 57) **Non-Medically Necessary Services** Services we conclude are not Medically Necessary. This includes services that do not meet our medical policy, clinical coverage, or benefit policy guidelines. Emergency medical care is not subject to this exclusion as long as such care meets the definition of Emergency medical care, see "Emergency Care" under the "Benefits/Coverage (What Is Covered)" section of this Booklet.
- 58) **Nutritional or Dietary Supplements** Nutritional and/or dietary supplements, except as described in this Booklet or that we must cover by law. This Exclusion includes, but is not limited to, nutritional formulas and dietary supplements that you can buy over the counter and those you can get without a written Prescription or from a licensed pharmacist.
- 59) Off label use Off label use unless we must cover it by law or if we approve it.
- 60) **Oral Surgery** Extraction of teeth, surgery for impacted teeth, and other oral surgeries to treat the teeth, jaw or bones and gums directly supporting the teeth, except as listed in this Booklet.

- 61) **Out-of-Network Care** Services from a Provider that is not in our network. This does not apply to Emergency Care, Urgent Care or Authorized Services.
- 62) Pain Intractable Pain and/or Chronic Pain.
- 63) Personal Care, Convenience and Mobile/Wearable Devices
 - a) Items for personal comfort, convenience, protection, cleanliness such as air conditioners, humidifiers, water purifiers, dehumidifiers, sports helmets, raised toilet seats, shower chairs, special lighting or other environmental modifiers, wristlets, augmentative communication devices, surgical supports, and corsets or other articles of clothing.

- Eyeglass lenses, frames, or contact lenses.
- Safety glasses and accompanying frames.
- For two pairs of glasses in lieu of bifocals.
- Plano lenses (lenses that have no refractive power).
- Lost or broken lenses or frames if the Member has already received benefits during a Benefit Period.
- Vision services not listed as covered in this Booklet.
- Cosmetic lenses or options.
- Blended lenses.
- Oversize lenses.
- Sunglasses and accompanying frames.
- For services or supplies combined with any other offer, coupon or in-store advertisement.
- For Members through age 18, no benefits are available for frames or contact lenses not on the Anthem formulary.
- Certain frames in which the manufacturer imposes a no discount policy.
- 79) **Waived Cost-Shares Out-of-Network** For any service for which you are responsible under the terms of this Plan to pay a Copayment, Coinsurance or Deductible, and the Copayment, Coinsurance or Deductible is waived by an Out-of-Network Provider.
- 80) **Weight Loss Programs** Programs, whether or not under medical supervision, unless listed as covered in this Booklet.
 - This Exclusion includes, but is not limited to, commercial weight loss programs (Weight Watchers, Jenny Craig, LA Weight Loss) and fasting programs.
- 81) **Weight Loss Surgery** Bariatric surgery. This includes but is not limited to Roux-en-Y (RNY), Laparoscopic gastric bypass surgery or other gastric bypass surgery (surgeries lower stomach capacity and divert partly digested food from the duodenum to the jejunum, the section of the small intestine extending from the duodenum), or Gastroplasty, (surgeries that reduce stomach size), or gastric banding procedures.

82) Wilderness or other outdoor camps and/or programs.

What's Not Covered Under Your Prescription Drug Retail or Home Delivery (Mail Order) Pharmacy Benefit

In addition to the above Exclusions, certain items are not covered under the Prescription Drug Retail or Home Delivery (Mail Order) Pharmacy benefit:

- 1. **Administration Charges** Charges for the administration of any Drug except for covered immunizations as approved by us or the PBM.
- 2. **Charges Not Supported by Medical Records** Charges for pharmacy services not related to conditions, diagnoses, and/or recommended medications described in your medical records.

- 22. Lost or Stolen Drugs Refills of lost or stolen Drugs.
- 23. **Mail Order Providers other than the PBM's Home Delivery Mail Order Provider** Prescription Drugs dispensed by any Mail Order Provider other than the PBM's Home Delivery Mail Order Provider, unless we must cover them by law.
- 24. **Non-approved Drugs** Drugs not approved by the FDA.
- 25. **Non-Medically Necessary Services** Services we conclude are not Medically Necessary. This includes services that do not meet our medical policy, clinical coverage, or benefit policy guidelines.
- 26. **Nutritional or Dietary Supplements** Nutritional and/or dietary supplements, except as described in this Booklet or that we must cover by law. This Exclusion includes, but is not limited to, nutritional formulas and dietary supplements that you can buy over the counter and those you can get without a written Prescription or from a licensed pharmacist.
- 27. Off label use Off label use, unless we must cover the use by law or if we, or the PBM, approve it.
- 28. **Onychomycosis Drugs** Drugs for Onychomycosis (toenail fungus) except when we allow it to treat Members who are immuno-compromised or diabetic.
- 29. Out-of-Network Care Services from a Pharmacy that is not in our network.
- 30. **Over-the-Counter Items** Drugs, devices and products, or Prescription Drugs with over the counter equivalents and any Drugs, devices or products that are therapeutically comparable to an over the counter Drug, device, or product may not be covered, even if written as a Prescription. This includes Prescription Drugs when any version or strength becomes available over the counter.
 - This Exclusion does not apply to over-the-counter products that we must cover as a "Preventive Care" benefit under federal law with a Prescription.

- 31. **Sexual Dysfunction Drugs** Drugs to treat sexual or erectile problems.
- 32. **Syringes** Hypodermic syringes except when given for use with insulin and other covered self-injectable Drugs and medicine.
- 33. Weight Loss Drugs Any Drug mainly used for weight loss.

Section 9. Member Payment Responsibility

Your Cost-Shares

Your Plan may involve Copayments, Deductibles, and/or Coinsurance, which are charges that you must pay when receiving Covered Services. Your Plan may also have an Out-of-Pocket Limit, which limits the cost-shares you must pay. Please read the "Schedule of Benefits (Who Pays What)" for details on your cost-shares. Also read the "Definitions" section for a better understanding of each type of cost share.

Maximum Allowed Amount

General

This section describes how we determine the amount of reimbursement for Covered Services. Reimbursement for services rendered by In-Network Providers is based on this Booklet's Maximum Allowed Amount for the Covered Service that you receive. Please see "Inter-Plan Arrangement's" in the "Claims Procedure (How to File a Claim)" section for additional information.

The Maximum Allowed Amount for this Booklet is the maximum amount of reimbursement we will allow for services and supplies:

- That meet our definition of Covered Services, to the extent such services and supplies are covered under your Booklet and are not excluded,
- That are Medically Necessary, and
- That are provided in accordance with all applicable preauthorization, utilization management or other requirements set forth in your Booklet.

You will be required to pay a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Copayment or Coinsurance.

Generally, services received from an Out-of-Network Provider under this product are not covered except for Emergency Care, Urgent Care, or when allowed as a result of a Referral by us.

When you receive Covered Services from a Provider, we will, to the extent applicable, apply claim processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and, among other things, determine the accuracy and appropriateness of the procedure and diagnosis codes included in the claim. Applying these rules may affect our determination of the Maximum Allowed Amount. Our application of these rules does not mean that the Covered Services you received were not Medically Necessary. It means we have determined that the claim was submitted inconsistent with procedure coding rules and/or reimbursement policies. For example, your Provider may have submitted the claim using several procedure codes when there is a single procedure code that includes all of the procedures that were performed. When this occurs, the Maximum Allowed Amount will be based on the single procedure code rather than a separate Maximum Allowed Amount for each billed code.

Likewise, when multiple procedures are performed on the same day by the same Doctor or other healthcare professional, we may reduce the Maximum Allowed Amounts for those secondary and subsequent procedures because reimbursement at 100% of the Maximum Allowed Amount for those procedures would represent duplicative payment for components of the primary procedure that may be considered incidental or inclusive.

Provider Network Status

The Maximum Allowed Amount may vary depending upon whether the Provider is an In-Network Provider or an Out-of-Network Provider.

An In-Network Provider is a Provider who is in the managed network for this specific product or in a special Centers of Medical Excellence or other closely managed specialty network, or who has a participation contract with us. For Covered Services performed by an In-Network Provider, the Maximum

Allowed Amount for this Booklet is the rate the Provider has agreed with us to accept as reimbursement for the Covered Services. Because In-Network Providers have agreed to accept the Maximum Allowed Amount as payment in full for those Covered Services, they should not send you a bill or collect for amounts above the Maximum Allowed Amount. However, you may receive a bill or be asked to pay all or a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Copayment or Coinsurance. Please call Member Services for help in finding an In-Network Provider or visit www.anthem.com.

Providers who have not signed any contract with us and are not in any of our networks are Out-of-Network Providers, subject to Blue Cross Blue Shield Association rules governing claims filed by certain ancillary providers. If you use an Out-of-Network Provider, your entire claim will be denied except for Emergency Care, or unless the services are approved by us as result of a Referral.

Except for Surprise Billing Claims, we will calculate the Maximum Allowed Amount for Covered Services you receive from an Out-of-Network Provider for the services approved as a Referral, using one of the following:

- 1. An amount based on our managed care fee schedules used with In-Network Providers, which we reserve the right to modify from time to time; or
- 2. An amount based on reimbursement or cost information from the Centers for Medicare and Medicaid Services ("CMS"). When basing the Maximum Allowed amount upon the level or method of reimbursement used by CMS, Anthem will update such information, which is unadjusted for geographic locality, no less than annually; or
- 3. An amount based on information provided by a third party vendor, which may reflect one or more of the following factors: (1) the complexity or severity of treatment; (2) level of skill and experience required for the treatment; or (3) comparable Providers' fees and costs to deliver care; or
- 4. An amount negotiated by us or a third-party vendor which has been agreed to by the Provider. This may include rates for services coordinated through case management; or
- 5. An amount based on or derived from the total charges billed by the Out-of-Network Provider; or
- 6. An amount required by applicable law.

Providers who are not contracted for this product, but are contracted for other products with us are also considered Out-of-Network. For this Booklet, the Maximum Allowed Amount for services from these Providers will be one of the six methods shown above unless the contract between us and that Provider specifies a different amount or if your claim involves a Surprise Billing Claim.

For Covered Services rendered outside HMO Colorado's Service Area by Out-of-Network Providers, for Emergency or Urgent Care claims may be priced using the local Blue Cross Blue Shield plan's non-participating provider fee schedule / rate or the pricing arrangements required by applicable state or federal law. In certain situations, the Maximum Allowed Amount for out of area claims may be based on billed charges, the pricing we would use if the healthcare services had been obtained within the HMO Colorado Service Area, or a special negotiated price.

Except when you get Covered Services from an Out-of-Network Provider at an In-Network Facility in Colorado (and you did not knowingly choose the Out-of-Network Provider), or except when you get Covered Emergency Services from an Out-of-Network Provider at a Facility in Colorado, or unless your claim involves a Surprise Billing Claim, an Out-of-Network Providers may send you a bill and collect for the amount of the Provider's charge that exceeds our Maximum Allowed Amount. You are responsible for paying the difference between the Maximum Allowed Amount and the amount the Provider charges. This amount can be significant. Please call Member Services for help in finding an In-Network Provider or visit our website at www.anthem.com.

Member Services is also available to assist you in determining this Booklet's Maximum Allowed Amount for a particular service from an Out-of-Network Provider. In order for us to assist you, you will need to obtain from your Provider the specific procedure code(s) and diagnosis code(s) for the services the Provider will render. You will also need to know the Provider's charges to calculate your Out-of-Pocket

responsibility. Although Member Services can assist you with this pre-service information, the final Maximum Allowed Amount for your claim will be based on the actual claim submitted by the Provider.

For Prescription Drugs, the Maximum Allowed Amount is the amount determined by us using Prescription Drug cost information provided by the Pharmacy Benefits Manager.

Member Cost Share

For certain Covered Services and depending on your Plan design, you may be required to pay a part of the Maximum Allowed Amount as your cost share amount (for example, Deductible, Copayment, and/or Coinsurance).

We will not provide any reimbursement for non-Covered Services. You may be responsible for the total amount billed by your Provider for non-Covered Services, regardless of whether such services are performed by an In-Network or Out-of-Network Provider. Non-covered services include services specifically excluded from coverage by the terms of your Plan and received after benefits have been exhausted. Benefits may be exhausted by exceeding, for example, benefit caps or day/visit limits.

When you receive Covered Services for Emergency Care, usually the most you can be billed is your Plan's In-Network cost-sharing amounts, which are Copayments, Deductibles, and/or Coinsurance. You cannot be balanced-billed for any other amount. This includes both the Emergency Facility and any providers you may see for Emergency Care.

You have the right to request that In-Network Providers perform all Covered Services. If you receive Covered Services in an In-Network Provider Facility in Colorado from an Out-of-Network Provider, such as a radiologist, anesthesiologist or pathologist, and you did not knowingly choose the Out-of-Network Provider, you will pay the In-Network cost sharing levels for those Covered Services and will not have to pay the difference between the Out-of-Network Provider's charges and the Maximum Allowed Amount. The Facility must tell you if you are at an Out-of-Network or at an In-Network location that is using Out-of-Network Providers. The Facility must also tell you what types of services may be provided by any Out-of-Network Provider.

