SAFETY TRAINING

Company _____ Location _____ Date _____

Vol 32 - No 23 SAFETY VESTS

Some jobs may require working near the roadway. In such a case signs, signals and barricades are necessary to provide enough protection for flagmen and construction workers. All such protection shall be provided by the employer.

If a flagman is used, he shall be provided with and shall wear a red or orange warning garment while flagging. Warning garments worn at night shall be of reflective material. A hard hat and safety glasses should also be in use. It is most important to ensure that all flagmen have proper training.

Workers safety is the most important concern for all when working near traffic.

Never take safety for granted.

See OSHA regulations 29CFR1926.201 for flagging safety.
