Who is G&A Partners?

G&A Partners has been a leading national human resources service provider for more than 20 years.

G&A Partners can deliver its expert HR services in two ways:

- Through its administrative services organization (ASO) model, which is similar to a traditional business process outsourcing arrangement; or
- Through its professional employer organization (PEO) model, which provides a more comprehensive HR solution.

Both models offer distinct advantages, and G&A clients can choose which model works best for their business’ needs.

G&A Partners is one of the top ten largest privately held U.S. PEO firms, with more than 80,000 PEO employees nationwide.

Headquartered in Houston, G&A Partners is a national PEO with 20 service centers throughout the U.S.