Authorized Services

In some circumstances, such as where there is no In-Network Provider available, or if we don't have an In-Network Provider within a reasonable number of miles from your home, for the Covered Service, we may authorize the In-Network cost share amounts (Deductible, Copayment, and/or Coinsurance) to apply to a claim for a Covered Service you receive from an Out-of-Network Provider. In such circumstances, you must contact us in advance of obtaining the Covered Service. If approved, we will pay the Out-of-Network Provider at the In-Network level of benefits and you won't need to pay more for the services than if the services had been received from an In-Network Provider. A Precertification or preauthorization is not the same thing as an Authorized Service; we must specifically authorize the service from an Out-of-Network Provider at the In-Network cost share amounts.

Sometimes you may need to travel a reasonable distance to get care from an In-Network Provider. This does not apply if care is for an Emergency.

The following are examples for illustrative purposes only; the amounts shown may be different than this Booklet's cost share amounts; see your "Schedule of Benefits (Who Pays What)" for your applicable amounts.

Example:

You require the services of a specialty Provider; but there is no In-Network Provider for that specialty in your state of residence. You contact us in advance of receiving any Covered Services, and we authorize you to go to an available Out-of-Network Provider for that Covered Service and we agree that the In-Network cost share will apply.

Your Plan has a \$25 Copayment for In-Network Providers for the Covered Service. The Out-of-Network Provider's charge for this service is \$500. The Maximum Allowed Amount is \$200.

Because we have authorized the In-Network cost share amount to apply in this situation, you will be responsible for the In-Network Copayment of \$25 and we will be responsible for the remaining \$475.

Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

Claims Review

HMO Colorado has processes to review claims before and after payment to detect fraud, waste, abuse and other inappropriate activity. Members seeking emergency services, or other services authorized by us according to the terms of this Plan from Out-of-Network Providers could be balance billed by the Out-of-Network Provider for those services that are determined to be not payable as a result of these review processes. A claim may also be determined to be not payable due to a Provider's failure to submit medical records with the claims that are under review in these processes.

Section 10. Claims Procedure (How to File a Claim)

This section describes how we reimburse claims and what information is needed when you submit a claim. When you receive care from an In-Network Provider, you do not need to file a claim because the In-Network Provider will do this for you. Please remember that this Plan will not provide benefits for services from Out-of-Network Providers unless the claim is for Emergency and Urgent Care or for services approved in advance by HMO Colorado as an Authorized Service.

Notice of Claim & Proof of Loss

After you get Covered Services, we must receive written notice of your claim in order for benefits to be paid.

- In-Network Providers will submit claims for you. They are responsible for ensuring that claims have
 the information we need to determine benefits. If the claim does not include enough information, we
 will ask them for more details, and they will be required to supply those details within certain
 time frames.
- Out-of-Network claims can be submitted by the Provider if the Provider is willing to file on your behalf.
 However, if the Provider is not submitting on your behalf, you will be required to submit the claim.
 Claim forms are usually available from the Provider. If they do not have a claims form, you can send a written request to us, or contact Member Services and ask for a claims form to be sent to you. If you do not receive the claims form, you can still submit written notice of the claim without the claim form.
 The same information that would be given on the claim form must be included in the written notice of claim, including:
 - Name of patient.
 - Patient's relationship with the Subscriber.
 - Identification number.
 - Date, type, and place of service.
 - Your signature and the Provider's signature.

Out-of-Network claims must be submitted within 180 days. In certain cases, state or federal law may allow additional time to file a claim, if you could not reasonably file within the 180 day period. The claim must have the information we need to determine benefits. If the claim does not include enough information, we will ask you for more details and inform you of the time by which we need to receive that information. Once we receive the required information, we will process the claim according to the terms of your Plan.

Please note that failure to submit the information we need by the time listed in our request could result in the denial of your claim, unless state or federal law requires an extension.

Please contact Member Services if you have any questions or concerns about how to submit claims.

Member's Cooperation

You will be expected to complete and submit to us all such authorizations, consents, releases, assignments and other documents that may be needed in order to obtain or assure reimbursement under Medicare, Workers' Compensation or any other governmental program. If you fail to cooperate you will be responsible for any charge for services.

Payment of Benefits

You authorize us to make payments directly to Providers for Covered Services. In no event, however, shall our right to make payments directly to a Provider be deemed to suggest that any Provider is a beneficiary with independent claims and appeal rights under the Plan. Where permitted by applicable law, we reserve the right to make payments directly to you as opposed to any Provider for Covered Service, at our discretion. In the event that payment is made directly to you, you have the responsibility to apply this payment to the claim from the Out-of-Network Provider. Payments and notice regarding the

receipt and/or adjudication of claims may also be sent to an Alternate Recipient (which is defined herein as any child of a Subscriber who is recognized under a "Qualified Medical Child Support Order" as having a right to enrollment under the Group's Plan), or that person's custodial parent or designated representative. Any payments made by us (whether to any Provider for Covered Service or you) will discharge our obligation for Covered Services. You cannot assign your right to receive payment to anyone, except as required by a "Qualified Medical Child Support Order" as defined by, and if subject to, ERISA or any applicable Federal law.

Once a Provider performs a Covered Service, we will not honor a request for us to withhold payment of the claims submitted.

The coverage, rights, and benefits under the Plan are not assignable by any Member without the written consent of the Plan, except as provided above. This prohibition against assignment includes rights to receive payment, claim benefits under the Plan and/or law, sue or otherwise begin legal action, or request Plan documents or any other information that a Participant or beneficiary may request under ERISA. Any assignment made without written consent from the Plan will be void and unenforceable.

Inter-Plan Arrangements

Out-of-Area Services

Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access healthcare services outside the geographic area we serve (the "HMO Colorado Service Area"), the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of the HMO Colorado Service Area, you will receive it from one of two kinds of Providers. Most Providers ("participating providers") contract with the local Blue Cross and/or Blue Shield Plan in that geographic area ("Host Blue"). Some Providers ("nonparticipating providers") don't contract with the Host Blue. We explain below how we pay both kinds of Providers.

HMO Colorado covers only limited healthcare services received outside of the HMO Colorado Service Area. For example, Emergency or Urgent Care obtained outside the HMO Colorado Service Area is always covered. Any other services will not be covered when processed through any Inter-Plan Arrangements, unless authorized by HMO Colorado.

Inter-Plan Arrangements Eligibility - Claim Types

Most claim types are eligible to be processed through Inter-Plan Arrangements, as described above. Examples of claims that are not included are Prescription Drugs that you obtain from a Pharmacy and most dental or vision benefits.

A. BlueCard® Program

Under the BlueCard[®] Program, when you receive Covered Services within the geographic area served by a Host Blue, we will still fulfill our contractual obligations. But, the Host Blue is responsible for: (a) contracting with its Providers; and (b) handling its interactions with those Providers.

When you receive Covered Services outside the HMO Colorado Service Area and the claim is processed through the BlueCard Program, the amount you pay is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to us.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the Provider. Sometimes, it is an estimated price that takes into account special arrangements with that Provider. Sometimes, such an arrangement may be an average price, based on a discount that results in

expected average savings for services provided by similar types of Providers. Estimated and average pricing arrangements may also involve types of settlements, incentive payments and/or other credits or charges.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we used for your claim because they will not be applied after a claim has already been paid.

B. Negotiated (non-BlueCard Program) Arrangements

With respect to one or more Host Blues, instead of using the BlueCard Program, HMO Colorado may process your claims for Covered Services through Negotiated Arrangements for National Accounts.

The amount you pay for Covered Services under this arrangement will be calculated based on the lower of either billed charges for Covered Services or the negotiated price (refer to the description of negotiated price under Section A. BlueCard Program) made available to HMO Colorado by the Host Blue.

C. Special Cases: Value-Based Programs

BlueCard® Program

If you receive Covered Services under a Value-Based Program inside a Host Blue's Service Area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to HMO Colorado through average pricing or fee schedule adjustments. Additional information is available upon request.

Value-Based Programs: Negotiated (non-BlueCard Program) Arrangements

If HMO Colorado has entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the Plan on your behalf, HMO Colorado will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

D. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax, or other fee. If applicable, we will include any such surcharge, tax, or other fee as part of the claim charge passed on to you.

E. Nonparticipating Providers Outside Our Service Area

1. Allowed Amounts and Member Liability Calculation

When Covered Services are provided outside of HMO Colorado's Service Area by non-participating providers, we may determine benefits and make payment based on pricing from either the Host Blue or the pricing arrangements required by applicable state or federal law. In these situations, the amount you pay for such services as Deductible, Copayment or Coinsurance will be based on that allowed amount. Also, you may be responsible for the difference between the amount that the non-participating provider bills and the payment we will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network Emergency services.

2. Exceptions

In certain situations, we may use other pricing methods, such as billed charges or the pricing we would use if the healthcare services had been obtained within the HMO Colorado Service Area, or a special negotiated price to determine the amount we will pay for services provided by nonparticipating providers. In these situations, you may be liable for the difference between the amount that the nonparticipating provider bills and the payment we make for the Covered Services as set forth in this paragraph.

F. Blue Cross Blue Shield Global Core® Program

If you plan to travel outside the United States, call Member Services to find out your Blue Cross Blue Shield Global Core® benefits. Benefits for services received outside of the United States may be different

from services received in the United States. The Plan only covers Emergency, including ambulance, and Urgent Care outside of the United States. Remember to take an up to date health ID Card with you.

When you are traveling abroad and need medical care, you can call the Blue Cross Blue Shield Global Core® Service Center any time. They are available 24 hours a day, seven days a week. The toll free number is 800-810-2583. Or you can call them collect at 804-673-1177.

Keep in mind, if you need Emergency medical care, go to the nearest hospital. There is no need to call before you receive care.

Please refer to the "How to Access Your Services and Obtain Approval of Benefits" section in this Booklet for further information.

How Claims are Paid with Blue Cross Blue Shield Global Core®

In most cases, when you arrange inpatient hospital care with Blue Cross Blue Shield Global Core[®], claims will be filed for you. The only amounts that you may need to pay up front are any Copayment, Coinsurance or Deductible amounts that may apply.

You will typically need to pay for the following services up front:

- Doctors services.
- Inpatient hospital care not arranged through Blue Cross Blue Shield Global Core®, and
- Outpatient services.

You will need to file a claim form for any payments made up front.

When you need Blue Cross Blue Shield Global Core® claim forms you can get international claims forms in the following ways:

- Call the Blue Cross Blue Shield Global Core® Service Center at the numbers above; or
- Online at <u>www.bcbsglobalcore.com</u>.

You will find the address for mailing the claim on the form.

Section 11. General Policy Provisions

Assignment

The Group cannot legally transfer this Booklet, without obtaining written permission from us. Members cannot legally transfer the coverage. Benefits available under this Booklet are not assignable by any Member without obtaining written permission from us, unless in a way described in the "How to Access Your Services and Obtain Approval of Benefits (Applicable to Managed Care Plans)" and in "Claims Procedure (How to File a Claim)" sections.

Automobile Insurance Provisions

We will coordinate the benefits of this Booklet with the benefits of a complying auto insurance policy.

A complying automobile insurance policy is an auto policy approved by the Colorado Division of Insurance that provides at least the minimum coverage required by law, and one which is subject to the Colorado Auto Accident Reparations Act or Colorado Revised Statutes §§ 10-4-601 et seq. Any state or federal law requiring similar benefits through legislation or regulation is also considered a complying auto policy.

How We Coordinate Benefits with Auto Policies – Your benefits under this Booklet may be coordinated with the coverage's afforded by an auto policy. After any primary coverage's offered by the auto policy are exhausted, including without limitation any no-fault, personal injury protection, or medical payment coverages, we will pay benefits subject to the terms and conditions of this Booklet. If there is more than one auto policy that offers primary coverage, each will pay its maximum coverage before we are liable for any further payments.

You, your representative, agents, and heirs must fully cooperate with us to make sure that the auto policy has paid all required benefits. We may require you to take a physical examination in disputed cases. If there is an auto policy in effect, and you waive or fail to assert your rights to such benefits, this plan will not pay those benefits that could be available under an auto policy.

We may require proof that the auto policy has paid all primary benefits before making any payments under this Booklet. On the other hand, we may but are not required to pay benefits under this Booklet, and later coordinate with or seek reimbursement under the auto policy. In all cases, upon payment, we are entitled to exercise our rights under this Booklet and under applicable law against any and all potentially responsible parties or insurers. In that event, we may exercise the rights found in this section.

What Happens If You Do Not Have Another Policy – We will pay benefits if you are injured while you are riding in or driving a motor vehicle that you own if it is not covered by an auto policy.

Similarly, if not covered by an auto policy, we will also pay benefits for your injuries if as a non-owner or driver, passenger or when walking you were in a motor vehicle accident. In that event, we may exercise the rights found in this section.

Care Coordination

We pay In-Network Providers in various ways to provide Covered Services to you. For example, sometimes we may pay In-Network Providers a separate amount for each Covered Service they provide. We may also pay them one amount for all Covered Services related to treatment of a medical condition. Other times, we may pay a periodic, fixed pre-determined amount to cover the costs of Covered Services. In addition, we may pay In-Network Providers financial incentives or other amounts to help improve quality of care and/or promote the delivery of health care services in a cost-efficient manner or compensate In-Network Providers for coordination of Member care. In some instances, In-Network Providers may be required to make payment to us because they did not meet certain standards. You do not share in any payments made by In-Network Providers to us under these programs.

Clerical Error

A clerical error will never disturb or affect your coverage, as long as your coverage is valid under the rules of the Plan. This rule applies to any clerical error, regardless of whether it was the fault of the Group or us.

Confidentiality and Release of Information

Applicable state and federal law require us to undertake efforts to safeguard your medical information.

