

Greater Dallas Hispanic Chamber of Commerce (GDHCC) HR Advantage

Free your business from the administrative hassles of HR, benefits and payroll with the GDHCC HR Advantage program.

Who is G&A Partners?

- + G&A Partners has been a leading national human resources service provider for more than 25 years.
 - + G&A Partners can deliver its expert HR services in two ways:
 - Through its administrative services organization (ASO) model, which is similar to a traditional business process outsourcing arrangement; or
 - Through its professional employer organization (PEO) model, which provides a more comprehensive HR solution.
- Both models offer distinct advantages, and G&A clients can choose which model works best for their business' needs.
- + G&A Partners is one of the top ten largest privately held U.S. PEO firms, with more than 50,000 PEO employees nationwide.
 - + Headquartered in Houston, Texas, G&A Partners has 15 offices across the U.S., Colombia and Costa Rica.

Did you know? The average cost of managing administrative HR functions "in house" is \$2,000 per employee, per year.¹

Now think about this: Organizations that outsource multiple HR functions to a single vendor **save an average of 32%** on those costs. Just imagine what your business could achieve with those savings.

That's why GDHCC has partnered with G&A Partners, a leading provider of outsourced human resources services, to provide its members with access to its comprehensive HR solutions at a **special discounted rate** through the GDHCC HR Advantage program.

G&A Partners' comprehensive HR solutions include:

- **Expert HR support** from a team of professionals to help with everything from recruiting to employment law compliance to benefits and unemployment claims administration.
- **Easy and error-free payroll** administration services with the help of a dedicated payroll specialist.
- **Exceptional benefit plan offerings** from top-tier carriers like Blue Cross Blue Shield, Guardian, Unum and more.
- **Easy-to-use HR technology** systems that help you automate tedious administrative tasks without the high cost of owning your own systems.
- **Workplace safety experts** that can help you identify potential hazards and provide a safer work environment.
