

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, go online at [www.cigna.com/sp](http://www.cigna.com/sp). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-800-Cigna24 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	For <a href="#">in-network providers</a> : \$1,000/individual or \$2,000/family For <a href="#">out-of-network providers</a> : \$3,000/individual or \$6,000/family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. In-network <a href="#">preventive care</a> & immunizations, out-of-network immunizations through age 5, office visits, <a href="#">diagnostic test</a> , <a href="#">prescription drugs</a> , emergency room visits, <a href="#">urgent care</a> facility visits, in-network home health care, in-network skilled nursing facility, in-network hospice services.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	For <a href="#">in-network providers</a> : \$5,000/individual or \$10,000/family For <a href="#">out-of-network providers</a> : \$15,000/individual or \$30,000/family For <a href="#">prescription drugs</a> : \$1,000/individual or \$3,000/family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Penalties for failure to obtain <a href="#">pre-authorization</a> for services, <a href="#">premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.cigna.com">www.cigna.com</a> or call 1-800-Cigna24 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