For informational purposes only, please be advised that a statement describing our policies and procedures regarding the protection, use and disclosure of your medical information is available on our website and can be furnished to you upon request by contacting our Member Services department.

Obligations that arise under state and federal law and policies and procedures relating to privacy that are referenced but not included in this Booklet are not part of the contract between the parties and do not give rise to contractual obligations.

Conformity with Law

Any term of the Plan which is in conflict with the laws of the state in which the Group Contract is issued, or with federal law, will hereby be automatically amended to conform with the minimum requirements of such laws.

Contract with HMO Colorado

The Group, on behalf of itself and its participants, hereby expressly acknowledges its understanding that this Plan constitutes a Contract solely between the Group and us, HMO Colorado, and that we are an independent corporation licensed to use the Blue Cross and Blue Shield names and marks in the state of Colorado. The Blue Cross Blue Shield marks are registered by the Blue Cross and Blue Shield Association, an association of independently licensed Blue Cross and Blue Shield plans, with the U.S. Patent and Trademark Office in Washington, D.C. and in other countries. Further, we are not contracting as the agent of the Blue Cross and Blue Shield Association or any other Blue Cross and/or Blue Shield plan or licensee. The Group, on behalf of itself and its participants, further acknowledges and agrees that it has not entered into this Contract based upon representations by any person other than HMO Colorado and that no person, entity, or organization other than HMO Colorado shall be held accountable or liable to the Group for any of HMO Colorado's obligations to the Group created under the Contract. This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other terms of this agreement.

Entire Contract

Note: The laws of the state in which the Group Contract is issued will apply unless otherwise stated herein.

This Booklet, any riders, endorsements or attachments, and the individual applications of the Subscriber and Dependents constitute the entire Contract between the Group and us and as of the Effective Date, supersede all other agreements. In addition, the Group has a Group Contract and Group Application which includes terms that apply to this coverage. Any and all statements made to us by the Group and any and all statements made to the Group by us are representations and not warranties. No such statement, unless it is contained in a written application for coverage under this Booklet, shall be used in defense to a claim under this Booklet.

Form or Content of Booklet

No agent or employee of ours is authorized to change the form or content of this Booklet. Changes can only be made through a written authorization, signed by an officer of HMO Colorado. Changes are further noted in "Modifications" below this section.

Government Programs

The benefits under this Plan shall not duplicate any benefits that you are entitled to, or eligible for, under any other governmental program. This does not apply if any particular laws require us to be the primary payor. If we have duplicated such benefits, all money paid by such programs to you for services you have or are receiving, shall be returned by or on your behalf to us.

Medical Policy and Technology Assessment

HMO Colorado reviews and evaluates new technology according to its technology evaluation criteria developed by its medical directors. Technology assessment criteria are used to determine the Experimental / Investigational status or Medical Necessity of new technology. Guidance and external validation of HMO Colorado's medical policy is provided by the Medical Policy and Technology Assessment Committee (MPTAC) which consists of approximately 20 Doctors from various medical specialties including HMO Colorado's medical directors, Doctors in academic medicine and Doctors in private practice.

Conclusions made are incorporated into medical policy used to establish decision protocols for particular diseases or treatments and applied to Medical Necessity criteria used to determine whether a procedure, service, supply or equipment is covered.

Medicare

Any benefits covered under both this Plan and Medicare will be covered according to Medicare Secondary Payor legislation, regulations, and Centers for Medicare & Medicaid Services guidelines, subject to federal court decisions. Federal law controls whenever there is a conflict among state law, Booklet terms, and federal law.

Except when federal law requires us to be the primary payor, the benefits under this Plan for Members age 65 and older, or Members otherwise eligible for Medicare, do not duplicate any benefit for which Members are entitled under Medicare, including Part B. Where Medicare is the responsible payor, all sums payable by Medicare for services provided to you shall be reimbursed by or on your behalf to us, to the extent we have made payment for such services. If you do not enroll in Medicare Part B when you are eligible, you may have large out-of-pocket costs. Please refer to Medicare.gov for more details on when you should enroll, and when you are allowed to delay enrollment without penalties.

Modifications

This Booklet allows the Group to make Plan coverage available to eligible Members. However, this Booklet shall be subject to amendment, modification, and termination in accordance with any of its terms, the Group Contract, or by mutual agreement between the Group and us without the permission or involvement of any Member. Changes will not be effective until the date specified in the written notice we give to the Group about the change. By electing medical and Hospital coverage under the Plan or accepting Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms and conditions in this Booklet.

For employer groups of one to 100, if we amend this Booklet to change benefits, notice of the amendment will be given to the employer no less than 90 days before to the Effective Date of such change and the amendment(s) will be effective for each group on the renewal or anniversary date of the Group Contract.

For all other changes, such as changes due to state or federal law or regulation, we may amend this Booklet when authorized by one of our officers and, to the extent required by law, will provide the Group 60 days' notice of such changes. We will then provide the Group with any amendments within 60 days following the effective date of the amendment. If the Group requests a change that reduces or eliminates coverage, such change must be requested in writing or signed by the Group. The Group will notify you of such change(s) to coverage. We or the Group will later send or make available to you an amendment to this Booklet or a new Booklet.

Network Access Plan

We strive to provide Provider networks in Colorado that addresses your health care needs. The Network Access Plan describes our Provider network standards for network sufficiency in service, access, and availability, as well as assessment procedures we follow in our effort to maintain adequate and accessible networks. To request a copy of this document, call Member Services. This document is also available on our website or for in-person review at 700 Broadway in Denver, Colorado.

Not Liable for Provider Acts or Omissions

We are not responsible for the actual care you receive from any person. This Booklet does not give anyone any claim, right, or cause of action against HMO Colorado based on the actions of a Provider of health care, services, or supplies.

Payment Innovation Programs

We pay In-Network Providers through various types of contractual arrangements. Some of these arrangements – Payment Innovation Programs (Program(s)) – may include financial incentives to help improve quality of care and promote the delivery of health care services in a cost-efficient manner.

These Programs may vary in methodology and subject area of focus and may be modified by us from time to time, but they will be generally designed to tie a certain portion of an In-Network Provider's total compensation to pre-defined quality, cost, efficiency or service standards or metrics. In some instances, In-Network Providers may be required to make payment to us under the Program as a consequence of failing to meet these pre-defined standards.

The Programs are not intended to affect your access to health care. The Program payments are not made as payment for specific Covered Services provided to you, but instead, are based on the In-Network Provider's achievement of these pre-defined standards. You are not responsible for any Copayment or Coinsurance amounts related to payments made by us or to us under the Program(s), and you do not share in any payments made by Network Providers to us under the Program(s).

Policies, Procedures and Pilot Programs

We are able to introduce new policies, procedures, rules and interpretations, as long as they are reasonable. Such changes are introduced to make the Plan more orderly and efficient. Members must follow and accept any new policies, procedures, rules, and interpretations.

Under the terms of the Group Contract, we have the authority, in our sole discretion, to introduce or terminate from time to time, pilot or test programs for disease management, care management, case management, clinical quality, or wellness initiatives that may result in the payment of benefits not otherwise specified in this Booklet. We reserve the right to discontinue a pilot or test program at any time.

Program Incentives

We may offer incentives from time to time, at our discretion, in order to introduce you to covered programs and services available under this Plan. We may also offer, at our discretion, the ability for you to participate in certain voluntary health or condition-focused digital applications or use other technology based interactive tool, or receive educational information in order to help you stay engaged and motivated, manage your health, and assist in your overall health and well-being. The purpose of these incentives include, but are not limited to, making you aware of cost effective benefit options or services, helping you achieve your best health, and encouraging you to update member-related information. These incentives may be offered in various forms such as retailer coupons, gift cards, health related merchandise, and discounts on fees or Member cost shares. Acceptance of these incentives is voluntary as long as Anthem offers the incentives program. Motivational rewards, awards or points for achieving certain milestones may be a feature of the program. We may discontinue a program or an incentive for a particular covered program or service at any time. If you have any questions about whether receipt of an incentive or retailer coupon results in taxable income to you, we recommend that you consult your tax advisor.

Relationship of Parties (Group-Member-HMO Colorado)

The Group is responsible for passing information to you. For example, if we give notice to the Group, it is the Group's responsibility to pass that information to you. The Group is also responsible for passing eligibility data to us in a timely manner. If the Group does not give us timely enrollment and termination information, we are not responsible for the payment of Covered Services for Members.

Relationship of Parties (HMO Colorado and In-Network Providers)

The relationship between HMO Colorado and In-Network Providers is an independent contractor relationship. In-Network Providers are not agents or employees of ours, nor is HMO Colorado, or any employee of HMO Colorado, an employee or agent of In-Network Providers.

Your health care Provider is solely responsible for all decisions regarding your care and treatment, regardless of whether such care and treatment is a Covered Service under this Plan. We shall not be responsible for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by you while receiving care from any In-Network Provider or in any In-Network Provider's Facilities.

Your In-Network Provider's agreement for providing Covered Services may include financial incentives or risk sharing relationships related to the provision of services or referrals to other Providers, including In-Network Providers, Out-of-Network Providers, and disease management programs. If you have questions regarding such incentives or risk sharing relationships, please contact your Provider or us.

Reservation of Discretionary Authority

This section only applies when the interpretation of this Booklet is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.

We, or anyone acting on our behalf, shall determine the administration of benefits and eligibility for participation in such a manner that has a rational relationship to the terms set forth herein. However, we, or anyone acting on our behalf, have complete discretion to determine the administration of your benefits. Our determination shall be final and conclusive and may include, without limitation, determination of whether the services, care, treatment, or supplies are Medically Necessary, Experimental / Investigational, whether surgery is cosmetic, and whether charges are consistent with the Maximum Allowed Amount. However, a Member may utilize all applicable complaint and appeals procedures, and where required by applicable law, our determination may be reviewed de novo (as if for the first time) in a later appeal or legal action.

We, or anyone acting on our behalf, shall have all the powers necessary or appropriate to enable us to carry out the duties in connection with the operation and administration of the Plan. This includes, without limitation, the power to construe the Contract, to determine all questions arising under the Booklet and to make, establish and amend the rules, regulations, and procedures with regard to the interpretation and administration of the provisions of this Plan. However, these powers shall be exercised in such a manner that has reasonable relationship to the provisions of the Contract, the Booklet, Provider agreements, and applicable state or federal laws. A specific limitation or exclusion will override more general benefit language.

Right of Recovery and Adjustment

Whenever payment has been made in error, we will have the right to recover such payment from you or, if applicable, the Provider, or otherwise make appropriate adjustment to claims. In most instances such recovery or adjustment activity shall be limited to the calendar year in which the error is discovered.

We have oversight responsibility for compliance with Provider and vendor contracts. We may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a Provider or vendor resulting from these audits if the return of the overpayment is not feasible. Additionally, we have established recovery and adjustment policies to determine which recoveries and adjustments are to be pursued, when to incur costs and expenses and settle or compromise recovery or adjustment amounts. We will not pursue recoveries for overpayments or adjustments for underpayments

if the cost of the activity exceeds the overpayment or underpayment amount. We reserve the right to deduct or offset including cross plan offsetting on In-Network claims and on Out-of-Network claims where the Out-of-Network Provider agrees to cross plan offsetting, any amounts paid in error from any pending or future claim.

Unauthorized Use of Identification Card

If you permit your Identification Card to be used by someone else or if you use the card before coverage is in effect or after coverage has ended, you will be liable for payment of any expenses incurred resulting from the unauthorized use. Fraudulent misuse could also result in termination of the coverage.

Value-Added Programs

We may offer health or fitness related programs to our Members, through which you may access discounted rates from certain vendors for products and services available to the general public. Products and services available under this program are not Covered Services under your Plan but are in addition to Plan benefits. As such, program features are not guaranteed under your health Plan Contract and could be discontinued at any time. We do not endorse any vendor, product or service associated with this program. Program vendors are solely responsible for the products and services you receive.

Value of Covered Services

For purposes of subrogation, reimbursement of excess benefits, or reimbursement under any Workers' Compensation or Employer Liability Law, the value of Covered Services shall be the amount we paid for the Covered Services.

Voluntary Clinical Quality Programs

We may offer additional opportunities to assist you in obtaining certain covered preventive or other care (e.g., well child check-ups or certain laboratory screening tests) that you have not received in the recommended timeframe. These opportunities are called voluntary clinical quality programs. They are designed to encourage you to get certain care when you need it and are separate from Covered Services under your Plan. These programs are not guaranteed and could be discontinued at any time. We will give you the choice and if you choose to participate in one of these programs, and obtain the recommended care within the program's timeframe, you may receive incentives such as gift cards or retailer coupons, which we encourage you to use for health and wellness related activities or items. Under other clinical quality programs, you may receive a home test kit that allows you to collect the specimen for certain covered laboratory tests at home and mail it to the laboratory for processing. You may also be offered a home visit appointment to collect such specimens and complete biometric screenings. You may need to pay any cost shares that normally apply to such covered laboratory tests (e.g., those applicable to the laboratory processing fee) but will not need to pay for the home test kit or the home visit. If you have any questions about whether receipt of a gift card or retailer coupon results in taxable income to you, we recommend that you consult your tax advisor.

