

HR solutions designed to help you grow your business faster and take better care of your employees.

Did you know? The average cost of managing administrative HR functions “in house” is \$2,000 per employee, per year.¹

Now think about this: Organizations that outsource multiple HR functions to a single vendor **save an average of 32%** on those costs. Just imagine what your business could achieve with those savings.

That’s why **PartnersFinancial** has partnered with **G&A Partners**, a leading provider of outsourced human resources services, to provide its members with access to exclusive pricing on G&A’s comprehensive HR solutions.

G&A Partners comprehensive HR solutions include:

- **Expert HR support** from a team of professionals to help with everything from recruiting to employment law compliance to benefits and unemployment claims administration.
- **Easy and error-free payroll** administration services with the help of a dedicated payroll specialist.
- **Exceptional benefit plan offerings** from top-tier carriers.
- **Easy-to-use HR technology** systems that help you automate tedious administrative tasks without the high cost of owning your own systems.
- **Workplace safety experts** that can help you identify potential hazards and provide a safer work environment.

Experience the value an award-winning HR company can bring to your business.

Who is G&A Partners?

G&A Partners has been a leading national human resources service provider for more than 25 years. Headquartered in Houston, G&A Partners has offices throughout the United States and Latin America.

G&A Partners can deliver its expert HR services in two ways:

- Through its administrative services organization (ASO) model, which is similar to a traditional business process outsourcing arrangement; or
- Through its professional employer organization (PEO) model, which provides a more comprehensive HR solution.

Both models offer distinct advantages, and G&A clients can choose which model works best for their business’ needs.