Voluntary Wellness Incentive Programs

We may offer health or fitness related program options for selection by your Group to help you achieve your best health. These programs are not Covered Services under your Plan, but are separate components, which are not guaranteed under this Plan and could be discontinued at any time. If your Group has selected one of these options to make available to all employees, you may receive incentives such as gift cards by participating in or completing such voluntary wellness promotion programs as health assessments, weight management or tobacco cessation coaching. Under other options a Group may select, you may receive such incentives by achieving specified standards based on health factors under wellness programs that comply with applicable law. If you think you might be unable to meet the standard, you might qualify for an opportunity to earn the same reward by different means. You may contact us at the Member Services number on your ID Card and we will work with you (and, if you wish, your Doctor) to find a wellness program with the same reward that is right for you in light of your health status. (If you receive a gift card as a wellness reward and use it for purposes other than for qualified

medical expenses, this may result in taxable income to you. For additional guidance, please consult your tax advisor.)

Waiver

No agent or other person, except an authorized officer of HMO Colorado, is able to disregard any conditions or restrictions contained in this Booklet, to extend the amount of time for making a payment to us, or to bind us by making any promise or representation or by giving or receiving any information.

Workers' Compensation

The benefits under this Plan are not designed to duplicate benefits that you are eligible for under Workers' Compensation Law. All money paid or owed by Workers' Compensation for services provided to you shall be paid back by you, or on your behalf, to us if we have made or make payment for the services received. Services and supplies due to illness or injury related to your work are not a benefit under this Booklet, except for officers of the company who have opted out of workers' compensation before the illness or injury. It is understood that coverage under this Plan does not replace or affect any Workers' Compensation coverage requirements.

Subrogation and Reimbursement

This section applies when we pay benefits as a result of injuries or illness and another party or party (ies) agrees or is ordered to pay money because of these injuries or when the Member received or is entitled to receive a recovery because of these injuries or illnesses. Recovery is money the Member, the Member's legal representative, or beneficiary receives whether by settlement, verdict, judgment, order or by some other monetary award or determination, from another, their insurer, or from any uninsured motorist, underinsured motorist, medical payments, personal injury protection, or any other insurance coverage, to compensate the Member as a result of bodily injury or illness to the Member. Regardless of how the Member, the Member's legal representative, or beneficiary or any agreement may characterize the money received, it shall be subject to this Subrogation and Reimbursement section of this Booklet.

Reimbursement or subrogation under this Booklet may only be permitted if you have been fully compensated, and, the amount recoverable by us may be reduced by a proportionate share of your attorney fees and costs, if state law so requires.

Subrogation

We have the right to recover payments we make on your behalf. The following apply:

- If you have been fully compensated, we have a lien against all or a portion of the benefits that have been paid to you from the following parties, including, but not limited to, the party or parties who caused the injuries or illness, the insurer or other indemnifier of the party or parties who caused the injuries or illness, a guarantor of the party or parties who caused the injuries or illness, your own insurer (for example, uninsured, underinsured, medical payments or no-fault coverage, or a worker's compensation insurer), or any other person, entity, policy or plan that may be liable or legally responsible in relation to the injuries or illness. However, our recovery cannot exceed the amount actually paid by us under this Booklet as it relates to the injuries or illness that are the subject of the subrogation action; and
- You and your legal representative must do whatever is necessary to enable us to exercise our rights and do nothing to prejudice them. If you have not pursued a claim against a third party allegedly at fault for your injuries by the date that is sixty (60) days before to the date on which the applicable statute of limitations expires, we have a right to bring legal action against the at-fault party.

Reimbursement

If you, a person who represents your legal interest, or beneficiary have been fully compensated and we have not been repaid for the health insurance benefits we paid on the Member's behalf, we shall have a right to be repaid from the recovery in the amount of the health insurance benefits we paid on your behalf and the following apply:

- You must promptly reimburse us to the extent of the health insurance benefits we paid on the Member's behalf from any recovery, including, but not limited to, the party or parties who caused the injuries or illness, the insurer or other indemnifier of the party or parties who caused the injuries or illness, a guarantor of the party or parties who caused the injuries or illness, your own insurer (for example, underinsured, medical payments, or a worker's compensation insurer), or any other person, entity, policy or plan that may be liable or legally responsible in relation to the injuries or illness;
- Notwithstanding any allocation made in a settlement agreement or court order, we shall have a right
 of reimbursement; and
- You, a person who represents your legal interest, or beneficiary must hold in trust for us right away
 the amount recovered in gross that is to be paid to us, and that amount must not be dissipated or
 spent until we have been repaid in accordance with these provisions. The amount recovered in gross
 is the total amount of your recovery reduced by your lawyer fees and costs.

The Member's Duties

- You, a person who represents your legal interest, or beneficiary must tell us right away the how, when
 and where an accident or event that resulted in your injury or illness. We must find out what
 happened and get all the details about the parties involved,
- You, a person who represents your legal interest, or beneficiary must work with us in investigating, settling and protecting rights,
- You, a person who represents your legal interest, or beneficiary must send us copies of all police reports, notices or other papers received in connection with the accident or incident resulting in personal injury or illness,
- You, a person who represents your legal interest, or beneficiary must promptly notify us if you retain an attorney or if a lawsuit is filed,
- You, a person who represents your legal interest, or beneficiary must immediately notify us if a trial begins or a settlement occurs,
- If you, a person who represents your legal interest, or beneficiary gets a recovery that is less than the sum of all your damages incurred by you, you are required to tell us within 60 days of your receipt of the recovery. The notice to us must include:
 - Total amount and source of the recovery,
 - Coverage limits applicable to any available insurance policy, contract, or benefit plan, and
 - The amount of any costs charged to you.
- If we receive your notice that you have not been fully paid, we have the right to dispute that determination.
- If we dispute whether your recovery is less than the sum of all your damages, such dispute must be resolved through arbitration, and
- If you, a person who represents your legal interest, or beneficiary resides in a state where automobile
 personal injury protection or medical payment coverage is mandatory, that coverage is primary, and
 the Booklet takes secondary status. The Booklet will reduce benefits for an amount equal to, but not
 less than, that state's mandatory minimum personal injury protection or medical payment
 requirement.

Coordination of This Group Contract's Benefits With Other Benefits

This coordination of benefits (COB) provision applies when you have health care coverage under more than one Plan as defined below.

Please note that several terms specific to this provision are listed below. Some of these terms have different meanings in other parts of the Booklet, e.g., Plan. For this provision only, "Plan" will have the

meanings as specified below. In the rest of the Booklet, Plan has the meaning listed in the "Definitions" section.

The order-of-benefit determination rules determine the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary plan. The Primary plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary plan is the Secondary plan. The Secondary plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable expense.

The Allowable expense under COB is generally the higher of the Primary and Secondary Plans' allowable amounts. An Out-of-Network Provider can bill you for any remaining Coinsurance, Deductible and/or Copayment under the higher of the Plans' allowable amounts. This higher allowable amount may be more than Our Maximum Allowed Amount.

COB DEFINITIONS

- A. **Plan** is any of the following that provides benefits or services for medical or dental care or treatment. **f** separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.
 - "Plan" includes: group insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and any other federal governmental plan, as permitted by law.
 - 2. "Plan" does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under 1. or 2. above is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

- B. **This Plan** means, in a COB provision, the part of the contract providing the health care benefits that the COB provision applies to and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.
- C. The order of benefit determination rules determines whether This Plan is "Primary plan" or "Secondary plan" when you have health care coverage under more than one plan.
 - When This Plan is primary, its benefits are determined before those of any other Plan and without considering any other Plan's benefits. When This Plan is secondary, its benefits are determined after those of another Plan and may be reduced because of the Primary plan benefits, so that all Plan benefits do not exceed 100% of the total Allowable expense.
- D. **Allowable expense** is a health care expense, including Deductibles, Coinsurance and Copayments, that is covered at least in part by any Plan covering you. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable expense and a benefit paid. An expense that is not covered by any Plan covering you is not an Allowable expense. In addition, any expense that a Provider by law or in accordance with a contractual agreement is prohibited from charging you is not an Allowable expense.

The following are examples of non-Allowable expenses:

1. The difference between the cost of a semi-private hospital room and a private hospital room is not an Allowable expense, unless one of the Plans provides coverage for private hospital

- room expenses, or your stay is medically necessary in terms of generally accepted medical practice or the Hospital does not have a semi-private room.
- 2. If you are covered by 2 or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable expense.
- 3. If you are covered by 2 or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable expense.
- 4. If you are covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary plan's payment arrangement shall be the Allowable expense for all Plans. However, if the Provider has contracted with the Secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary plan's payment arrangement and if the Provider's contract permits, the negotiated fee or payment will be the Allowable expense used by the Secondary plan to determine its benefits.
- 5. The amount of any benefit reduction by the Primary plan because you have failed to comply with the Plan provisions is not an Allowable expense. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.
- 6. The amount that is subject to the Primary high-deductible health plan's Deductible, if we have been advised by you that all Plans covering you are high-deductible health plans and you intend to contribute to a health savings account established in accordance with Section 223 of the Internal Revenue Code of 1986.
- E. Claim determination period is usually a calendar year, but a Plan may use some other period of time that fits the coverage of the group contract. You are covered by a Plan during a portion of a claim determination period if your coverage starts or ends during the claim determination period. However, it does not include any part of a year during which you have no coverage under This Plan, or before the date this COB provisionor a similar provision takes effect.
- F. Closed panel plan is a Plan that provides health benefits to you primarily in the form of services through a panel of Providers that have contracted with either directly or indirectly or are employed by the Plan, and that limits or excludes benefits for services provided by other Providers, except in cases of emergency or referral by a panel member.
- G. **Custodial parent** is the parent awarded primary custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

ORDER-OF-BENEFIT DETERMINATION RULES

When you are covered by two or more Plans, the rules for determining the order of payment are as follows:

- 1. The Primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
- 2.
- 1) Except as provided in paragraph 2) below, a Plan that does not contain a coordination of benefits provision that is consistent with these rules is always primary unless the provisions of both Plans state that the complying Plan is primary.
- 2) Coverage that is obtained by virtue of membership in a group, and designed to supplement part of the basic package of benefits, may provide supplementary coverage that shall be in excess of any other parts of the Plan provided by the contract holder. Examples of these types of situations are

major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed panel plan to provide Out-of-Network benefits.

- 3. A Plan may consider the benefits paid or provided by another Plan in determining its benefits only when it is secondary to that other Plan.
- 4. Each Plan determines its order-of-benefits using the first of the following rules that apply:
 - 1) Non-Dependent or Dependent. The Plan that covers you as other than as a Dependent, for example as an employee, member, subscriber, or retiree is the Primary plan, and the plan that covers you as a Dependent is the Secondary plan. However, if you are a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering you as a Dependent; and primary to the Plan covering you as other than a Dependent (e.g. a retired employee), then the order-of-benefits between the two Plans is reversed so that the Plan covering you as an employee, member, subscriber or retiree is the Secondary plan and the other plan is the Primary Plan.
 - 2) Dependent Child Covered Under More Than One Plan. Unless there is a court decree stating otherwise, when a Dependent child is covered by more than one Plan the order-of-benefits is determined as follows:
 - a. For a Dependent child whose parents are married or are living together, whether or not they have ever been married:
 - i. The Plan of the parent whose birthday (month and day) falls earlier in the calendar year is the Primary plan; or
 - ii. If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary plan.
 - b. For a Dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - i. If a court decree states that one of the parents is responsible for the Dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree,
 - ii. If a court decree states that both parents are responsible for the Dependent child's health care expenses or health care coverage, the provisions of a, above shall determine the order-of-benefits,
 - iii. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent child, the provisions of a. above shall determine the order-of-benefits,
 - iv. If there is no court decree allocating responsibility for the Dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - The Plan covering the Custodial parent,
 - The Plan covering the spouse of the Custodial parent,
 - The Plan covering the non-custodial parent, and then
 - The Plan covering the spouse of the non-custodial parent.
 - c. For a Dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of a. and b. above will determine the order-of-benefits as if those individuals were the parents of the child.

- 3) Active Employee or Retired or Laid-off Employee. The Plan that covers you as an active employee, that is, an employee who is neither laid off nor retired, is the Primary plan. The Plan covering you as a retired or laid-off employee is the Secondary plan. The same would hold true if you are a Dependent of an active employee and you are a Dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order-of-benefits, this rule is ignored. This rule does not apply if 4. 1) above can determine the order-of-benefits.
- 4) COBRA or State Continuation Coverage. If you are covered under COBRA or under a right of continuation provided by state or other federal law and are covered under another Plan, the Plan covering you as an employee, member, subscriber or retiree or covering you as a Dependent of an employee, member, subscriber or retiree is the Primary plan and the COBRA or state or other federal continuation coverage is the Secondary plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order-of-benefits, this rule is ignored. This rule does not apply if the rule for 4. 1) from above can determine the order of benefits.
- 5) Longer or Shorter Length of Coverage. The Plan that covers you as an employee, member, policyholder, subscriber, or retiree longer is the Primary plan and the plan that covers you for the shorter period of time is the Secondary plan.
- 6) If the preceding rules do not determine the order-of-benefits, the Allowable expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary plan.

EFFECT ON THE BENEFITS OF THIS PLAN

- A. When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Allowable expenses. In determining the amount to be paid for any claim, the Secondary plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable expense under its Plan that is unpaid by the Primary plan. The Secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable expense for that claim. In addition, the Secondary plan shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of the other health care coverage.
- B. If you are enrolled in two or more Closed panel plans and if, for any reason, including the provision of service by a non-panel Provider, benefits are not payable by one Closed panel plan, COB shall not apply between that Plan and other Closed panel plans.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this plan and other plans. We may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under this plan and other plans covering the person claiming benefits. We need not divulge, or get the consent of, any person to do this. Each person claiming benefits under this plan must give us any facts it needs to apply those rules and determine benefits payable.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, we may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by us is more than it should have paid under this COB provision, we may recover the excess from one or more of the persons we have paid or for whom we have paid; or any other person or organization that may be responsible for the benefits or services provided for the covered

person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

Section 12. Termination/Nonrenewal/Continuation

Termination

Except as otherwise provided, your coverage may terminate in the following situations:

- When the Contract between the Group and us terminates. If your coverage is through an association, your coverage will terminate when the Contract between the association and us terminates, or when your Group leaves the association. It will be the Group's responsibility to notify you of the termination of coverage.
- Upon the Subscriber's death.
- If you choose to terminate your coverage. We must receive a 31-day advance notice to end coverage.
 We will credit Premium paid in advance unless we do not receive the cancellation request at least 31-days before the effective date of the cancellation.
- If you or your Dependents cease to meet the eligibility requirements of the Plan, subject to any applicable continuation requirements. If you cease to be eligible, the Group and/or you must notify us immediately. The Group and/or you shall be responsible for payment for any services incurred by you after you cease to meet eligibility requirements.
- If you elect coverage under another carrier's health benefit plan, which is offered by the Group as an option instead of this Plan, subject to the consent of the Group. The Group agrees to immediately notify us that you have elected coverage elsewhere.
- If you perform an act, practice, or omission that constitutes fraud or make an intentional misrepresentation of material fact, as prohibited by the terms of your Plan, your coverage and the coverage of your Dependents can be retroactively terminated or rescinded. A rescission of coverage means that the coverage may be legally voided back to the start of your coverage under the Plan, just as if you never had coverage under the Plan. You will be provided with a 30-calendar day advance notice with appeal rights before your coverage is retroactively terminated or rescinded. You are responsible for paying us for the cost of previously received services based on the Maximum Allowed Amount for such services, less any Copayments made or Premium paid for such services.
- If you fail to pay or fail to make satisfactory arrangements to pay your portion of the Premium, we may terminate your coverage and may also terminate the coverage of your Dependents.
- If you permit the fraudulent use of your or any other Member's Plan Identification Card by any other
 person; use another person's Identification Card; or use an invalid Identification Card to obtain
 services, your coverage will terminate immediately upon our written notice to the Group. Anyone
 involved in the misuse of a Plan Identification Card will be liable to and must reimburse us for the
 Maximum Allowed Amount for services received through such misuse.
- If the Subscriber moves outside of the Service Area and the Subscriber's place of employment is not located within the Service Area.
- If you are a partner to a civil union, recognized domestic partnership, or other relationship recognized as a spousal relationship in the state where the subscriber resides, on the date such union or relationship is revoked or terminated. Also, if there is coverage for designated beneficiaries, on the date a Recorded Designated Beneficiary Agreement is revoked or terminated. Where permitted by law, such a Dependent may be able to seek COBRA or state continuation coverage, subject to the terms of this Booklet.
- When a Dependent no longer qualifies as a Dependent.
- On the date of a final divorce decree or legal separation for dependent spouse.
- When legal custody of a child placed for adoption ends.

You will be notified in writing of the date your coverage ends by either us or the Group.

Removal of Members

Upon written request through the Group, you may cancel your coverage and/or your Dependent's coverage from the Plan. If this happens, no benefits will be provided for Covered Services after the termination date even if we have preauthorized the service, unless the Provider confirmed eligibility within two business days before the service is received.

Continuation of Coverage Under Federal Law (COBRA)

The following applies if you are covered by a Group that is subject to the requirements of the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, as amended.

COBRA continuation coverage can become available to you when you would otherwise lose coverage under your Group's health Plan. It can also become available to other Members of your family, who are covered under the Group's health Plan, when they would otherwise lose their health coverage. For additional information about your rights and duties under federal law, you should contact the Group.

Qualifying events for Continuation Coverage under Federal Law (COBRA)

COBRA continuation coverage is available when your coverage would otherwise end because of certain "qualifying events." After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse and your Dependent children could become qualified beneficiaries if you were covered on the day before the qualifying event and your coverage would be lost because of the qualifying event. Qualified beneficiaries who elect COBRA must pay for this COBRA continuation coverage.

This benefit entitles each Member of your family who is enrolled in the Plan to elect continuation independently. Each qualified beneficiary has the right to make independent benefit elections at the time of annual enrollment. Covered Subscribers may elect COBRA continuation coverage on behalf of their spouses, and parents or legal guardians may elect COBRA continuation coverage on behalf of their children. A child born to, or placed for adoption with, a covered Subscriber during the period of continuation coverage is also eligible for election of continuation coverage.

Qualifying Event	Length of Availability of Coverage
For Subscribers: Voluntary or Involuntary Termination (other than gross misconduct) or Loss of Coverage Under an Employer's Health Plan Due to Reduction In Hours Worked	18 months
For Dependents: A Covered Subscriber's Voluntary or Involuntary Termination (other than gross misconduct) or Loss of Coverage Under an Employer's Health Plan Due to Reduction In Hours Worked Covered Subscriber's Entitlement to Medicare Divorce or Legal Separation Death of a Covered Subscriber	18 months 36 months 36 months 36 months
For Dependent Children: Loss of Dependent Child Status	36 months

COBRA coverage will end before the end of the maximum continuation period listed above if you become entitled to Medicare benefits. In that case a qualified beneficiary — other than the Medicare beneficiary — is entitled to continuation coverage for no more than a total of 36 months. (For example, if you become entitled to Medicare prior to termination of employment or reduction in hours, COBRA continuation coverage for your spouse and children can last up to 36 months after the date of Medicare entitlement.)

If Your Group Offers Retirement Coverage

If you are a retiree under this Plan, filing a proceeding in bankruptcy under Title 11 of the United States Code may be a qualifying event. If a proceeding in bankruptcy is filed with respect to your Group, and that bankruptcy results in the loss of coverage, you will become a qualified beneficiary with respect to the bankruptcy. Your Dependents will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under this Plan. If COBRA coverage becomes available to a retiree and his or her covered family members as a result of a bankruptcy filing, the retiree may continue coverage for life and his or her Dependents may also continue coverage for a maximum of up to 36 months following the date of the retiree's death.

Second qualifying event

If your family has another qualifying event (such as a legal separation, divorce, etc.) during the initial 18 months of COBRA continuation coverage, your Dependents can receive up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months from the original qualifying event. Such additional coverage is only available if the second qualifying event would have caused your Dependents to lose coverage under the Plan had the first qualifying event not occurred.

Notification Requirements

The Group will offer COBRA continuation coverage to qualified beneficiaries only after the Group has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the Subscriber, commencement of a proceeding in bankruptcy with respect to the employer, or the Subscriber's becoming entitled to Medicare benefits (under Part A, Part B, or both), the Group will notify the COBRA Administrator (e.g., Human Resources or their external vendor) of the qualifying event.

You Must Give Notice of Some Qualifying Events

For other qualifying events (e.g., divorce or legal separation of the Subscriber and spouse or a Dependent child's losing eligibility for coverage as a Dependent child), you must notify the Group within 60 days after the qualifying event occurs.

Electing COBRA Continuation Coverage

To continue your coverage, you or an eligible family Member must make an election within 60 days of the date your coverage would otherwise end, or the date the company's benefit Plan Administrator notifies you or your family Member of this right, whichever is later. You must pay the total Premium appropriate for the type of benefit coverage you choose to continue. If the Premium rate changes for active associates, your monthly Premium will also change. The Premium you must pay cannot be more than 102% of the Premium charged for Employees with similar coverage, and it must be paid to the company's benefit plan administrator within 30 days of the date due, except that the initial Premium payment must be made before 45 days after the initial election for continuation coverage, or your continuation rights will be forfeited.

Disability extension of 18-month period of continuation coverage

For Subscribers who are determined, at the time of the qualifying event, to be disabled under Title II (OASDI) or Title XVI (SSI) of the Social Security Act, and Subscribers who become disabled during the first 60 days of COBRA continuation coverage, coverage may continue from 18 to 29 months. These Subscribers' Dependents are also eligible for the 18- to 29-month disability extension. (This also applies if any covered family Member is found to be disabled.) This would only apply if the qualified beneficiary gives notice of disability status within 60 days of the disabling determination. In these cases, the Employer can charge 150% of Premium for months 19 through 29. This would allow health coverage to

be provided in the period between the end of 18 months and the time that Medicare begins coverage for the disabled at 29 months. (If a qualified beneficiary is determined by the Social Security Administration to no longer be disabled, such qualified beneficiary must notify the Plan Administrator of that fact in writing within 30 days after the Social Security Administration's determination.)

Trade Adjustment Act Eligible Individual

If you don't initially elect COBRA coverage and later become eligible for trade adjustment assistance under the U.S. Trade Act of 1974 due to the same event which caused you to be eligible initially for COBRA coverage under this Plan, you will be entitled to another 60-day period in which to elect COBRA coverage. This second 60-day period will commence on the first day of the month on which you become eligible for trade adjustment assistance. COBRA coverage elected during this second election period will be effective on the first day of the election period.

When COBRA Coverage Ends

COBRA benefits are available without proof of insurability and coverage will end on the earliest of the following:

- A covered individual reaches the end of the maximum coverage period,
- A covered individual fails to pay a required Premium on time,
- A covered individual becomes covered under any other group health plan after electing COBRA. If
 the other group health plan contains any exclusion or limitation on a pre-existing condition that
 applies to you, you may continue COBRA coverage only until these limitations cease,
- A covered individual becomes entitled to Medicare after electing COBRA, or
- The Group terminates all of its group welfare benefit plans.

Other Coverage Options Besides COBRA Continuation Coverage

Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

If You Have Questions

Questions concerning your Group's health Plan and your COBRA continuation coverage rights should be addressed to the Group. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

Continuation of Coverage Under State Law

Groups with less than 20 employees who provide health care coverage for their employees are subject to state law for continuation of coverage. The state continuation coverage period will not exceed 18 months for you and/or any Dependents. State continuation coverage for you and your Dependents will start on the date of the earliest of the following qualifying events:

- Your termination of employment. To qualify, you must have been covered by the Group health coverage for at least (6) six straight months,
- Your reduction in working hours which results in loss of coverage. Reduction in working hours would include circumstances resulting from economic conditions, injury, disability, or chronic health conditions,
- · Your death, or

Divorce or legal separation of you and the spouse.

State Continuation Coverage Notification

Unless termination or reduction in working hours is the qualifying event, a Subscriber, spouse or Dependent child must tell the Group of their choice to keep coverage within 30 days after being eligible. The Group is responsible for telling the Subscriber, spouse, and/or Dependent child of how to choose state continuation. Once the Group has given notice to the Subscriber, spouse and/or Dependent child, we must get timely notice from the Group that you want state continuation. We must also get timely payment of Premiums from the Group when paid by the Subscriber.

We should get the notice from the Group and your first no later than 30 days after the qualifying event. If the Group fails to give timely notice to you of your rights, this deadline may extend to 60 days after the qualifying event. For more, contact your Group.

When State Continuation Coverage Ends

Your state continuation coverage ends upon the earlier of the following:

- A covered individual reaches the end of the maximum coverage period.
- The Contract between us and your employer ends. If the employer gets other group coverage, continuation coverage will continue under the new plan,
- A covered individual fails to pay Premium timely,
- You are eligible for another group health plan unless the other plan does not cover something that is
 covered by the continuation coverage. In that case, the state continuation coverage lasts until the
 continuation period ends or the other plan covers the excluded condition,
- If you are covered as a Designated Beneficiary, on the date the Recorded Designated Beneficiary Agreement is revoked or terminated,
- The date the spouse remarries and becomes eligible for coverage under the new spouse's group health plan,
- · You get Medicare or Medicaid, or
- You tell us in writing to cancel.

Continuation of Coverage Due To Military Service

Under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), the Subscriber or his / her Dependents may have a right to continue health care coverage under the Plan if the Subscriber must take a leave of absence from work due to military leave.

Employers must give a cumulative total of five years and in certain instances more than five years, of military leave.

"Military service" means performance of duty on a voluntary or involuntary basis and includes active duty, active duty for training, initial active duty for training, inactive duty training, and full-time National Guard duty.

During a military leave covered by USERRA, the law requires employers to continue to give coverage under this Plan to its Members. The coverage provided must be identical to the coverage provided to similarly situated, active employees and Dependents. This means that if the coverage for similarly situated, active employees and Dependents is modified, coverage for you (the individual on military leave) will be modified.

You may elect to continue to cover yourself and your eligible Dependents by notifying your employer in advance and submitting payment of any required contribution for health coverage. This may include the amount the employer normally pays on your behalf. If your military service is for a period of time less than 31 days, you may not be required to pay more than the active Member contribution, if any, for

continuation of health coverage. For military leaves of 31 days or more, you may be required to pay up to 102% of the full cost of coverage, i.e., the employee and employer share.

The amount of time you continue coverage due to USERRA will reduce the amount of time you will be eligible to continue coverage under COBRA.

Maximum Period of Coverage During a Military Leave

Continued coverage under USERRA will end on the earlier of the following events:

- 1. The date you fail to return to work with the Group following completion of your military leave. Subscribers must return to work within:
 - a) The first full business day after completing military service, for leaves of 30 days or less. A reasonable amount of travel time will be allowed for returning from such military service,
 - b) 14 days after completing military service for leaves of 31 to 180 days,
 - c) 90 days after completing military service for leaves of more than 180 days, or
- 2. 24 months from the date your leave began.

Reinstatement of Coverage Following a Military Leave

Regardless of whether you continue coverage during your military leave, if you return to work your health coverage and that of your eligible Dependents will be reinstated under this Plan if you return within:

- 1. The first full business day of completing your military service, for leaves of 30 days or less. A reasonable amount of travel time will be allowed for returning from such military service,
- 2. 14 days of completing your military service for leaves of 31 to 180 days, or
- 3. 90 days of completing your military service for leaves of more than 180 days.

If, due to an illness or injury caused or aggravated by your military service, you cannot return to work within the time frames stated above, you may take up to:

- 1. Two years; or
- 2. As soon as reasonably possible if, for reasons beyond your control you cannot return within two years because you are recovering from such illness or injury.

If your coverage under the Plan is reinstated, all terms and conditions of the Plan will apply to the extent that they would have applied if you had not taken military leave and your coverage had been continuous. Any waiting/probationary periods will apply only to the extent that they applied before.

Please note that, regardless of the continuation and/or reinstatement provisions listed above, this Plan will not cover services for any illness or injury caused or aggravated by your military service, as indicated in the "Limitations/Exclusions (What is Not Covered)" section.

Family and Medical Leave Act of 1993

A Subscriber who takes a leave of absence under the Family and Medical Leave Act of 1993 (the Act) will still be eligible for this Plan during their leave. We will not consider the Subscriber and his or her Dependents ineligible because the Subscriber is not at work.

If the Subscriber ends their coverage during the leave, the Subscriber and any Dependents who were covered immediately before the leave may be added back to the Plan when the Subscriber returns to work without medical underwriting. To be added back to the Plan, the Group may have to give us evidence that the Family and Medical Leave Act applied to the Subscriber. We may require a copy of the health care Provider statement allowed by the Act.

Benefits After Termination Of Coverage

Except as stated below, we will not pay for any services given to you after your coverage ends even if we preauthorized the service, unless the Provider confirmed your eligibility within two business days before

each service received. Benefits cease on the date your coverage ends as described above. You may be responsible for benefit payments made by us on your behalf for services provided after your coverage has ended.

When your coverage ends for any reason other than for nonpayment of Premium, fraud or abuse, we will continue coverage if you are being treated at an inpatient facility, until you are discharged or transferred to another level of care. This is subject to the terms of this Booklet. The discharge date is seen as the first date on which you are discharged from the facility or transferred to another level of care. We will not cover the services you get after your discharge date.

Unless a law requires, we do not cover services after your date of termination even if:

- We approved the services; or
- The services were made necessary by an accident, illness or other event that occurred while coverage was in effect.

Section 13. Appeals and Complaints

We want your experience with us to be as positive as possible. There may be times, however, when you have a complaint, problem, or question about your Plan or a service you have received. In those cases, please contact Member Services by calling the number on the back of your ID Card. We will try to resolve your complaint informally by talking to your Provider or reviewing your claim. If you are not satisfied with the resolution of your complaint, you have the right to file a Grievance / Appeal, which is defined as follows:

We may have turned down your claim for benefits, your continuity of care request, or your request to cover a Drug as an exception to the Prescription Drug List. We may have also denied your request to preauthorize or receive a service or a supply. If you disagree with our decision you can:

- 1. File a complaint,
- 2. File an appeal, or
- 3. File a grievance.

Complaints

If you want to file a complaint about our customer service or how we processed your claim, please call Member Services. A trained staff member will try to clear up any confusion about the matter. They will also try to resolve your complaint. If you prefer, you can send a written complaint to this address:

For medical and prescription drug or pharmacy issues:

HMO Colorado Member Services Department P.O. Box 17549 Denver, CO 80217-0549

If your complaint isn't solved either by writing or calling, or if you don't want to file a complaint, you can file an appeal. We'll tell you how to do that next, in the Appeals section below.

Appeals

If we have denied a claim that you feel should have been covered, or handled in a different way, denied a request to cover a Drug as an exception to the Prescription Drug List, or had your coverage cancelled retroactively for a reason that is not because of your failure to pay premiums, you can file an appeal. You can appeal a denial that was made by us before the service is received. You can also appeal a denial on a service after it is received.

If, after our denial, we consider, rely on, or generate any new or additional evidence in connection with your claim, we will provide you with that new or additional evidence, free of charge. We will not base our appeal decision on a new or additional rationale without first providing you (free of charge) with, and a reasonable opportunity to respond to, any such new or additional rationale. If we fail to follow the Appeal procedures outlined under this section the Appeals process may be deemed exhausted. However, the Appeals process will not be deemed exhausted due to minor violations that do not cause, and are not likely to cause, prejudice or harm so long as the error was for good cause or due to matters beyond our control.

While we encourage you to file an appeal within 60 days of the unfavorable benefit determination, the written or oral appeal must be received by us within 180 days of the unfavorable benefit determination. We will assign an employee to help you in the appeal process. An appeal can be filed verbally by calling Member Services.

For medical and prescription drug or pharmacy issues:

HMO Colorado Attn: Grievance and Appeals Department 700 Broadway Denver, CO 80273

You don't have to file a complaint before you file an appeal. In your appeal, please state as plainly as possible why you think we shouldn't have denied your claim for benefits. Include any documents you didn't submit with the original claim or service/supply request. Also send any other documents that support your appeal. You don't have to file the appeal yourself. Someone else, like your Doctor or another representative, can file an appeal for you. Just let us know in writing who will be filing the appeal for you.

The appeals process allows you to request an internal appeal, and in certain cases, an independent external appeal.

Internal Appeals

We have an internal process that we follow when reviewing your appeal. Members of our staff, who were not involved when your claim was first denied, will review the appeal. They may also talk with co-workers to assist in the review. For appeals of claims involving Utilization Review, you do not have the right to be present during the first internal appeal but are free to submit any documents or information that you want considered in your appeal.

If your first internal appeal is denied, you can ask for a second level appeal. But you don't have to file a second level appeal with us before requesting an independent external review appeal or pursuing legal action.

Expedited internal appeal – If you have an urgent case, you may request that your internal appeal be reviewed in a shorter time period. This is called an expedited internal appeal. You or your representative can ask for an expedited appeal if you had Emergency services but haven't been discharged from the Facility. Also, you can ask for an expedited appeal if the regular appeal schedule would:

- Seriously jeopardize your life or health,
- · Jeopardize your ability to regain maximum function,
- Create an immediate and substantial limitation on your ability to live independently, if you're disabled, or
- In the opinion of a Doctor with knowledge of your condition, would subject you to severe pain that can't be adequately managed without the service in question.

Independent External Appeals

For claims based on Utilization Review, or a rescission or retroactive cancellation of coverage for reasons other than nonpayment of premium, or a denial of a request to cover a Drug as an exception to the Prescription Drug List, you can request an independent external appeal. Utilization Review includes claims we denied as Experimental or Investigational or not Medically Necessary. It also includes claims where we reviewed your medical circumstances to decide if an exclusion applied. For these appeals, your case is reviewed by an external review entity, selected by the Colorado Division of Insurance. There is no minimum dollar amount for a claim to be eligible for an external review.

Your request for independent external review must be made within 4 months of our appeal decision. Generally, you have to have completed at least the first level internal appeal. But if we fail to handle the appeal according to applicable Colorado insurance law and regulations, you will be eligible to request independent external review.

Expedited external appeal – You or your representative can request an expedited independent external review, but only in certain cases:

You had Emergency services but haven't been discharged from the Facility.

- A Doctor certifies to us that you have a medical condition where following the normal external review appeal process would seriously jeopardize your life or health, would jeopardize your ability to regain maximum function or, if you're disabled, would create an imminent and substantial limitation of your ability to live independently, or
- We denied coverage for a requested medical service as being Experimental or Investigational, your treating physician certifies in writing that the requested service would be significantly less effective if not promptly initiated and certifies that either:
 - Standard health care services or treatments have not been effective in improving your condition or are not medically appropriate for you, or
 - The Doctor is a licensed, board-certified or board-eligible physician qualified to practice in the area of medicine appropriate to treat your condition, there is no available standard health care service or treatment covered by this Booklet that is more beneficial than the requested service, and scientifically valid studies using accepted protocols demonstrate that the requested service is likely to be more beneficial to you than any available standard services.

If it meets these conditions, your request for expedited external appeal can be filed at the same time as your request for an expedited internal appeal.

Grievances

If you have an issue or concern about the quality or services you receive from an In-Network Provider or Facility, you can file a grievance. The quality management department strives to resolve grievances fairly and quickly.

For medical and prescription drug or pharmacy issues:

HMO Colorado
Attn: Grievance and Appeals Department
700 Broadway
Denver, CO 80273-0001

Our quality management department will acknowledge that we've received your grievance. They'll also investigate it. We treat every grievance confidentially.

Division of Insurance Inquiries

For inquiries about health care coverage in Colorado, you may call the Division of Insurance between 8:00 a.m. and 5:00 p.m., Monday through Friday, at (303) 894-7490, or write to the Division of Insurance to the attention of the ICARE Section, 1560 Broadway, Suite 850, Denver, Colorado 80202.

Binding Arbitration

The binding arbitration provision under this Booklet is applicable to claims arising under all individual plans, governmental plans, church plans, plans or claims to which ERISA preemption does not apply, and plans maintained outside the United States. Any such arbitration will be governed by the procedures and rules established by the American Arbitration Association. You may obtain a copy of the Rules of Arbitration by calling our Member Services. The law of the state in which the policy was issued and delivered to you shall govern the dispute. The arbitration decision is binding on both you and us. Judgment on the award made in arbitration may be enforced in any court with proper jurisdiction. If any person subject to this arbitration clause initiates legal action of any kind, the other party may apply for a court of competent jurisdiction to enjoin, stay or dismiss any such action and direct the parties to arbitrate in accordance with this section.

Limitation of Actions

No lawsuit or legal action of any kind related to a benefit decision may be filed by you in a court of law or in any other forum, unless it is commenced no earlier than 60 days after we receive the claim or other request for benefits and within three years of our final decision on the claim or other request for benefits. If we decide an appeal is untimely, our latest decision on the merits of the underlying claim or benefit

request is the final decision date. You must exhaust our internal appeals process before filing a lawsuit or other legal action of any kind against us. If you have exhausted all mandatory levels of review in your appeal, you may be entitled to have the claim decision reviewed de novo (as if for the first time) in any court with jurisdiction and to a trial by jury. If your health benefit plan is sponsored by your employer and subject to the Employee Retirement Income Security Act of 1974 (ERISA) and your appeal as described above results in an adverse benefit determination, you have a right to bring a civil action under Section 502(a) of ERISA within one year of the grievance or appeal decision.

Prescription Drug List Exceptions

Please refer to the "Prescription Drug List" section in "Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy" for the process to submit an exception request for Drugs not on the Prescription Drug List.

Section 14. Information on Policy and Rate Changes Insurance Premiums

How Premiums are Established and Changed – Premiums are the monthly charges you and/or the Group must pay us to get coverage. We figure out and set the required Premiums.

The Group is responsible for paying the employee's Premium to us according to the terms of the Group Contract. Groups may have you contribute to the Premium cost through payroll deduction.

Grace Period – If a Group fails to submit Premium payments to us in a timely manner, the Group is entitled to a grace period of 31 days for the payment of such Premium. During the grace period, our Contract with the Group shall continue in force unless the Group gives us written notice of termination of the Contract. If the Group has obtained replacement coverage during the grace period, the Contract with us will be terminated as of the last day for which we have received Premium, and any and all claims paid during the grace period will be retroactively adjusted to deny, unless the Provider verified eligibility within two business days before each service received. These claims that we retroactively deny should be submitted to the replacement carrier. If the Group has not obtained replacement coverage during the grace period, or fails to inform us that the employer has not obtained replacement coverage, we will process any and all claims with dates of service during the grace period in accordance with the terms of this Booklet.

Section 15. Definitions

If a word or phrase in this Booklet has a special meaning, such as Medical Necessity or Experimental / Investigational, it will start with a capital letter, and be defined below. If you have questions on any of these definitions, please call Member Services at the number on the back of your Identification Card.

Accidental Injury

An unexpected Injury for which you need Covered Services while enrolled in this Plan. It does not include injuries that you get benefits for under any Workers' Compensation, Employer's liability, or similar law.

Ambulatory Surgery Center

A facility licensed as an Ambulatory Surgery Center as required by law that satisfies our accreditation requirements and is approved by us.

Applied Behavioral Analysis

The use of behavior analytic methods and research findings to change socially important behaviors in meaningful ways.

Authorized Service(s)

A Covered Service you get from an Out-of-Network Provider that we have agreed to cover at the In-Network level. You will not have to pay any more than the In-Network Deductible, Coinsurance, and/or Copayment(s) that apply. Please see the "Claims Procedure (How to File a Claim)" section as well as the "Consolidated Appropriations Act of 2021 Notice" at the beginning of this Booklet for more details.

Autism Services Provider

A person who provides services to a Member with Autism Spectrum Disorders. The Provider must be licensed, certified, or registered by the applicable state licensing board or by a nationally recognized organization, and who meets the requirements as defined by state law.

Autism Spectrum Disorders or ASD

Includes the following disorders, as defined in the most recent edition of the diagnostic and statistical manual of mental disorders in effect at the time of the diagnosis: autistic disorder, Asperger's disorder, and atypical autism as a diagnosis within pervasive developmental disorder not otherwise specified.

Autism Treatment Plan

A plan for a Member by an Autism Services Provider and prescribed by a Doctor or psychologist in line with evaluating or again reviewing a Member's diagnosis; proposed treatment by type, frequency, and expected treatment; the expected outcomes stated as goals; and the rate by which the treatment plan will be updated. The treatment plan is in line with the patient-centered medical home as defined in state law.

Benefit Maximum

The number of days or units of Covered Services, such as two office visits per your Benefit Period, for which a health coverage will provide benefits during a specified length of time.

Benefit Period

The length of time we will cover benefits for Covered Services. For Calendar Year plans, the Benefit Period starts on January 1st and ends on December 31st. For Plan Year plans, the Benefit Period starts on your Group's effective or renewal date and lasts for 12 months. (See your Group for details.) The "Schedule of Benefits (Who Pays What)" shows if your Plan's Benefit Period is a Calendar Year or a Plan Year. If your coverage ends before the end of the year, then your Benefit Period also ends.

Benefit Period Maximum

The most we will cover for a Covered Service during a Benefit Period.

Biosimilar/Biosimilars

A type of biological product that is licensed (approved) by FDA because it is highly similar to an already FDA approved biological product, known as the biological reference product (reference product), and has been shown to have no clinically meaningful differences from the reference product.

Booklet

This document (also called the certificate), which describes the terms of your benefits. It is part of the Group Contract with your Employer and is also subject to the terms of the Group Contract.

Brand Name Drugs

Prescription Drugs that we classify as Brand Drugs or that our PBM has classified as Brand Name Drugs through use of an independent proprietary industry database.

Centers of Medical Excellence (COE) Network

A network of health care facilities, which have been selected to give specific services to our Members based on their experience, outcomes, efficiency, and effectiveness. An In-Network Provider under this Plan is not necessarily a COE. To be a COE, the Provider must have signed a Centers of Medical Excellence Agreement with us.

Chiropractic Care / Manipulative Therapy

A system of therapy that includes the therapeutic application of manual manipulation treatment, analysis and adjustments of the spine and other body structures, and muscle stimulation by any means, including therapeutic use of heat, cold, and exercise.

Chronic Pain

Pain that lasts more than six months that is not life threatening, and it may continue for a lifetime, and has not responded to current treatments.

Coinsurance

Your share of the cost for Covered Services, which is a percent of the Maximum Allowed Amount. You normally pay Coinsurance after you meet your Deductible. For example, if your Plan lists 20% Coinsurance on office visits, and the Maximum Allowed Amount is \$100, your Coinsurance would be \$20 after you meet the Deductible. The Plan would then cover the rest of the Maximum Allowed Amount. See the "Schedule of Benefits (Who Pays What)" for details. Your Coinsurance will not be reduced by any refunds, rebates, or any other form of negotiated post-payment adjustments (except as described in the "Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy" section).

Complications of Pregnancy

Complications of Pregnancy means:

- Conditions (when the pregnancy is not terminated) whose diagnoses are distinct from pregnancy but
 are adversely affected by pregnancy or are caused by pregnancy, such as acute nephritis, nephrosis,
 cardiac decompensation, missed abortion, and similar medical and surgical conditions of comparable
 severity. This does not include false labor, occasional spotting, physician-prescribed rest during the
 period of pregnancy, morning sickness, hyperemesis gravidarum, preeclampsia, and similar
 conditions associated with the management of a difficult pregnancy not constituting a nosologically
 distinct complication of pregnancy.
- Non-elective cesarean section, ectopic pregnancy, which is terminated, and spontaneous termination of pregnancy, which occurs during a period of gestation in which a viable birth is not possible.

Congenital Defect

A defect or anomaly existing before birth, such as cleft lip or club foot. Disorders of growth and development over time are not considered congenital.

Consolidated Appropriations Act of 2021

Please refer to the "Consolidated Appropriations Act of 2021 Notice" at the beginning of this Booklet for details.

Controlled Substances

Drugs and other substances that are considered controlled substances under the Controlled Substances Act (CSA), which are divided into five schedules.

Copayment

A fixed amount you pay toward a Covered Service. You normally have to pay the Copayment when you get health care. The amount can vary by the type of Covered Service you get. For example, you may have to pay a \$15 Copayment for an office visit, but a \$150 Copayment for Emergency Room Services.

See the "Schedule of Benefits (Who Pays What)" for details. Your Copayment will be the lesser of the amount shown in the "Schedule of Benefits (Who Pays What)" or the Maximum Allowed Amount.

Covered Services

Health care services, supplies, or treatment described in this Booklet that are given to you by a Provider. To be a Covered Service the service, supply or treatment must be:

- Medically Necessary or specifically included as a benefit under this Booklet.
- Within the scope of the Provider's license.
- Given while you are covered under the Plan.
- Not Experimental / Investigational, excluded, or limited by this Booklet, or by any amendment or rider to this Booklet.
- Approved by us before you get the service if Precertification or prior authorization is needed.

A charge for a Covered Service will apply on the date the service, supply, or treatment was given to you.

Covered Services do not include services or supplies not described in the Provider records.

Covered Transplant Procedure

Please see the "Benefits/Coverage (What is Covered)" section for details.

Custodial Care

Any type of care, including room and board, that (a) does not require the skills of professional or technical workers; (b) is not given to you or supervised by such workers or does not meet the rules for post-Hospital Skilled Nursing Facility care; (c) is given when you have already reached the greatest level of physical or mental health and are not likely to improve further.

Custodial Care includes any type of care meant to help you with activities of daily living that does not require the skill of trained medical or paramedical workers. Examples of Custodial Care include:

- Help in walking, getting in and out of bed, bathing, dressing, eating, or using the toilet,
- Changing dressings of non-infected wounds, after surgery or chronic conditions,
- · Preparing meals and/or special diets,
- Feeding by utensil, tube, or gastrostomy,
- Common skin and nail care,
- Supervising medicine that you can take yourself,
- Catheter care, general colostomy, or ileostomy care,

- Routine services which we decide can be safely done by you or a non-medical person without the help of trained medical and paramedical workers,
- Residential care and adult day care,
- Protective and supportive care, including education,
- Rest and convalescent care.

Care can be Custodial even if it is recommended by a professional or performed in a Facility, such as a Hospital or Skilled Nursing Facility, or at home.

Deductible

The amount you must pay for Covered Services before benefits begin under this Plan. For example, if your Deductible is \$1,000, your Plan won't cover anything until you meet the \$1,000 Deductible. The Deductible may not apply to all Covered Services. Please see the "Schedule of Benefits (Who Pays What)" for details.

Dependent

A member of the Subscriber's family who meets the rules listed in the "Eligibility" section and who has enrolled in the Plan.

Designated Pharmacy Provider

An In-Network Pharmacy that has executed a Designated Pharmacy Provider Agreement with us or an In-Network Provider that is designated to provide Prescription Drugs, including Specialty Drugs, to treat certain conditions.

Doctor

See the definition of "Physician."

Early Intervention Services

Services, as defined by Colorado law in accordance with part C, that are authorized through an Eligible Child's IFSP but that exclude: nonemergency medical transportation; respite care; service coordination, as defined in federal law; and assistive technology (unless covered under this Booklet as durable medical equipment).

- Eligible Child means an infant or toddler, from birth through two years of age, who is an eligible Dependent and who, as defined by Colorado law, has significant delays in development or has a diagnosed physical or mental condition that has a high probability of resulting in significant delays in development or who is eligible for services pursuant to Colorado law.
- Individualized family service plan or IFSP means a written plan developed pursuant to federal law that authorizes early intervention services to an Eligible Child and the child's family. An IFSP shall serve as the individualized plan for an Eligible Child from birth through two years of age.

Effective Date

The date your coverage begins under this Plan.

Emergency (Emergency Medical Condition)

Please see the "Benefits/Coverage (What is Covered)" section.

Emergency Care

Please see the "Benefits/Coverage (What is Covered)" section.

Excluded Services (Exclusion)

Health care services your Plan doesn't cover.

Experimental or Investigational (Experimental / Investigational)

(a) Any drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply used in or directly related to the diagnosis, evaluation or treatment of a disease, injury, illness or other health condition which we determine in our sole discretion to be Experimental or Investigational.

We will deem any drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply to be Experimental or Investigational if we determine that one or more of the following criteria apply when the service is rendered with respect to the use for which benefits are sought.

The drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply:

- Cannot be legally marketed in the United States without the final approval of the Food and Drug Administration (FDA) or any other state or federal regulatory agency, and such final approval has not been granted,
- Has been determined by the FDA to be contraindicated for the specific use,
- Is provided as part of a clinical research protocol or clinical trial (except as noted in the Clinical Trials section under Covered Services in this Booklet as required by state law), or is provided in any other manner that is intended to evaluate the safety, toxicity or efficacy of the drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply; or is subject to review and approval of an Institutional Review Board (IRB) or other body serving a similar function, or
- Is provided pursuant to informed consent documents that describe the drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply as Experimental or Investigational, or otherwise indicate that the safety, toxicity or efficacy of the drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply is under evaluation.
- (b) Any service not deemed Experimental or Investigational based on the criteria in subsection (a) may still be deemed to be Experimental or Investigational by us. In determining whether a service is Experimental or Investigational, we will consider the information described in subsection (c) and assess all of the following:
- Whether the scientific evidence is conclusory concerning the effect of the service on health outcomes,
- Whether the evidence demonstrates that the service improves the net health outcomes of the total population for whom the service might be proposed as any established alternatives, or
- Whether the evidence demonstrates the service has been shown to improve the net health outcomes
 of the total population for whom the service might be proposed under the usual conditions of medical
 practice outside clinical investigatory settings.
- (c) The information we consider or evaluate to determine whether a drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply is Experimental or Investigational under subsections (a) and (b) may include one or more items from the following list, which is not all-inclusive:
- Randomized, controlled, clinical trials published in authoritative, peer-reviewed United States medical or scientific journal,
- Evaluations of national medical associations, consensus panels and other technology evaluation bodies,
- Documents issued by and/or filed with the FDA or other federal, state or local agency with the authority to approve, regulate or investigate the use of the drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply.
- Documents of an IRB or other similar body performing substantially the same function,
- Consent documentation(s) used by the treating Physicians, other medical professionals or facilities, or by other treating Physicians, other medical professionals or facilities studying substantially the same drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply.

- The written protocol(s) used by the treating Physicians, other medical professionals or facilities or by other treating Physicians, other medical professionals or facilities studying substantially the same drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service or supply,
- Medical records, or
- The opinions of consulting Providers and other experts in the field.

(d) We have the sole authority and discretion to identify and weigh all information and determine all questions pertaining to whether a drug, biologic, device, diagnostic, product, equipment, procedure, treatment, service, or supply is Experimental or Investigational.

Facility

A facility including but not limited to, a Hospital, freestanding Ambulatory Surgery Center, Chemical Dependency Treatment Facility, Residential Treatment Center, Skilled Nursing Facility, or mental health facility, as defined in this Booklet. The Facility must be licensed as required by law, satisfy our accreditation requirements, and be approved by us.

Generic Drugs

Prescription Drugs that we classify as Generic Drugs or that our PBM has classified as Generic Drugs through use of an independent proprietary industry database. Generic Drugs have the same active ingredients, must meet the same FDA rules for safety, purity, and potency, and must be given in the same form (tablet, capsule, cream) as the Brand Name Drug.

Group

The employer or other organization (e.g., association), which has a Group Contract with us, HMO Colorado for this Plan.

Group Contract (or Contract)

The Contract between us, HMO Colorado, and the Group (also known as the Group Master Contract). It includes this Booklet, your application, any application or change form, your Identification Card, any endorsements, riders or amendments, and any legal terms added by us to the original Contract.

The Group Master Contract is kept on file by the Group. If a conflict occurs between the Group Master Contract and this Booklet, the Group Master Contract controls.

Habilitative Services

Habilitative Services help you keep, learn, or improve skills and functioning for daily living. Examples include therapy for a child who isn't walking or talking at the expected age.

HMO Colorado

A health maintenance organization, organized under the laws of the State of Colorado, doing business as HMO Colorado, Inc. Referred to in the Booklet as "us, "we", or "our", Also referred to as "HMOC".

Home Health Care Agency

A Provider licensed when required by law and approved by us, that:

- 1. Gives skilled nursing and other services on a visiting basis in your home; and
- 2. Supervises the delivery of services under a plan prescribed and approved in writing by the attending Doctor.

Hospice

A Provider that gives care to terminally ill patients and their families, either directly or on a consulting basis with the patient's Doctor. It must be licensed by the appropriate agency.

Hospital

A facility licensed as a Hospital as required by law that satisfies our accreditation requirements and is approved by us. The term Hospital does not include a Provider, or that part of a Provider, used mainly for:

- 1. Nursing care
- 2. Rest care
- 3. Convalescent care
- Care of the aged
- 5. Custodial Care
- 6. Educational care
- 7. Subacute care

Identification Card (ID Card)

The card we give you that shows your Member identification, Group numbers, and the plan you have.

Infertility

Infertility, which may occur in either male or female, means a disease or condition characterized by the failure to impregnate or conceive, a person's inability to reproduce either as an individual or with the person's partner, or by the findings of a physician licensed to practice medicine in Colorado. As used in this definition, a "failure to impregnate or conceive" means the failure to establish a clinical pregnancy after twelve months of regular, unprotected sexual intercourse or therapeutic donor insemination for a woman under the age of thirty-five or after six months of regular, unprotected sexual intercourse or therapeutic donor insemination for a woman thirty-five or older. Conception resulting in a miscarriage does not restart the twelve- or six-month clock to qualify as having infertility.

In-Network Provider

A Provider that has a contract, either directly or indirectly, with us, or another organization, to give Covered Services to Members through negotiated payment arrangements. A Provider that is In-Network for one plan may not be In-Network for another. Please see "How to Find a Provider in the Network" in the section "How to Access Your Services and Obtain Approval of Benefits (Applicable to managed care plans)" for more information on how to find an In-Network Provider for this Plan.

In-Network Transplant Provider

Please see the "Benefits/Coverage (What is Covered)" section for details.

Inpatient

A Member who is treated as a registered bed patient in a Hospital and for whom a room and board charge is made.

Intensive In-Home Behavioral Health Services

A range of therapy services provided in the home to address symptoms and behaviors that, as the result of a mental disorder or substance use disorder, put the Members and others at risk of harm.

Intensive Outpatient Program

Structured, multidisciplinary behavioral health treatment that provides a combination of individual, group and family therapy in a program that operates no less than 3 hours per day, 3 days per week.

Interchangeable Biologic Product

A type of biological product that is licensed (approved) by FDA because it is highly similar to an already FDA approved biological product, known as the biological reference product (reference product), and has been shown to have no clinically meaningful differences from the reference product. In addition to

meeting the biosimilarity standard, it is expected to produce the same clinical result as the reference product in any given patient.

Intractable Pain

A pain state in which the cause of the pain cannot be removed and which in the course of medical practice no relief or cure of the cause of the pain is possible, or none has been found after reasonable efforts. It includes evaluation by the attending Doctor and one or more Doctors specializing in the treatment of the part of the body thought of as the source of pain.

Late Enrollees

Subscribers or Dependents who enroll in the Plan after the initial enrollment period. A person will not be considered a Late Enrollee if he or she enrolls during a Special Enrollment period. Please see the "Eligibility" section for further details.

Maintenance Medications

Please see the "Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy" section for details.

Maintenance Pharmacy

An In-Network Retail Pharmacy that is contracted with our PBM to dispense a 90-day supply of Maintenance Medication.

Maximum Allowed Amount

The maximum payment that we will allow for Covered Services. For more information, see the "Member Payment Responsibility" section.

Medical Necessity (Medically Necessary)

The diagnosis, evaluation and treatment of a condition, illness, disease, or injury that we solely decide to be:

- Medically appropriate for and consistent with your symptoms and proper diagnosis or treatment of your condition, illness, disease or injury,
- Obtained from a Doctor or Provider,
- Provided in line with medical or professional standards,
- Known to be effective, as proven by scientific evidence, in improving health,
- The most appropriate supply, setting or level of service that can safely be provided to you and which
 cannot be omitted. It will need to be consistent with recognized professional standards of care. In
 the case of a Hospital stay, also means that safe and adequate care could not be obtained as an
 outpatient.
- Cost-effective compared to alternative interventions, including no intervention or the same intervention in an alternative setting. Cost effective does not always mean lowest cost. It does mean that as to the diagnosis or treatment of your illness, injury or disease, the service is: (1) not more costly than an alternative service or sequence of services that is medically appropriate, or (2) the service is performed in the least costly setting that is medically appropriate. For example we will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis or an infusion or injection of a specialty drug provided in the outpatient department of a hospital if the drug could be provided in a Physician's office or the home setting,
- Not Experimental or Investigational,
- Not primarily for you, your families, or your Provider's convenience, and
- Not otherwise an exclusion under this Booklet.

The fact that a Doctor or Provider may prescribe, order, recommend or approve care, treatment, services or supplies does not, of itself, make such care, treatment, services or supplies Medically Necessary.

Member

People, including the Subscriber and his or her Dependents, who have met the eligibility rules, applied for coverage, and enrolled in the Plan. Members are called "you" and "your" in this Booklet.

Mental Health and Substance Abuse (Behavioral, Mental Health and Substance Use Disorder)

A condition or disorder, regardless of etiology, that may be the result of a combination of genetic and environmental factors and that falls under any of the diagnostic categories listed in the mental disorders section of the most recent version of (a) the international statistical classification of diseases and related health problems; (b) the Diagnostic and Statistical Manual of Mental Disorders (DSM); or (c) the diagnostic classification of mental health and developmental disorders of infancy and early childhood. The phrase also includes Autism Spectrum Disorders, as defined in this Booklet.

Open Enrollment

A period of time in which eligible people or their dependents can enroll without penalty after the initial enrollment. See the "Eligibility" section for more details.

Out-of-Network Provider

A Provider that does not have an agreement or contract with us, or our subcontractor(s) to give services to our Members.

Benefits are not available when you use Out-of-Network Providers unless they are for Emergency Care or for services approved in advance by HMO Colorado as an Authorized Service.

Out-of-Network Transplant Provider

Please see the "Benefits/Coverage (What is Covered)" section for details.

Out-of-Pocket Limit

The most you pay in Copayments, Deductibles, and Coinsurance during a Benefit Period for Covered Services. The Out-of-Pocket limit does *not* include your Premium, amounts over the Maximum Allowed Amount, or charges for health care that your Plan doesn't cover. Please see the "Schedule of Benefits (Who Pays What)" for details.

Partial Hospitalization Program

Structured, multidisciplinary behavioral health treatment that offers nursing care and active individual, group and family treatment in a program that operates no less than 6 hours per day, 5 days per week.

Pharmacy

A place licensed by state law where you can get Prescription Drugs and other medicines from a licensed pharmacist when you have a prescription from your Doctor.

Pharmacy and Therapeutics (P&T) Process

A process to make clinically based recommendations that will help you access quality, low cost medicines within your Plan. The process includes health care professionals such as nurses, pharmacists, and Doctors. The committees of the National Pharmacy and Therapeutics Process meet regularly to talk about and find the clinical and financial value of medicines for our Members. This process first evaluates the clinical evidence of each product under review. The clinical review is then combined with an in-depth review of the market dynamics, Member impact and financial value to make choices for the formulary. Our programs may include, but are not limited to, Drug utilization programs, prior authorization criteria, therapeutic conversion programs, cross-branded initiatives, and Drug profiling initiatives.

Pharmacy Benefits Manager (PBM)

A Pharmacy benefits management company that manages Pharmacy benefits on Anthem's behalf. Anthem's PBM has a nationwide network of Retail Pharmacies, a Home Delivery Pharmacy, and clinical services that include Prescription Drug List management.

The management and other services the PBM provides include, but are not limited to: managing a network of Retail Pharmacies and operating a mail service Pharmacy. Anthem's PBM, in consultation with Anthem, also provides services to promote and assist Members in the appropriate use of Pharmacy benefits, such as review for possible excessive use, proper dosage, drug interactions or drug/pregnancy concerns.

Physician (Doctor)

Includes the following when licensed by law:

- Doctor of Medicine (M.D.) legally entitled to practice medicine and perform surgery,
- Doctor of Osteopathy (D.O.) legally licensed to perform the duties of a D.O.,
- Doctor of Chiropractic (D.C.), legally licensed to perform the duties of a chiropractor,
- Doctor of Podiatric Medicine (D.P.M.) legally entitled to practice podiatry, and
- Doctor of Dental Medicine (D.D.M.), Doctor of Dental Surgery (D.D.S.), legally entitled to provide dental services.

Optometrists, Clinical Psychologists (PhD), and surgical chiropodists are also Providers when legally licensed and giving Covered Services within the scope of their licenses.

Plan

The benefit plan your Group has purchased, which is described in this Booklet.

Precertification

Please see the section "How to Access Your Services and Obtain Approval of Benefits" for details.

Premium

The amount that you and/or the Group must pay to be covered by this Plan. This may be based on your age and will depend on the Group's Contract with us.

Prescription Drug (Drug)

A substance, that under the Federal Food, Drug & Cosmetic Act, must bear a message on its original packing label that says, "Caution: Federal law prohibits dispensing without a prescription." This includes the following:

- Compounded (combination) medications, when all of the ingredients are FDA approved, require a
 prescription to dispense, and are not essentially the same as an FDA approved product from a drug
 manufacturer.
- 2. Insulin, diabetic supplies, and syringes.

Prescription Order

A written request by a Provider, as permitted by law, for a Prescription Drug or medication, and each authorized refill.

Primary Care Physician / Provider ("PCP")

A Provider who gives or directs health care services for you. The Provider may work in family practice, general practice, internal medicine, pediatrics or any other practice allowed by the Plan. A PCP

supervises, directs, and gives initial care and basic medical services to you and is in charge of your ongoing care.

Provider

A professional or Facility licensed when required by law that gives health care services within the scope of that license, satisfies our accreditation requirements and, for In-Network Providers, is approved by us. Details on our accreditation requirements can be found at

https://www.anthem.com/provider/credentialing/. This includes any Provider that state law says we must cover when they give you services that state law says we must cover. Providers that deliver Covered Services are described throughout this Booklet. If you have a question about a Provider not described in this Booklet, please call the number on the back of your Identification Card.

Qualified Early Intervention Service Provider

Means a person or agency, as defined by Colorado law in accordance with part C, who provides Early Intervention Services and is listed on the registry of early intervention service providers.

Referral

A written authorization form received from your PCP or from us in advance of the services that allows you to receive Covered Services from a Provider other than your PCP. Please see the "How to Access Services and Obtain Approval of Benefits" section for details.

Residential Treatment Center / Facility:

An Inpatient Facility that treats Mental Health and Substance Abuse conditions. The Facility must be licensed as a residential treatment center in the state in which it is located and be accredited by The Joint Commission (TJC), the Commission on Accreditation of Rehabilitation Facilities (CARF), the National Integrated Accreditation for Healthcare Organizations (NIAHO), or the Council on Accreditation (COA).

The term Residential Treatment Center/Facility does not include a Provider, or that part of a Provider, used mainly for:

- 1. Nursing care
- 2. Rest care
- Convalescent care
- 4. Care of the aged
- 5. Custodial Care
- 6. Educational care

Retail Health Clinic

A Facility that gives limited basic health care services to Members on a "walk-in" basis. These clinics are often found in major pharmacies or retail stores. Medical services are typically given by Physician Assistants and Nurse Practitioners.

Service Area

The geographical area where you can get Covered Services from an In-Network Provider.

Skilled Nursing Facility

A facility licensed as a skilled nursing facility in the state in which it is located that satisfies our accreditation requirements and is approved by us.

A Skilled Nursing Facility is not a place mainly for care of the aged, Custodial Care or domiciliary care, or a place for rest, educational, or similar services.

Special Enrollment

A period of time in which eligible people or their dependents can enroll after the initial enrollment, typically due to an event such as marriage, birth, adoption, etc. See the "Eligibility" section for more details.

Specialist (Specialty Care Physician \ Provider or SCP)

A Specialist is a Doctor who focuses on a specific area of medicine or group of p atients to diagnose, manage, prevent, or treat certain types of symptoms and conditions. A non-Physician Specialist is a Provider who has added training in a specific area of health care.

Specialty Drugs

Drugs that typically need close supervision and checking of their effect on the patient by a medical professional. These drugs often need special handling, such as temperature-controlled packaging and overnight delivery, and are often not available at retail pharmacies. They may be administered in many forms including, but not limited to, injectable, infused, oral and inhaled.

Subscriber

An employee or member of the Group who is eligible for and has enrolled in the Plan.

Surprise Billing Claim

Please refer to the "Consolidated Appropriations Act of 2021 Notice" at the beginning of this Booklet for details.

Transplant Benefit Period

Please see the "Benefits/Coverage (What is Covered)" section for details.

Urgent Care Center

A licensed health care Facility that is separate from a Hospital and whose main purpose is giving immediate, short-term medical care, without an appointment, for urgent care.

Utilization Review

A set of formal techniques to monitor or evaluate the clinical necessity, appropriateness, efficacy, or efficiency of, health care services, procedures or settings. Techniques include ambulatory review, prospective review, second opinion, certification, concurrent review, care management, discharge planning and/or retrospective review. Utilization Review also includes reviewing whether or not a procedure or treatment is considered Experimental or Investigational, and reviewing your medical circumstances when such a review is needed to determine if an exclusion applies.

It's important we treat you fairly

That's why we follow federal civil rights laws in our health programs and activities. We don't discriminate, exclude people, or treat them differently on the basis of race, color, national origin, sex, age or disability. For people with disabilities, we offer free aids and services. For people whose primary language isn't English, we offer free language assistance services through interpreters and other written languages. Interested in these services? Call the Member Services number on your ID Card for help (TTY/TDD: 711). If you think we failed to offer these services or discriminated based on race, color, national origin, age, disability, or sex, you can file a complaint, also known as a grievance. You can file a complaint with our Compliance Coordinator in writing to Compliance Coordinator, P.O. Box 27401, Mail Drop VA2002-N160, Richmond, VA 23279. Or you can file a complaint with the U.S. Department of Health and Human Services, Office for Civil Rights at 200 Independence Avenue, SW; Room 509F, HHH Building; Washington, D.C. 20201 or by calling 1-800-368-1019 (TDD: 1-800-537-7697) or online at https://ocrportal.hhs.gov/ocr/oprtal/lobby.jsf . Complaint forms are available at https://www.hhs.gov/ocr/office/file/index.html
